On Campus . . .

Banana, the cavalier gorilla, went ape and spread spirit running through the halls, walking over the covered walk, kissing hands, fighting off Indians and throwing pies into unsuspecting faces.

Waiting to hear "Rocky" at pep assemblies.

On Fridays, school spirit was displayed in all shapes and forms: buttons, tags, bananas, feathers, and giant 3's.

Being interrupted ninth period by hearing the pep band marching through the halls.

Wearing blue and gold football shirts.

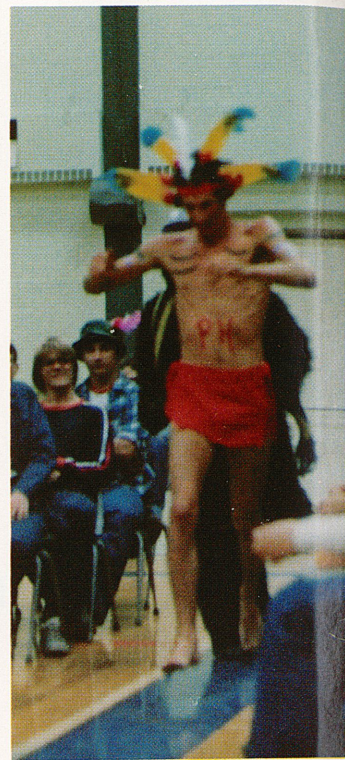

Off campus . . .

Wearing that Varsity jacket everywhere.

Singing the Cavalier Song on the way home from games.

Congregating at Winky's and Bonello's after the game.

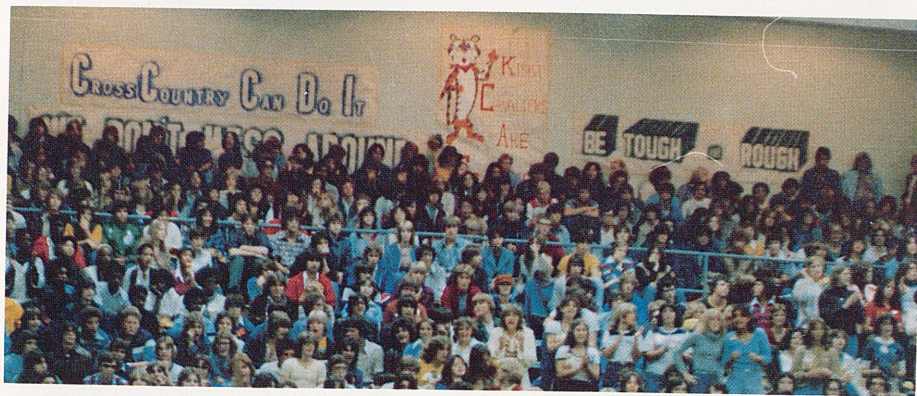

Bragging to our friends from other schools about how Kiski is #1.

This is our senior class Vice-President???

On Campus . . .

"Long" activity periods-attempting to make something sink in, instead having it bounce off.

Lunch is not always fun and games, it is the last chance to cram for the afternoon exam.

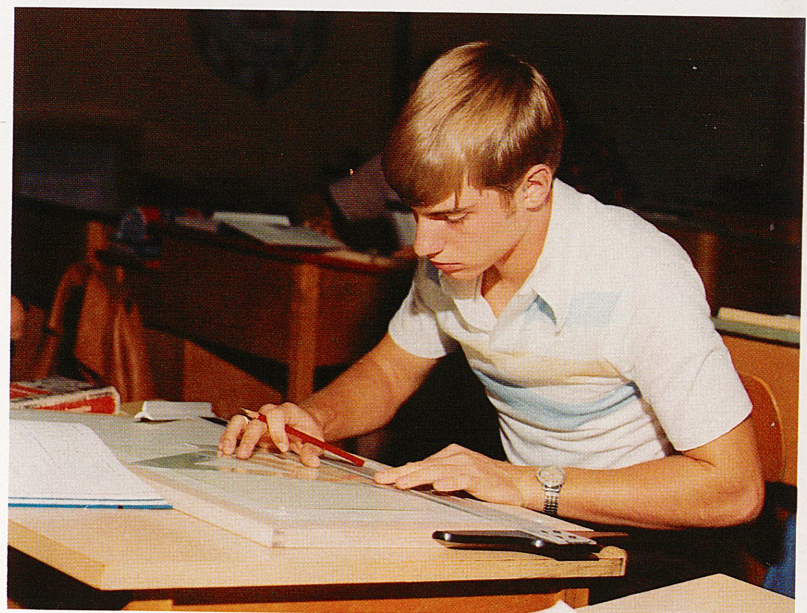

Researching, digging, and finally victory in the battle of the research paper.

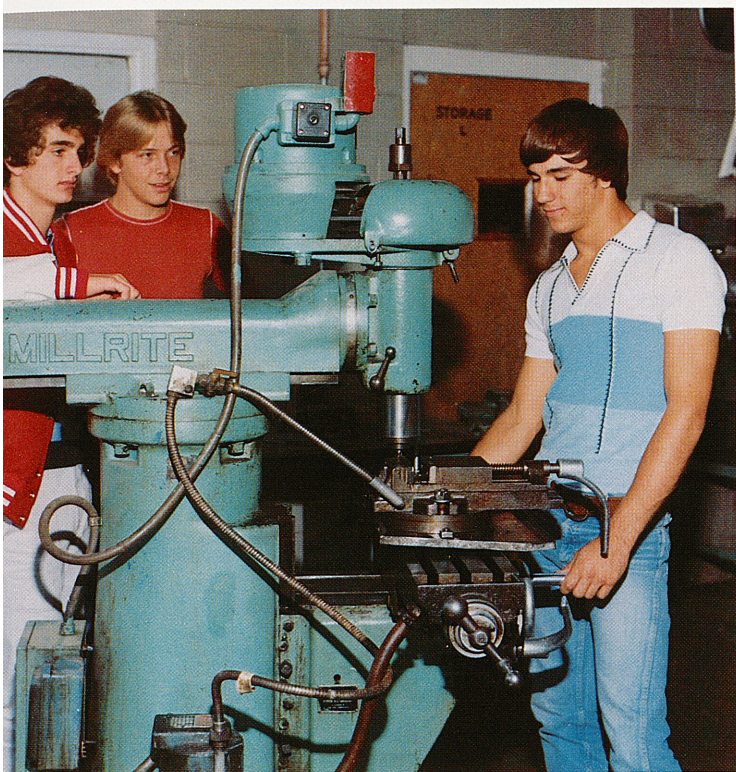

But the most exciting study habit of all is the hunk sitting next to you in geometry.

Off Campus . . .

Being locked in your room for hours studying for those many big tests tomorrow.

Listening to Areosmith tapes to inspire you in studying your English vocab list.

Who says I don't have school spirit?

On Campus . . .

Trying to break the "teacher" image and relate to the students.

Getting seniors prepared for college.

Attempting to keep our vocabulary updated by learning what words like "bummed out," "spastic," and "durfy" mean.

Off Campus . . .

Seeing that quiet boy that sits in the corner turn into a "wild and crazy guy" at a football game.

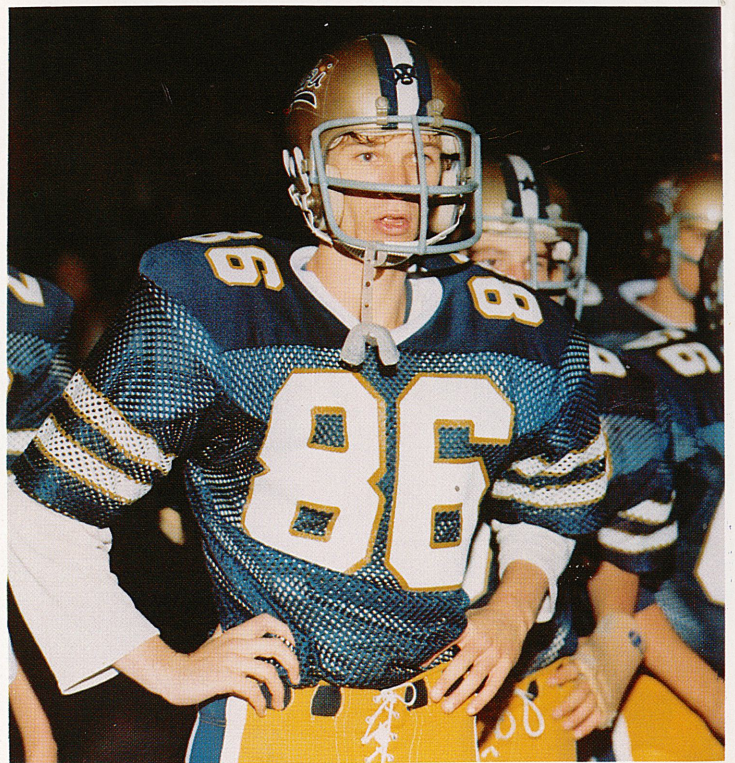

Coming on Saturdays to give college bound students the S.A.T.'s.

Checking up on the girls.

Here comes the "Big K!"

On Campus . . .

All the many practices after school in preparation for a game.

Wearing our special uniforms for pep assemblies.

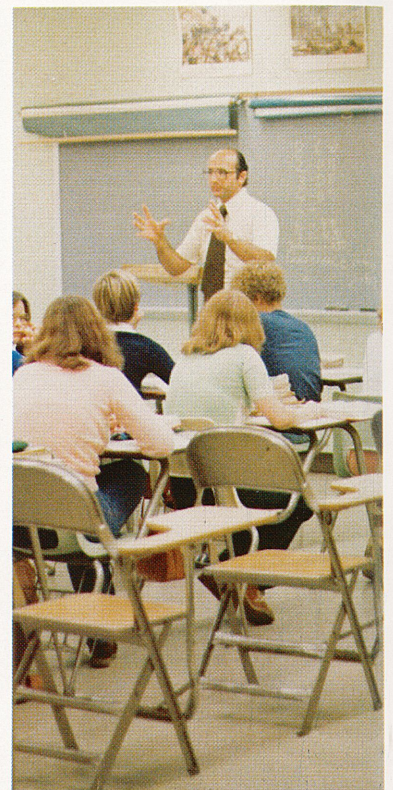

Learning new routines and keeping to the beat.

Off Campus . . .

The "fun" bus rides to parades and games.

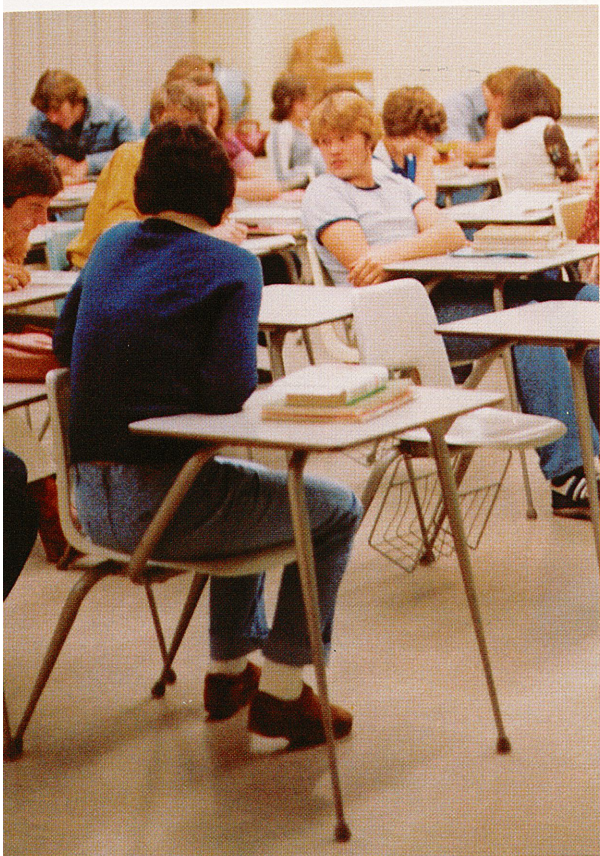

Dreading that 10 o'clock curfew.

Going over the drills in our minds at home.

This is world expansion.

On Campus . . .

Watching the teams compete in the Almost Anything Goes contest.
Film Festivals.
Coffee Houses.
Club Meetings.
Making up tests.
Doing anything to get out of homeroom.

Off Campus . . .

Listening to our favorite radio station.
Catching a movie at the Cinema I, II, III.
Visiting the Venetians at Logansport.
Meeting at our favorite hangouts.
Waiting patiently for the radio announcer to say "Kiski Area two hour delay."

When we heard that we were nominated, we were beyond excitement. We felt happy, nervous, and apprehensive all at the same time. Those two weeks before the Homecoming Game were the longest in our lives. Wherever we went, we were given congratulations and good wishes from all our friends.

Soon after we found out that we were nominated, we began the long process of finding the perfect thing to wear. Finally we found the right outfit and we waited for the anticipation of "The Big Day."

Next came the best part of being a homecoming nominee, choosing our escorts. We didn't think that wasn't a problem with all those "HUNKS" to choose from.

"The Big Day" finally arrived. The ride through town in the convertibles for the homecoming was "chilling" to say the least, but we really enjoyed it.

The moment we were all waiting for arrived and Carole was announced the winner. We were all happy for her. It had been an honor we would never forget.

On Campus . . .

Typing a term paper and discovering your margins were five spaces off.

A test? TODAY?

Being locked out of your locker the night before an exam.

The sick feeling in the pit of your stomach after the announcement "Activity period has been cancelled today."

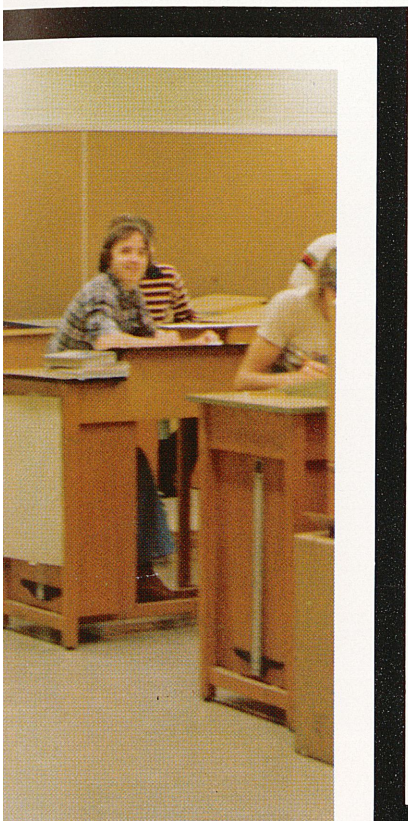

"Will I get that extra point?"

Off Campus . . .

"Can I have the car tonight?"

Your reward after five days of getting up at 6:00 A.M.: your dog licking your face at 6:30 A.M. Saturday.

Planning a big Friday night only to find out your mother has other ideas: babysitting your little brother.

I'm getting a head start on my research paper.

As this year's seniors, we had many decisions to make. Not only did we have to decide on a career field to enter, but first decide whether or not to attend college. Many events highlighted our senior year at Kiski. Senior pictures arrived early in the year and graduation announcements were ordered before we realized it. The class magazine sale was a great success and we gained a new friend, "Mr. Spoofer." He became our own mascot until he got kidnapped by the WLA. This event took place to benefit Children's Hospital. The senior class banquet and the prom turned out to be unforgettable events also. When we were called to the office to be measured for caps and gowns, we were faced with the fact that "we are the graduating class." This brought mixed emotions.

We feel the three years we spent at Kiski were not only beneficial, but special in many ways. Many of us say now that we will not miss our high school, but most students will admit to the fact that they have had many great memories of their years at Kiski Area High School.

We as *Juniors* can look back on this year and tell ourselves just what a great year it has been! We became official K.A.'ers when the Balfour Company delivered our rings. "Hey, let me see your ring!" Little did we know, though, that part of the officiating process meant selling "log rolls" and taking the "PSAT's."

This year we found out what it was like to be the "middlemen." We got to relax along the lockers and watch the unknowing sophomores scurry nervously to class, trying not to be late. We also took note of seniors trying to do things that would be memorable, and anticipating the day when we would rule the school.

Our Junior year certainly flew by quickly, but we did have a great time. Now we must buckle down for our final year at the "Big K" as the Class of 1980.

Which Way To The World

Rush, rush, rush was our motto for the first few weeks of school. Between greeting the returning students, welcoming the sophomores, and making sure no student had two lunch periods, we found ourselves barely knowing which way was up. To top this off, hardly a period went by without some student hurrying into our office demanding a schedule change (even though we specifically said no changes would be made until after the first week of school) because "the teacher has it in for me" or "I just know that I'll flunk that course."

But after we'd made it through that first hectic month or so and the year progressed, we found time to help the students with more long-range problems, such as what to do after graduation. By inviting speakers from various colleges and universities, we gave seniors and underclassmen the chance to meet these representatives to help them decide which college they wished to apply to, if any. Also through our career day and various speakers throughout the year, students were given the chance to talk with persons occupying jobs which were of interest to them. In addition, we were always willing to meet with students to discuss problems or to help them find out any other information.

Throughout the year we've grown closer to the students. We congratulate them on their accomplishments and wish the seniors luck and are looking forward to next year.

JOHN W. CERASO

Kiski's Main Spring Is Tight

Mrs. Joanne Adams
Attendance Office

Mrs. Nancy Arteritano
Library

Our job here at Kiski is keeping everything in the various offices running smoothly. Organization is the name of our game. We maintain control and order over the vast activities and services to students and faculty. For example, Mrs. Adams keeps the students' attendance records straight. Mrs. Smeltzer keeps the Athletic Department running smoothly, while Mrs. Arteritano makes sure everything in the library is in order. Mrs. Moore keeps the four guidance counselors in line while Mrs. Quarto, Mrs. Winesky, and Mrs. Wright handle all the business in the main office. We try to keep the school running like a well cared for machine simply because we care.

Mrs. Kathleen Moore
Senior High Office

Mrs. Elsie Quarto
Senior High Office

Mrs. Vivi Smeltzer
Athletic Office

Mrs. Essie Winesky
Senior High Office

Mrs. Vera Wright
Senior High Office

And In 1776 . . .

The *Social Studies Department* here at Kiski offers a variety of courses. First, to learn about our nation's background, the Sophomores are offered U.S. History. Juniors take World Cultures in which they study the history and culture of nations other than their own. Geography, an academic elective, is offered to enhance the student's knowledge of the locations of countries.

Seniors have a wide range of choices in the social studies department. Economics is required of everyone. It is the study of how our economy works and how it compares with other economic systems. Sociology, P.O.D., and Psychology are offered for those interested in a particular field.

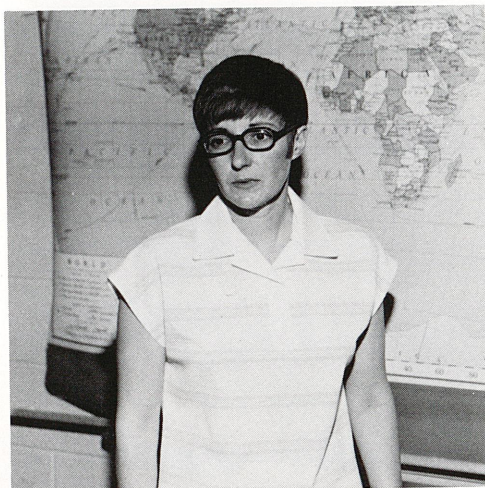

Through filmstrips, movies, and video tapes, we take the students to the far corners of the earth and investigate all the aspects of history. We feel that a general knowledge of history and social studies is important to the present day adult. We encourage students to keep up with current events through reading newspapers and magazines, watching television, and listening to the radio. We realize that any important event that takes place anywhere will directly or indirectly affect each and everyone of us.

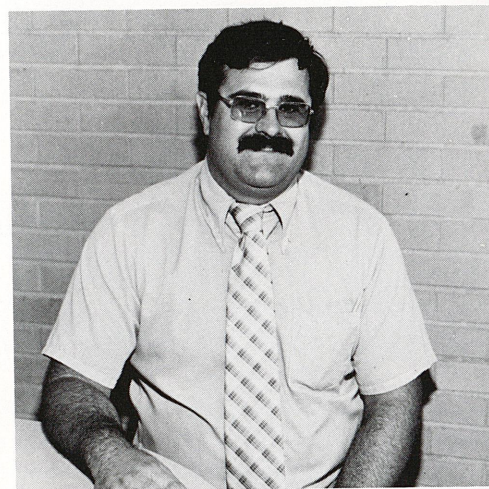

RALPH ANTENUCCI
Economics, Psychology; B.S., Indiana University of Pennsylvania; Assistant Football Coach.

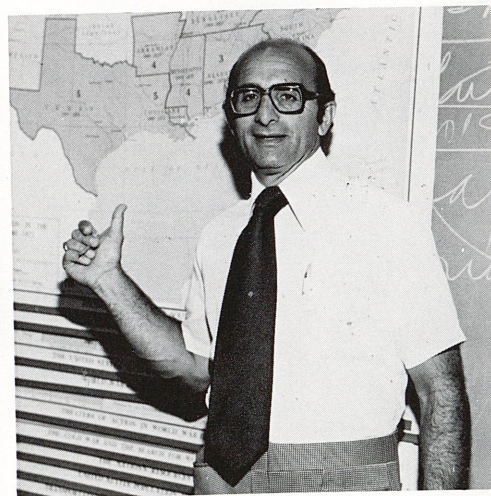

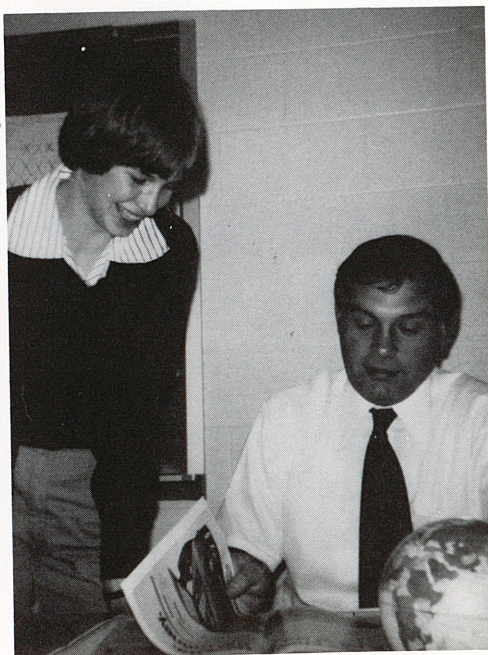

ROBERT W. BERBERICH
World Geography; B.S., Pennsylvania State University; Wrestling Team Coach.

Spanish II, III; B.S., Villa Maria College; University of Madrid.

BETTY L. LOVE
Spanish III, IV, V; B.S., Clarion State College; M.Ed., University of Pitt., University of Valencia, Knox College.

If you want to find out how many letters are in the Spanish alphabet, how to say "hello" in German, or how to pronounce the word "oui", just ask one of us in the *Foreign Language Department*. Here at Kiski, we offer Spanish, French, and German. Through textbooks, other literature, slides, and films we teach our students the culture, as well as the language, of other countries.

This year we had some very nice foreign exchange students. Through them, our students learned firsthand of a few of the customs of other countries and they had the chance to hear the language spoken firsthand by a native of the tongue.

We must say that it has been a great year. Hearing a student say a phrase correctly for the first time gave us a thrill that was virtually unmatched. Even though the students moaned every time we introduced a new unit with its alien words, somehow most of them seemed to make it through the year, and a few of them even got A's.

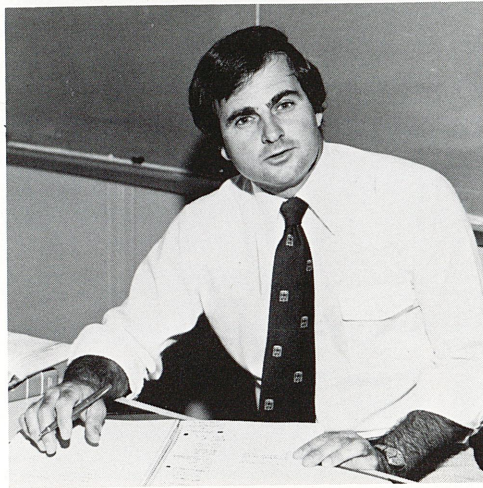

We are looking forward to next year hoping it will be even better than this one. Hasta la vista, Au Revoir, Auf Wiedersehen.

THOMAS PIPKINS
German I, II, U.S. History; B.S., Indiana University of Pennsylvania, German Club, Afro-American Club.

2 + 2 = 4 (Sometimes)

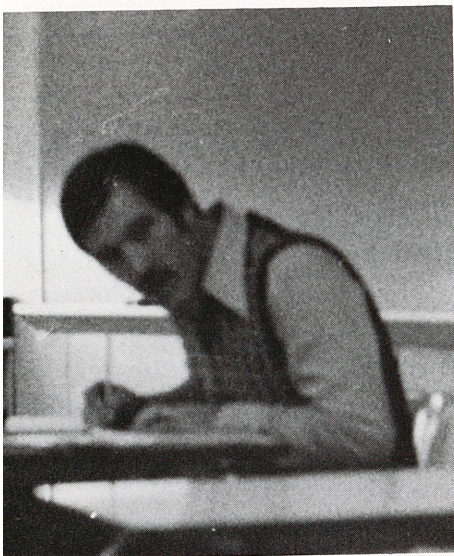

$a^2 + b^2 = c^2$: The Pythagorean theorem is just one of the many formulas we had to teach you. We know that *math* is not the favorite subject of every student in our school, so we try to make it interesting. There were two different types of math that we taught this year: consumer math and college preparatory math. The consumer was to prepare you for the type of math you will use in everyday life after high school. A few of the many things we taught this year were learning how to get loans, budgeting, and filling out tax forms. The college preparatory math included Algebra, Geometry, Trigonometry, Calculus, Analysis, and Calculus. Our goal was to prepare you for the type of math you will have in college. We hope this year was beneficial to you and will continue to be in the future.

WILLIAM HALLI
Algebra I; B.S., M.S., Slippery Rock College.

CHARLES C. HAUSER, JR.
Algebra II, Geometry; B.A., Norwich University; M.Ed., Indiana University of Pa.; Cross Country, Track Coach.

The Tricks Of The Trades

THOMAS BASSETTI
Driver Education; B.S., Indiana University of Pennsylvania; Youth Traffic Safety Council.

KATHRYN L. DAUGHERTY
Foods I, II, Child Development I, II; B.S., Indiana University of Pennsylvania Future homemakers of America.

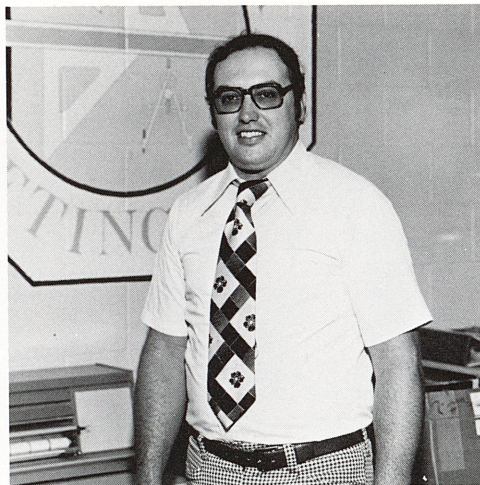

In the *Practical Arts Department*, students learned many new skills and encountered many new experiences. For example, they almost wrecked while driving with Mr. Bassetti several times. Someone put a teaspoonful of salt into a cup of tea for Mrs. Daugherty. And there are always a few who hit their thumbs instead of the nail in shop class. OUCH! Everyone somehow seemed to manage to survive all these little mistakes.

The child development classes learned a lot about children as they had a nursery school again this year. The Foods I and II classes held their annual Christmas tea which added to the Christmas spirit around Kiski.

All in all, students learned many skills that will always be useful to them and we are proud to have been a part of that.

VICTOR A. DESANTIS
Metal Shop; B.S., California State College.

RONALD GEORGE
Drafting; B.S., M.Ed., Pennsylvania State University; California State College; University of Pittsburgh; Drafting Club.

SANDI LECHNER
Home Economics; Associate Degree, Merchandising and Retailing; B.S., M.Ed., Elementary Guidance Counseling.

GEORGE TAROSKY
Industrial Arts-Woodshop; B.S., California State College; M.Ed., University of Pittsburgh; Stage Crew.

BONNIE P. WILSON
Clothing I, II, III, and Child Development; B.S., Indiana University of Pa.; FHA, Needlecraft Club.

When The KA Business Dept. Talks! People Listen

The business world has been growing larger and more complex everyday and our *Business Department* has advanced with it. In the past three years alone, we have replaced many typewriters and other equipment. We offer stenographic, clerical, and accounting curriculum. This gives students the opportunity to concentrate in secretarial or accounting related subjects.

To prepare our students for the real business world, we use simulated situations in our classes. In Office Practice, for example, we use "Lester [?]" and in Accounting, "Campers [?]." Seniors have the opportunity to gain experience working as a secretary to a teacher.

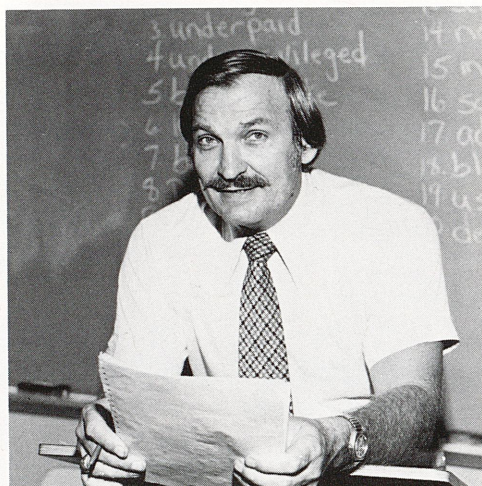

We are proud of the fact that the placement for our graduates is very high, and we are glad that we played a part in preparing them for a successful future.

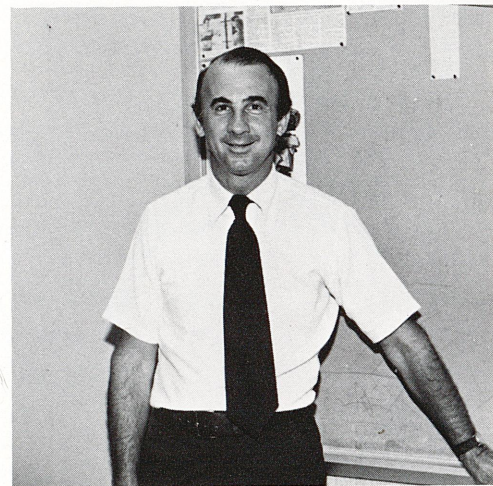

RICHARD F. CAPPO
Business Math, Duplicating; B.S., Clarion State College; M.Ed., Indiana University of Pennsylvania.

JACQUELYN P. CLUGSTON

 sity of Pennsylvania.

DAVID A. COLUMBUS
 Sophomore Occupational Education; B.S.,
 Edinboro State College; Mental Health
 and Mental Retardation Programs.

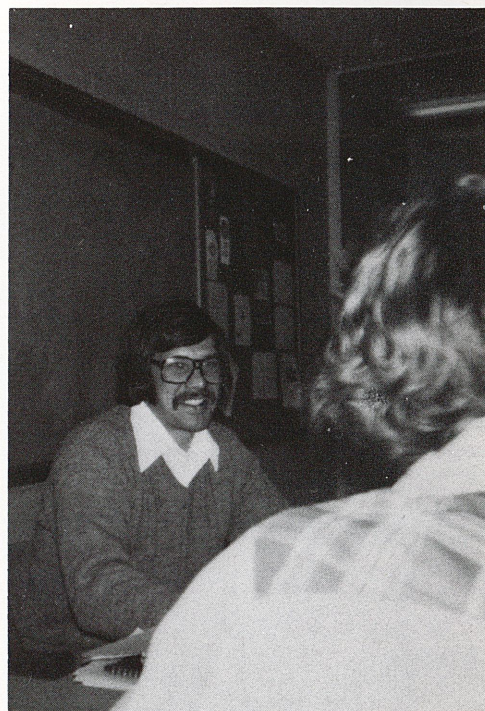

CHARLES H. MARKS
 Occupational Education; B.A., University
 of Pittsburgh.

We feel that Kiski is fortunate in having an *Occupational Education Department*. This program allows students to get a general classroom education as well as practical work experience.

Through this practical work experience, students acquire knowledge which will enable them to cope with the everyday working world.

Starting with the Junior year, students have three different jobs, spending twelve weeks on each of them. They are placed with 46 different merchants in Vandergrift to learn a trade. Two hours per day is spent at work.

This is not only a learning experience for the students but also one which they enjoy very much. It is an experience which they can always fall back on in the future.

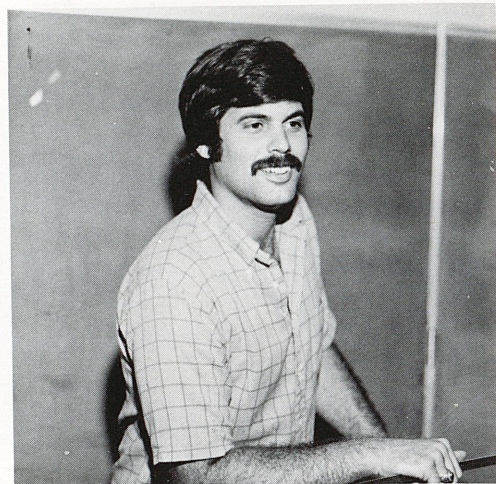

EDWARD WIKLENDT
 Occupational Education; B.S., M.Ed.,
 Edinboro State College.

Physical Education: The Best Health Insurance

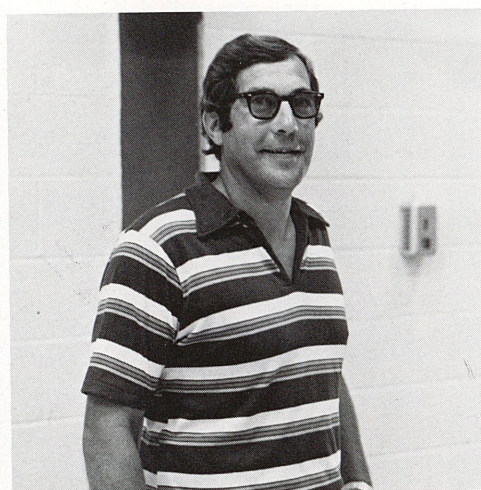

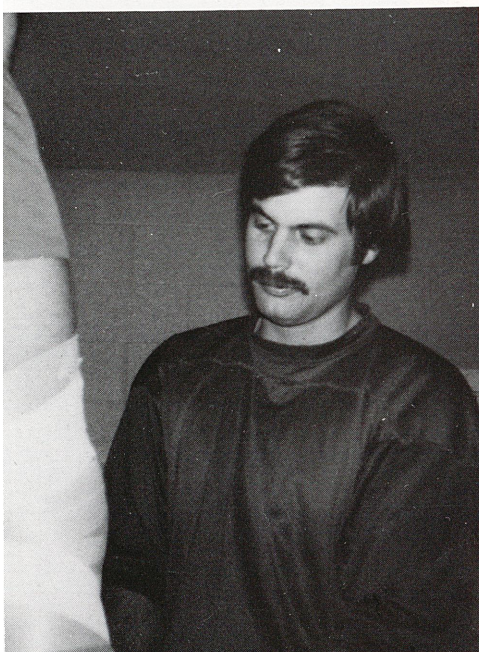

Unique is one word that can describe our *Athletic Department*. We try hard to provide a vast array of sports and activities to get students involved with their health and physical fitness. As sophomore teachers, we direct activities such as flag football, field hockey, swimming, and volleyball. Then we run everyone's favorite physical fitness test, the mile-and-one-half-mile run. When students are juniors and seniors we provide elective courses to provoke interest and anticipation of gym. Some of the electives offered are archery, flag football, tennis, volleyball, soccer, and a vast variety of others. Through our efforts, we are attempting to make gymness enjoyable and give students a sense of accomplishment achieved through success in athletics.

ILOA A. ANSWINE
Health and Physical Education; B.S., M.Ed., Slippery Rock State College; Girls' Swim Team Coach.

Health, Physical Education; B.S., Slippery Rock State College.

Special People At Kiski

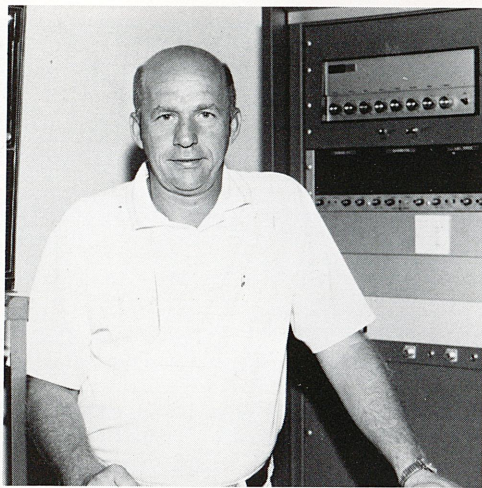

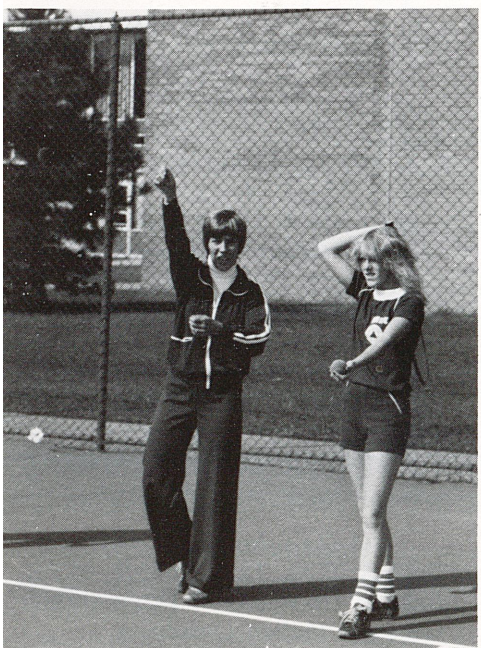

RICHARD DILTS

Athletic Director; B.S., Slippery Rock State College; M.S., Allegheny College; Varsity Club, Head Football Coach.

ELIZABETH POLLICK

Physical Education, Health; B.S., Slippery Rock State College; Girls' Varsity Basketball.

WALDEN A. DUCKWORTH

Audio Visual; B.S., M.Ed., Slippery Rock State College; Indiana University of Pennsylvania; A.V. Club.

TED KULAS

Sr. High Library; B.S., Clarion State College; M.S., University of Pitts., Advanced Certificate in L.S.; Lib. Club.

ROSE M. MARTINISKO

School Nurse; R.N., Citizens General Hospital; B.S., M.Ed., Indiana University of Pennsylvania.

Kiski has three very *Special Services* that the school could not function without. How would we write research papers without the library? How could we see movies in our classes without the audio visual services? Who would we go to but the nurse if one of us was ill?

"We try to provide the right book, for the right student, at the right time," says Mr. Kulas. Our library has the most modern sound retrieval system in this area. The system is capable of delivering sound to any classroom and to more than sixty booths in the library. By the way, thanks for the music in the cafeteria Mr. Kulas.

The library is only one of our special services--what would we do without a school nurse? The nurse is responsible for performing vision and hearing tests on all of the students. Mrs. Martinisko takes care of all illnesses and injuries too. Thanks for being there when we needed you!

Located near the nurse's office is the A.V. Room. If it were not for Mr. Duckworth and Mr. Stauffer we would never be able to get out of class to see video tapings in the L.G.I. Room. The Audio Visual staff's main objective is to provide all of the teachers with any type of A.V. equipment available. This responsibility is totally in the hands of the members of the A.V. Club. We also make some minor repairs to the equipment. The KAE television studio is also operated by Mr. Duckworth, Mr. Stauffer, and the A.V. buffs.

GLENN STAUFFER

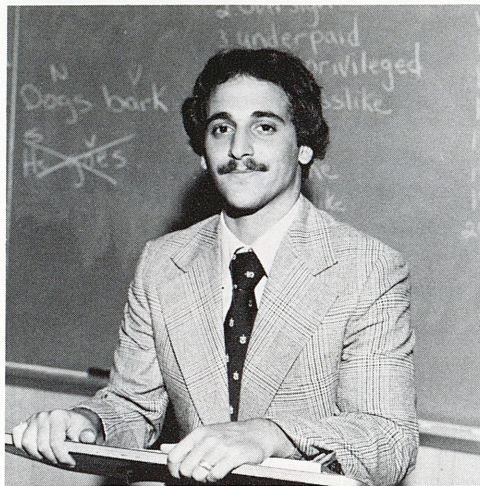

TV Specialist; B.S., Indiana University of Pennsylvania.

Look Out Walter Cronkite

What can boggle your mind with verbals, clutter your head with modifiers, and befuddle your brain with exceptions to every rule? English—of course. That is why there is an *English Department*. We at Kiski make it a point to clear the confused mind. We try our best to teach every student to use correct, distinct speech. We were appalled at the many students and teachers who used “ain’t,” “that here sort of,” and “my friend, he.” In addition, we waged an all out battle against trite expressions.

However, English isn’t entirely learning grammar and spelling—it is also the application of these skills in the form of writing paragraphs, essays, and the granddaddy of them all, the term paper. Literature also plays an important part in the English education of a Kiski Area student. He has a chance to read everything from novels to short stories and poems by such authors as Poe, Hemingway, and Shakespeare.

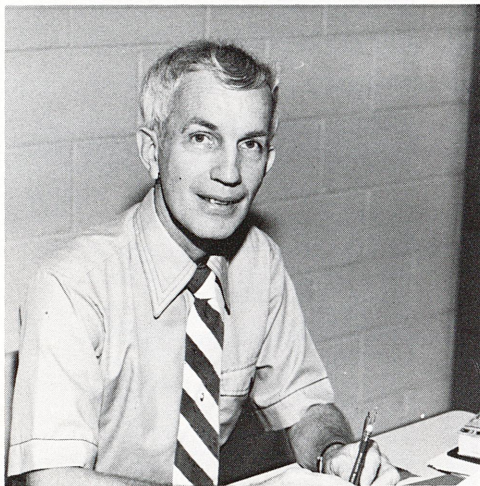

Congratulations Seniors! Don’t forget your parts of speech.

DAVID J. GUINTA
English; B.A., St. Vincent College; J.V. Baseball Coach.

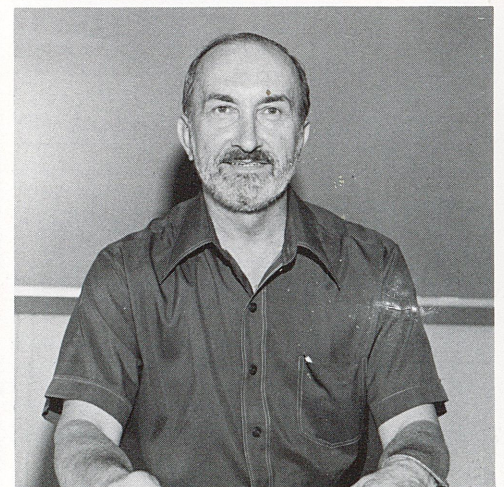

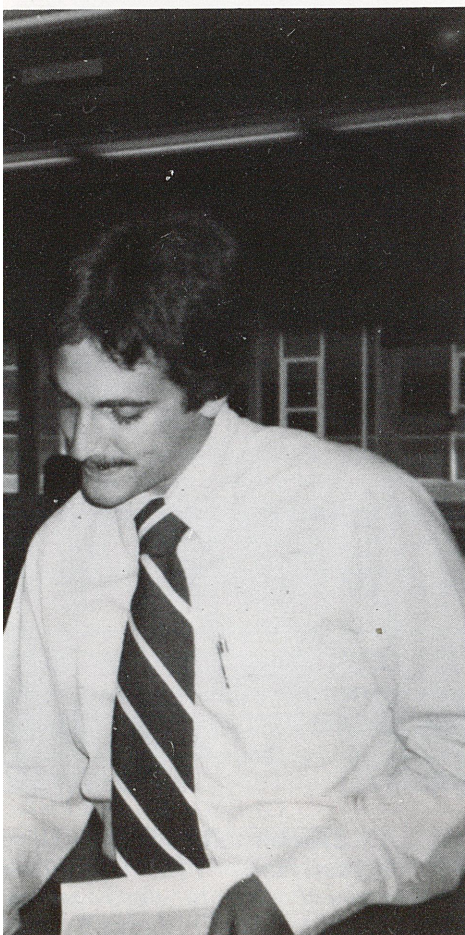

EUGENE F. IAGNEMMA
English; B.S., Indiana University of Pennsylvania; M.Ed., University of Pittsburgh.

Who Says We're Not Cultured

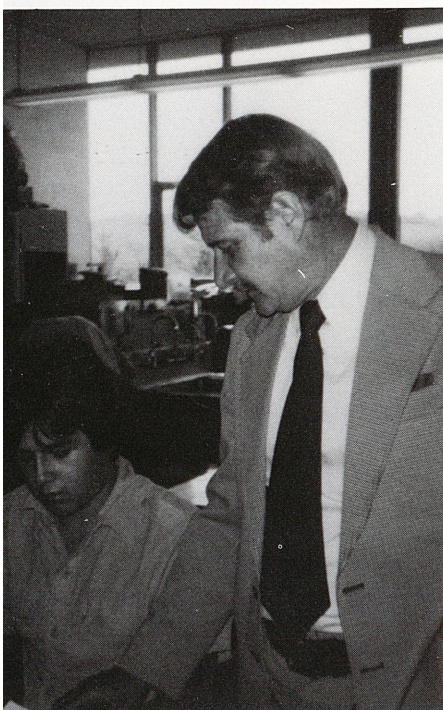

From marching band to concert and symphonic band, from jazz band to jazz-rock ensemble, from mixed and concert choir to art, this is what makes up the Fine Arts Department at Kiski. We believe that our music program is the finest in the area. Band and choral concerts are well received. We are proud to teach students of such high caliber. Their many accomplishments have won a lot of awards for the school. Our art department offers a lot to students. It gives them a chance to be creative and to share their talents with the rest of the school. We are proud of their many accomplishments.

CARMINE M. BOTTI
Secondary Instrumental Music; B.S., Indiana University of Pa.; M.Ed., Duquesne Univ.; Pep Band, "B" Stage Band.

This Year's Big Hit

Someone made a big mistake this year when they picked us for LAST place. They did not know that we had great hitters like "The Hulk" and pitchers like Jeff Illar and "Woodsman." Most important, we had a team that worked together.

Even though we had many practices, half of our games rained out, and played only one game on our own field, we still proved to everyone that the Cavaliers have pride and ability. We played GREAT. When it came down to the last game, we were in a three way tie for third place with Highlands and Plum. One more victory would have put us in FIRST place. At Highlands, it was a battle to the end. Although we went into the last inning with a 2-2 tie, they ended up beating us 3-2.

That game ended our season with a 9-5 section record and we knew we had had a successful season. But then, what else would you expect from the Kiski Area Cavaliers?

Girls Take Second Place

Our girls' softball team this year was really great. We had an over-abundance of talented girls trying out for the team. Our coach, Miss Soska, had a hard time deciding which girls to keep. When the team had finally been decided upon, the outfield was really quick. We had what any team would treasure, depth. Our coach could replace any of the starters in their positions, with anyone else that played that same position, and get the same excellent results. There were some exceptions, like the Section's best third baseman, Lori Gregg, who not only contributed to the infields but also the hitting along with Lesa Lantelme. Our Section results proved our ability. We placed second behind Burrell.

Our disappointment at the end of the season was only overlooked by our high hopes for the coming season. We're looking forward to an even better season. And what's better than second place? First place, of course. We will surely do all we can to obtain the No. 1 title.

Coach Santa

"There's a hole in my racket."

When we started practices this year, we thought that we would have a great team and we were right. We had a fantastic season finishing third in our section. The great, undefeated doubles team of Tim and Randy was cause for us all to be proud. One of the highlights of the season was Sue going to the WPIAL Championships. We were all extremely happy and proud that she was representing Kiski. But, of course, we could not have done well without Lou, our coach.

But, nothing came easy. The practices were long and tiring. We can still hear Lou shouting, "Move your feet," and "Punch that volley." Playing when it was cold, raining and sometimes snowing was not very enjoyable. But somehow we managed to "weather" the weather. Even though it was a lot of hard work, we still had fun. We can certainly say that the 1978 Kiski Area tennis team was a memorable one.

Coaches: Hauser, Antenucci, and Wicks.

"Did you say WPIALS!" Yes! We placed third in the WPIALS and also sent six competitors to the State Finals. John Hart, who was unexpectedly changed from high jump to running events such as 100, 220, 440, and mile relay, was one of these people. We were not surprised by the great skill he showed even though we switched him in the middle of the season.

Through wind, snow, sleet, and hail, the Kiski track team never failed. We started at the beginning of March and continued through the spring. The first couple of weeks were the worst because of the conditioning and the weather, which usually wasn't on our side.

Somehow, though, through it all, we managed to come up with a winning team, finishing the season with a record of four wins and two losses. This year we are looking forward to an even better season. With some really fast sophomores, we just might take first in every meet.

Managers: B. Ridenour, L. Penrose, B. Roys.

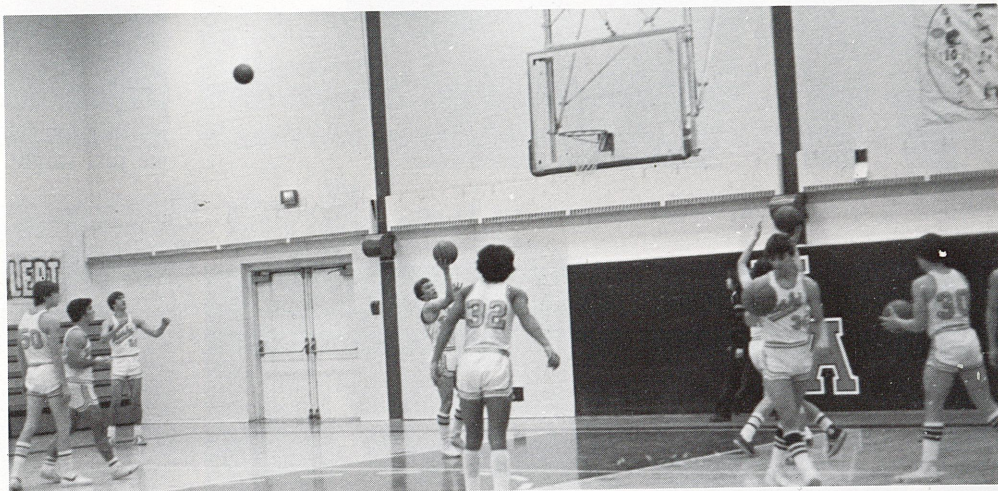

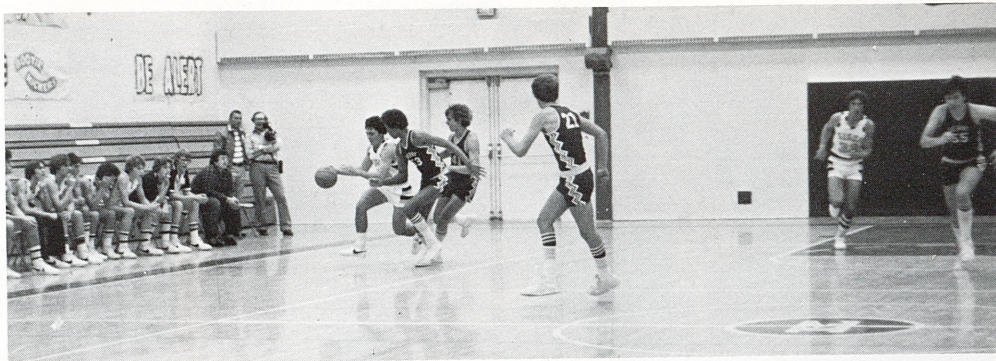

J. Feudale, J. Hart, E. Giotto, D. Schwab.

Shoot For Two

During the year, we the Kiski Area Basketball Team, experienced sprints, several drills, blisters, the thrill of victory, and the agony of defeat. We dribbled, practiced our jump shots, shot for two, and hoped to come up the victors. Even though our record was not the best, our dedication to the team always remained. Our new coaches, Mr. Kalchthaler and Mr. Foreman, taught us new strategies and attitudes. With the coaches' new ideas, the team worked all season on improving skill.

Late night practices and Saturday morning practices made us wonder if all the hours spent would be worthwhile. When our season started, things looked promising, but as the season progressed, it turned into a long, tough season. With nicknames like Mouse, Woody, Bo, Fas, Luke, and Hustle we were a unique team with a lot of character.

ROW 1: J. Zalenski, J. Hirshka, E. Blanciak, J. Alker. ROW 2: K. Lekavich, M. Zidek, A. Recchia, D. Tarosky. ROW 3: G. Rzewnicki, J. Petarca, L. Radebaugh, T. Fasano, J. Behrenberg.

E. Shaffer, M. Kramer, A. Virostek, J. Wygonic, J. Kukalis, M. Garda, J. Feroce, M. Ashbaugh.

Managers: W. Hamilton, T. Stover.

Follow The Bouncing Ball

After school and early Saturday mornings a small group of dedicated girls could be found jumping, shooting, and dribbling. We were the members of the girls' basketball team. One word describing us could have been change. We had a new coach this year, Mrs. Pollick. She pulled us together and transformed us from a group of girls who liked to play basketball into a team. Of course, where would we have been without the leadership of our fearless captains, "Lu-Lu" and "Scum."

Before a team can start practicing on the courts, grueling warm-ups must be done. That was where we started, with warm-ups, which consisted of cal's, stretching, and the ever-popular laps. Where would we have been without these? Many thought, home in bed, especially at eight o'clock in the morning. Finally, we were ready to start perfecting our skills on the basketball court. We learned the "whirl" and how to jump with our hands in the air, which we practiced until we were doing it in our sleep.

Although our record shows a losing season, we were not losers. Much sweat, concentration, and self-discipline was put forth on the part of everyone. We earned what it meant to work as a team, instead of self-centered individuals. We also discovered how much teamwork can accomplish, and how satisfying it can be.

Managers: ROW 1: M. Smietana, T. Keller, L. Pearson. ROW 2: B. Daniels, D. Hutcherson, L. Copney.

ROW 1: P. Misho, K. Yamber, K. McKeown, C. Lekavich, S. McDermott. ROW 2: B. Murray, T. Mazanek, L. Gregg, R. Kukalis. ROW 3: L. Schultz, L. Skinner, Mrs. Pollick, M. Smith, K. Mottura.

Run For Fun

The K-A Cross Country team is a group of enduring, young athletes who ran everywhere and anywhere. We conquered a countless number of roadides, hills, valleys, and even cornfields.

We trudged about six or seven grueling miles a day. It took much intestinal fortitude, but we had a goal. The goal, of course, being the desire to be number one. Mr. Hauser made sure that our desire to be number one was not overcome by our laziness.

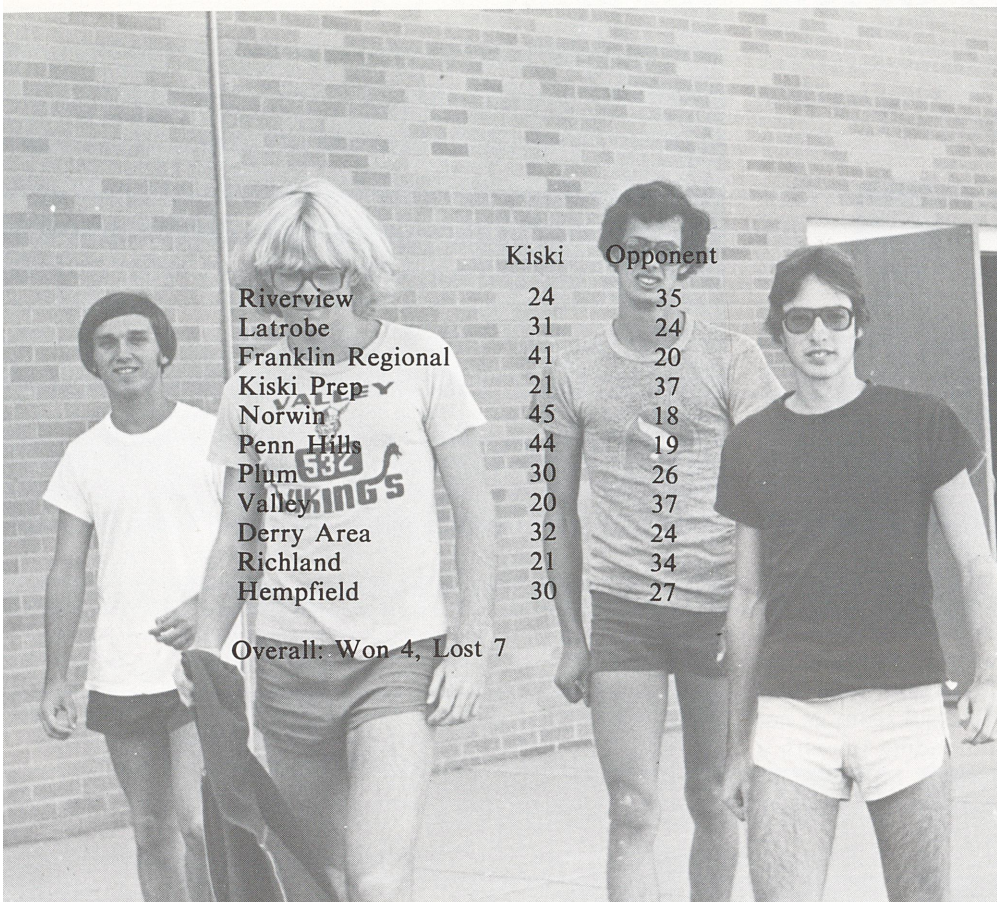

There were many stars on our team. Our captain, Jerry, received a medal at the county meet. Glenn, Mike, and Ken were a few more outstanding runners on our team.

We worked together throughout the year, and although we "ran" into some tough teams, we finished the year with pride.

"Grass Green, Ski Blue . . .

... We Got a Lot of Work to Do." That chant helped us get psyched up for the practices we had ahead of us and our upcoming games. We did indeed have our work cut out for us. Our season is one of the toughest, but we were ready. Our practices were long and hard, but all the better to make us the best conditioned team. We didn't have a lot of "big" players, but our smaller players made up for that with their quickness. Once our offense got started, they couldn't be stopped. And, of course, a lot of credit also has to be given to the defense which proved to be the best Kiski has had in a long time. Our coach, Mr. Dilts, led us to a 7-2-1 season. However, the records don't show it all. We lost to the WPIAL Championship team by only 3 points and our other loss was played in knee deep mud and constant rain. This year the KA student body recognized the football team as not just a bunch of "jocks" playing football and ending up with a mediocre season, but truly talented athletes with much ability and desire to make this a great year for the KA football team. We're proud to be part of that team and especially proud to be representing Kiski Area.

Putting "Drives" Us Mad!

Although many of our fellow mates graduated last year, we knew if we got our act together we could go a long way. With experience some of us gained last year, combined with the determination of this year's team, we ended with a 4-4 season. One of the biggest thrills of the season was Frank being a medalist in the sectional. He made us proud with his performance at the regionals. Without a doubt, one of the most memorable times of the season was when our trusty bus driver headed west on Route 30 instead of East to Champion Lakes. Despite this, we made it through the season, looking optimistically toward next year.

Frank, our medalist.

Rubber Bands Couldn't Stretch More

Gymnastics is a strenuous and skilled sport. Just getting through the grueling practices took strength and much dedication. Our gymnastics team this year was made up of many very talented young gymnasts. We put out our very best at every meet. Even if we fell, we would get right back up and start over. Of course, like any team, we had our shining stars. Vince and Jan always seemed to come through in a first.

Our record wasn't exactly outstanding this year, but we did our best, worked hard, and ended the season with a respectable record. We enjoyed improving ourselves and putting our talents to the team. We will always consider being on the gymnastics team as one of the high points of our years at Kiski.

Mark Spitz In The Making

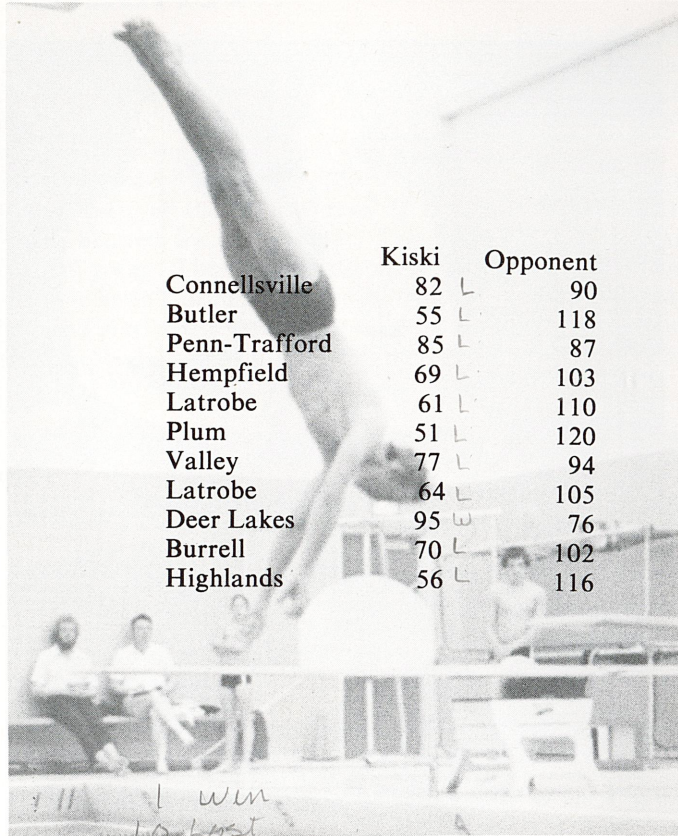

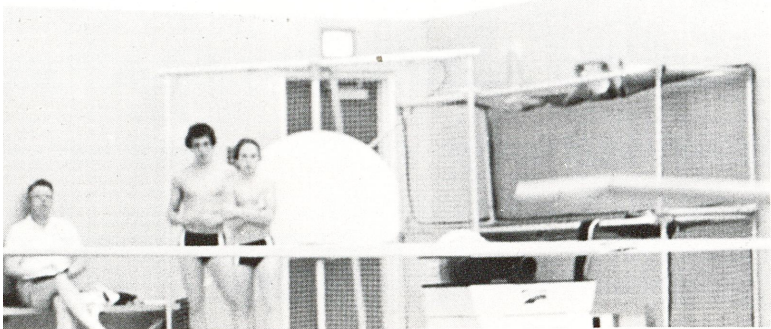

We, as boys' swim team members, had to work hard to meet the challenge presented to us this year, which was building a great boys' swim team. We practiced hard and long, doing our laps with wholehearted pride in our team and our school.

Our team was small this year, but this gave us the advantage of concentrated attention from our coaches. We improved because of the help given to us.

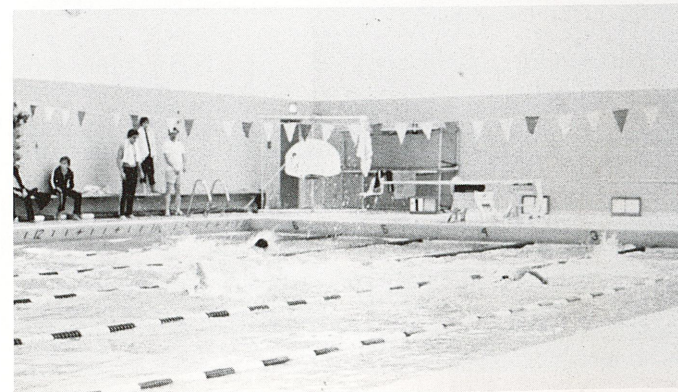

All in all, this was a great year. We built a successful team and had fun doing it. We teased each other, and got on each others' nerves a lot. We swam our hearts out for our team and proved to ourselves that we can do anything we set our minds to.

We could probably say this year's team started out with the most enthusiasm of any girl's swim team in Kiski's history. No matter what team we swam against, we were ready. That's not to say that they were all easy wins, because it was tough to pull out ahead sometimes.

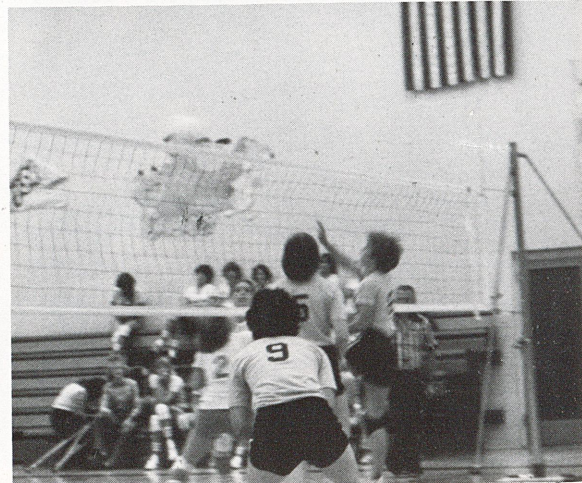

Lori Brinsko's fantastic record breakers were a big asset to the spirit of the entire team. If that wasn't enough, the cheers headed by our captain, Toni, and other teammates kept us going. Then again, the spirit would have been useless if it hadn't been for the leadership of our coaches, Mrs. Answine and Miss Michaels. In the end, we didn't come out on top, but we did gain a lot more from the effort and spirit put forth throughout the season.

Some people wonder why anyone would want to stay after school every night until six, run up and down stairs, and hit volleyballs at each other. Furthermore, anyone who would run spastically all over the gym and throw themselves flying through the air just to keep a little white ball from hitting the ground must be crazy. Well, we're not. Being on the volleyball team is the best thing that could ever happen to us. We had a great season, great teammates, and a great coach.

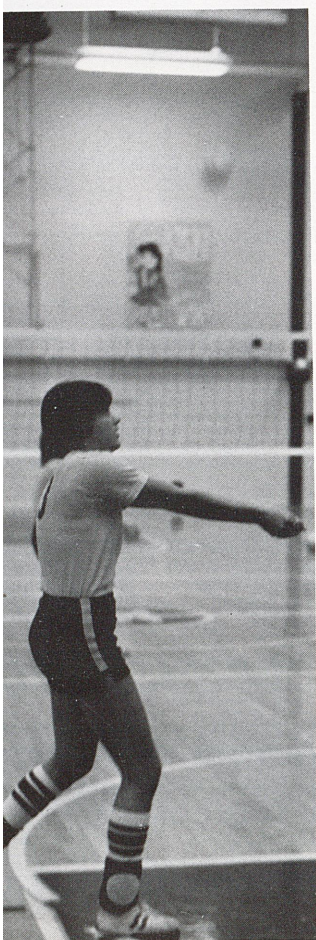

Of course, like any other team there are the "memorable" moments like bus rides and powder battles, or Renee's two spikes in the Plum game. We didn't have one particular clown on the team, but it was always a special treat when "Moe" sang solos on the bus. Tournaments also brought some good laughs. The mysterious way coach's car always broke down, or how we always got locked in or locked out of the school are some examples.

There are many special people who followed us through the season. When it came down to the finals, we became our own cheerleaders and always had a great turn out to keep our V.B. pride going. The very special people on our team, though, were the seniors. As the season came to a close and it was time for our goodbyes, we as seniors realized how much volleyball had become a part of our lives. On the other hand, the remaining juniors and sophomores realized how much the seniors had meant to them.

Pin Them To The Floor!

We wrestlers practiced diligently every day after school, working to improve our skill every step of the way. We sometimes had trouble making our weight class. Many times we had to starve ourselves the day before the match or sweat it off at practice.

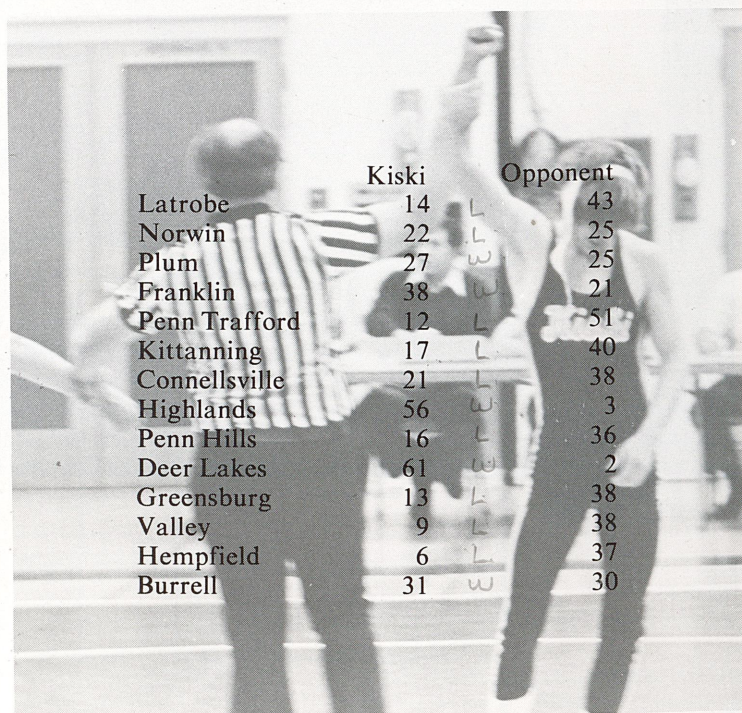

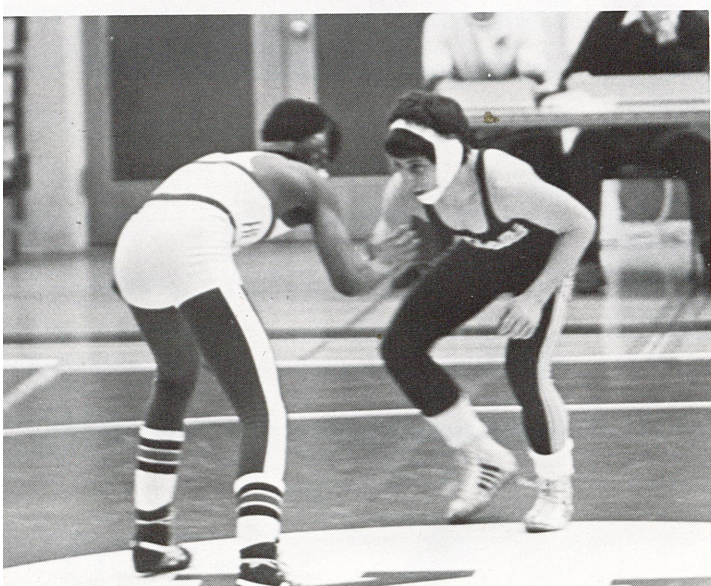

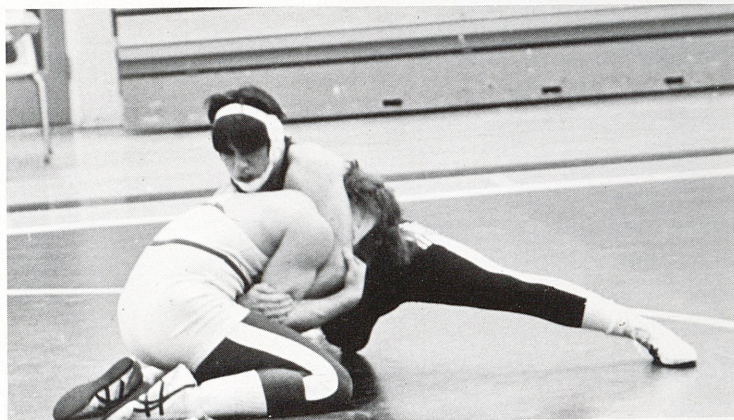

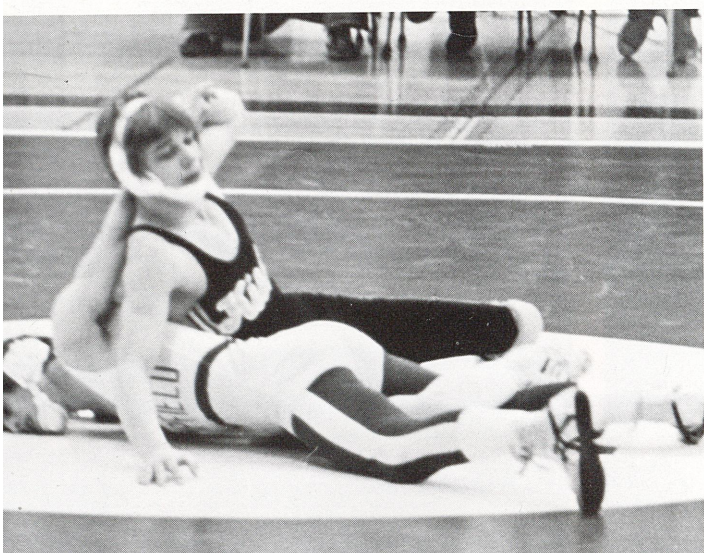

Having two matches a week really helped keep us on our toes. Our super attitude helped us through the season which was long and hard. Even though our record wasn't the best, we still made sure we wrestled the toughest schools in the W.P.I.A.L. Although we didn't go that far as a team, a few individuals made their way through several tournaments. Under the guidance of our coaches, Mr. Berberich and Mr. Toy, we worked our hardest for success.

ACTIVITIES

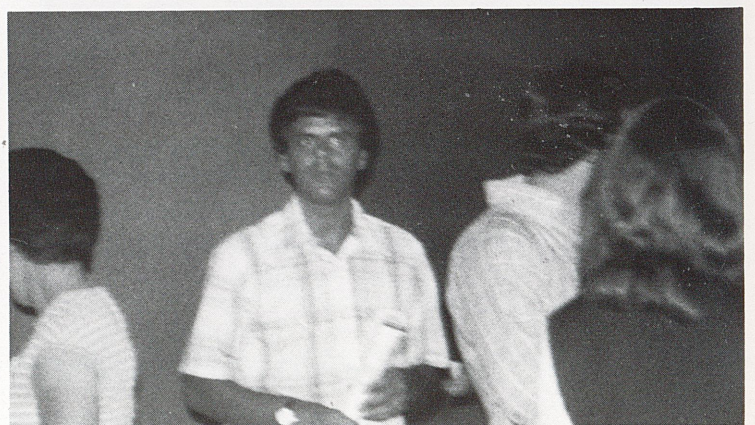

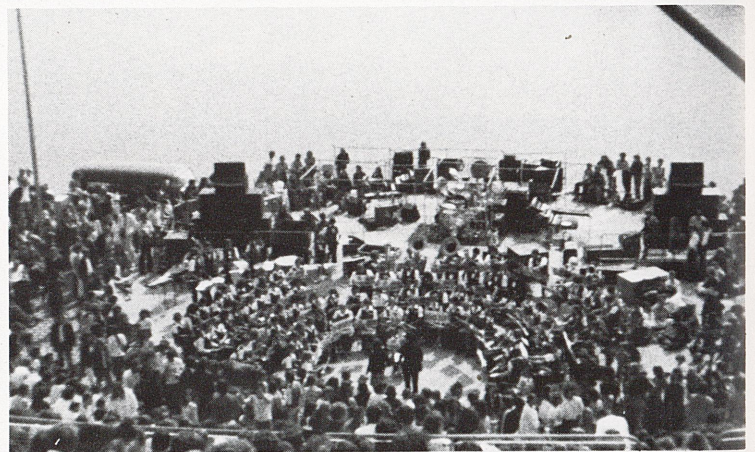

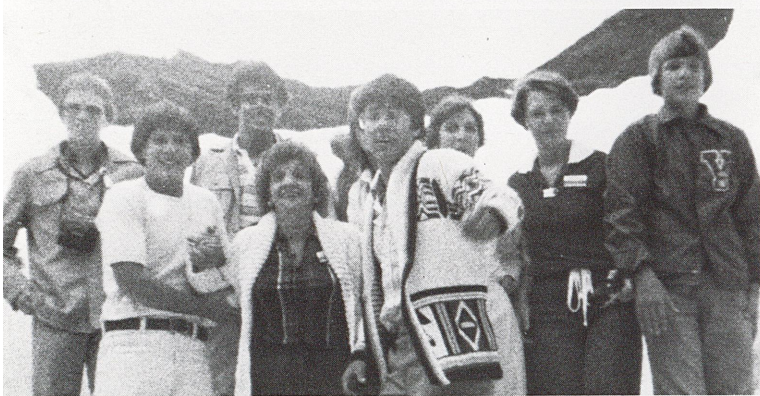

Is This The Big Time?

danced our heart out to the Quadrille, the Polka, the Apache, and, of course, the Can Can. We can never forget those many long hard hours of instant dancing and singing just to produce hours of entertainment. It was worth it! Every night that we performed was a night we will always treasure. How can we forget the sincerity of Ann and Jeff and the light-hearted Boris who entertained our audiences with his clumsiness and stupidity. There were some mistakes—like forgetting the lyrics—but the audience never really noticed. We could have never performed as well as we did without the help of Miss Wichrowski, our head choreographer; Miss Michaels, who taught us all those songs; and the head choreographer from Pittsburgh, Mr. Miller. After the final performance, we realized that all that was left was what we had to look back on. The aches, pains, and sacrifices are all outweighed by the friendships and experiences we gained through the musical.

Our Own World Ambassadors

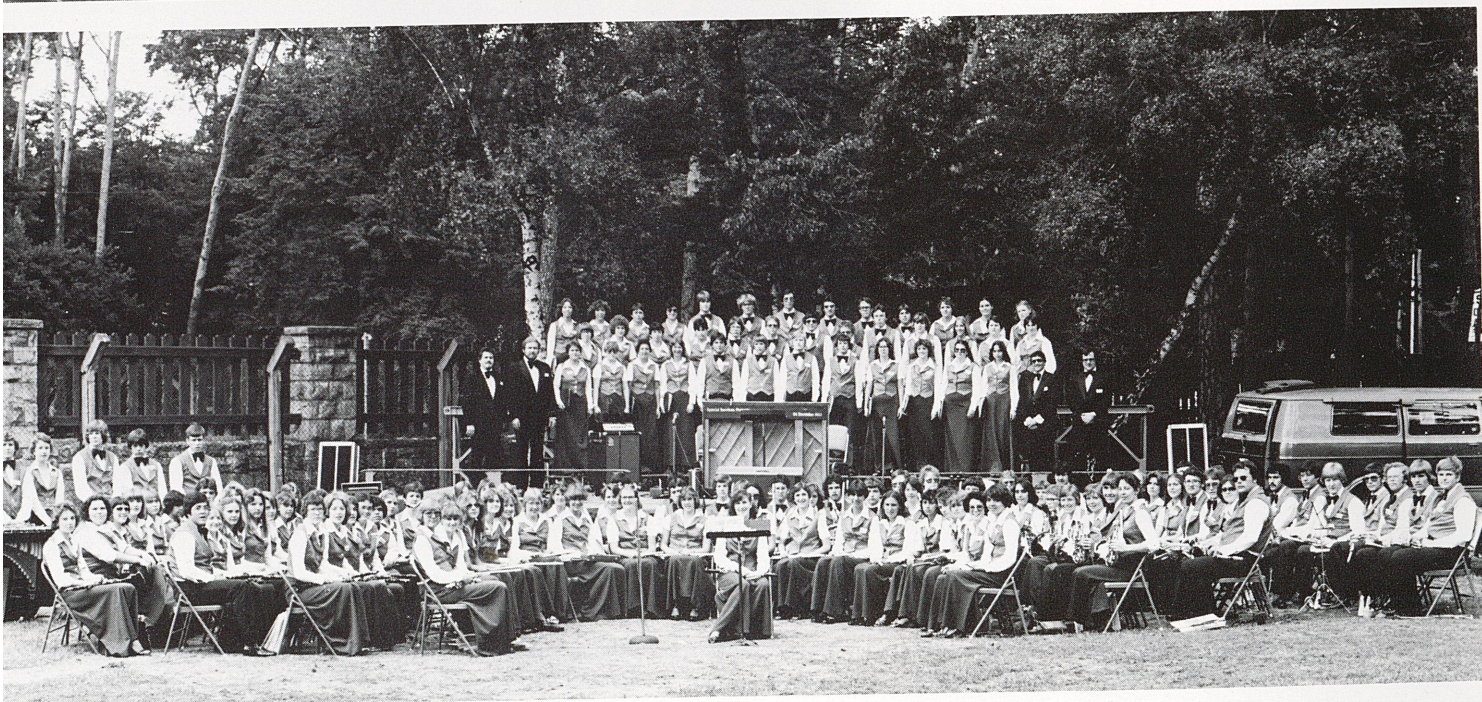

It started with rehearsals several weeks before our planned departure. On June 30, we landed in Heidelberg, Germany. At this time, we became foreigners. Not only did we have to adjust to different money exchanges, but also the great language barriers had to be broken. Words like "dankeschön" had to become a part of everyone's vocabulary. Sometimes however, this didn't work—as when entering a German pizzeria only to find an Italian speaking waiter.

The bus drivers all became our cherished friends, and some of them even waited when one of us was a little late getting up—how could they leave us behind??

While in Europe, we were goodwill ambassadors and carried out the title very well. We treated people with respect and had very many memorable times with them.

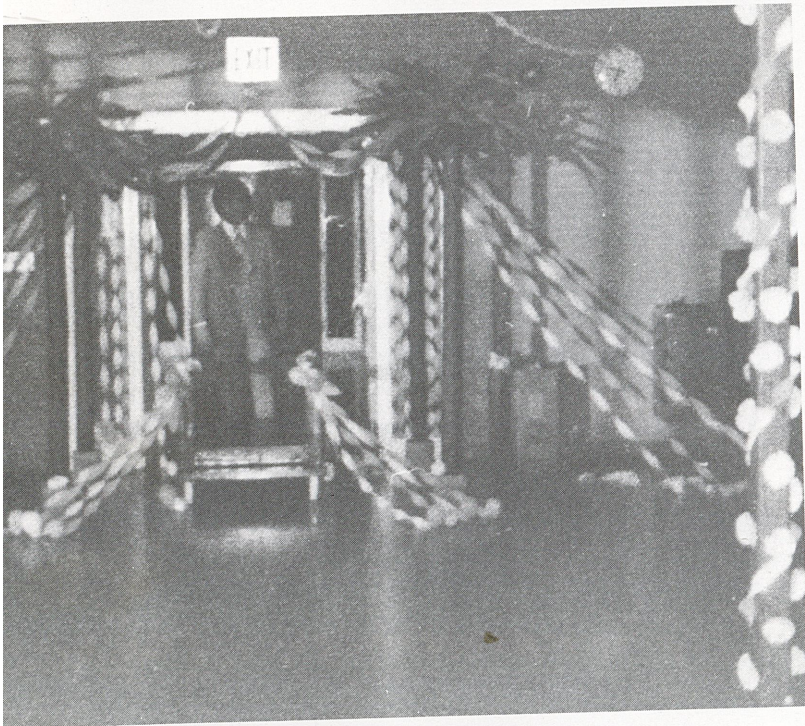

We thought our goodbyes would be the hardest part, but as we found, it was our tears of joy upon returning that were much stronger. Our trip wasn't over until a huge crowd attended a homecoming concert in the senior high school auditorium, and afterwards a reception in the gym.

Even though the last notes of our concerts have long since died away, their memories will remain forever implanted in our minds.

Those participating from Kiski included: Heather Downes, Susan Purificato, Diane Tarosky, Sandy Matusiak, Erin Glendenning, Cindy Baustert, Sharlotte Kepple, Kimberly Lamison, Tammy Keller, Patricia Cesario, Kelly Kepple, Fredia Kavouras, Dena Mann, Christine Rattay, Diane Riggle, Kim Siszka, Lori Ann Fisher, Colleen Kirchner, Terese Phillips, Rosemary Oliver, Janet Sadler, Cynthia Beck, Diane Young, Mark Mastrocinque, Gina Hillegass, Mary Barger, Randy Caramellino, Marie McKay, Royce Wilhelm, Kathy Ann Schrecker, Gregory Zawrotny, Kristen Parks, Phyllis Burton, Lisa Guckenberger, Heidi Miller, Phillip Robinson, Mimi Kunkle, Becky Luffy, Cynthia Mumaw, Frank Amato, Michael Beiranoski, Tyler Rupert, Anthony Bastecki, Travis Pepler, Todd Miller, Herbert Ray, James Civca, Jeffrey Cocco, David DeWitt, Randy Spillers, Mark Roberto, Cynthia Spillers, Christopher Lessig, Benjamin Hoffman, Marianne Brown, Rosalyn McDermott, Diane Cole, Holly Kersetzer Elizabeth Shipman, Deborah Leyland, Scott Rowe, Jeffrey Chepkevich, Richard Molnar, Michael Schreffler, and Gerald Sproull.

Always And Forever

The Sophomore Dance was our "little prom," and we were going to make sure it was truly a night to remember. We will always remember the anticipation, nervousness, excitement, and happiness of that night.

The different committees planned for months getting ready for the big event. They had to get a band, collect dues, make decorations, and put together memory books. Then, suddenly it was time!

We dressed in our very best clothes and came to find the lower cafeteria decorated elaborately in Hawaiian fashion. We spent a wonderful evening dancing to records and to the music of "Oasis." We had a great time with all our friends — it was truly a night to remember.

Stairway To Heaven

"Stairway to Heaven" was a perfect theme for a perfect night. All of us felt like we were in heaven. After all the work was done, we could finally relax. Through our hard work and successful magazine sales, the Junior-Senior Prom was more beautiful than it had ever been. This prom was also the biggest Kiski has ever produced.

The actual plans for the prom began in November when the entertainment committee began listening to groups in order to select a super sound. "On a Dream" and "Ko Bee" hypnotized us with their music while Robert Hein literally hypnotized a few subjects. The decoration committee pulled things together in February. "Heavenly" scenes could be seen just about everywhere.

There is always much excitement about the prom and this time was no exception. Looking for dresses and renting tuxedos was not an easy task. When we finally found the perfect thing to wear, we were very relieved. The height of confusion was the day of the prom when we were all trying to get early dismissals and it seemed that every Junior and Senior in the country was in the office.

We owe much thanks to Ms. Delvecchio and Mrs. Vitali for their careful guidance and patience throughout the year in planning this event.

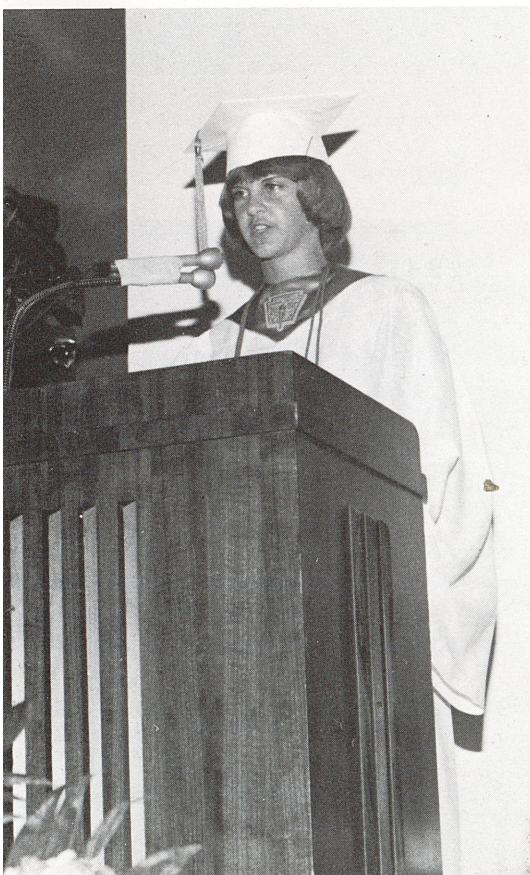

Great Expectations

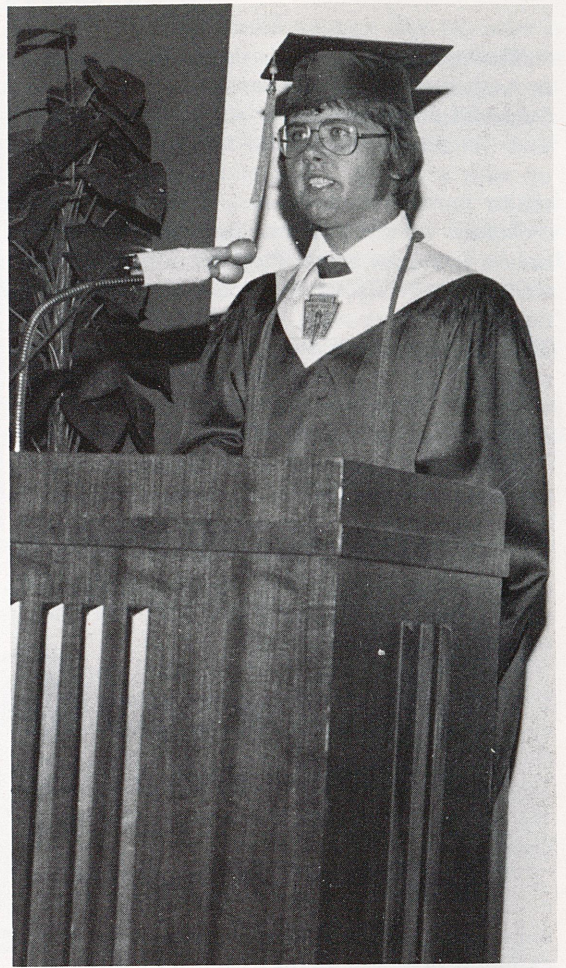

Graduation is the time when everything seems to cave in on you; however, at the same time opportunities start to open up. It is that period in your life when you want most to be young and just starting grade school but realize that you have just become an adult in a world that pressures adults. It is that day that you think all the competition has ended; however, you soon find that it is only beginning.

Graduation is that terrifying event that makes you understand you are not going to be able to conquer the world singlehandedly and suddenly you realize that possibly the world will conquer you. It is a feeling that pressures you for advancement in an opportune world but makes you hesitant to take the first step.

We were always told that graduation would be the most memorable day of our lives. We have discovered that this is true. Graduation revealed the hidden fears of even the most optimistic of us, pressed the panic button on the calmest of us, and sprouted a doubt in the most confident.

However, graduation is not just one day, place, and time. It is a daily occurrence because every day we understand a little more about ourselves.

Publishers Of The Year

The production of this year's book began August when we met our new advisor, Mr. Shaeffer. We were now ready to sit down and "brainstorm," in the hopes of coming up with a theme. After many sessions, this major hurdle was crossed.

Before we knew it, our first deadline was only a few days away. Pictures, layouts, and write-ups were flying in the SAR, which was our "home away from home." Armed with a TV set, heater, and plenty of food, we stayed some nights long after the last activity bus was gone. Somehow though, we managed to complete all of our deadlines.

A lot of hard work and dedication was involved between the first and last deadline. The "old-timers," Michelle, Mary Lee, Laurie, and Shari, organized the production and layouts, along with our new members Linda M., Lizzy, and Lisa, and our uncomplaining typist Linda S.

Pictures were the most essential part of the book and our photographers usually took care of this task, although sometimes other members of the staff filled in. Finally, the literary staff was given the job of writing the copy for the book, which was not always easy.

We made it through many rough times in order to put this book together and have collected many treasured memories. We extend a heartfelt thanks to everyone in the school who helped us this year and wish next year's staff lots of luck.

We Make The Money

"Does anyone want to buy a donut?" . . . "or would anyone like to order a yearbook?" Throughout the year, these were a couple of the things our business staff tried to sell. Our year began in August when we sent letters to all the area businessmen and merchants asking if they wanted to back our yearbook by advertising. We visited restaurants, stores, and anywhere we thought of, selling more and more ads.

When school started, our weekly donut sales began. Every Tuesday, we fed many of the students and teachers their breakfast. We were always kept busy counting money and figuring out who had not paid for their yearbook. Teri and Lori kept us organized as we strived to bring in more and more money to make an even better yearbook.

We worked hard throughout the year, buying, selling, and depositing our way to a great '78-'79 yearbook.

We want to give a special thanks to Mr. Schaeffer who has stayed behind us in good times and bad. We gave him a hard time every once in a while just to keep him on his toes!

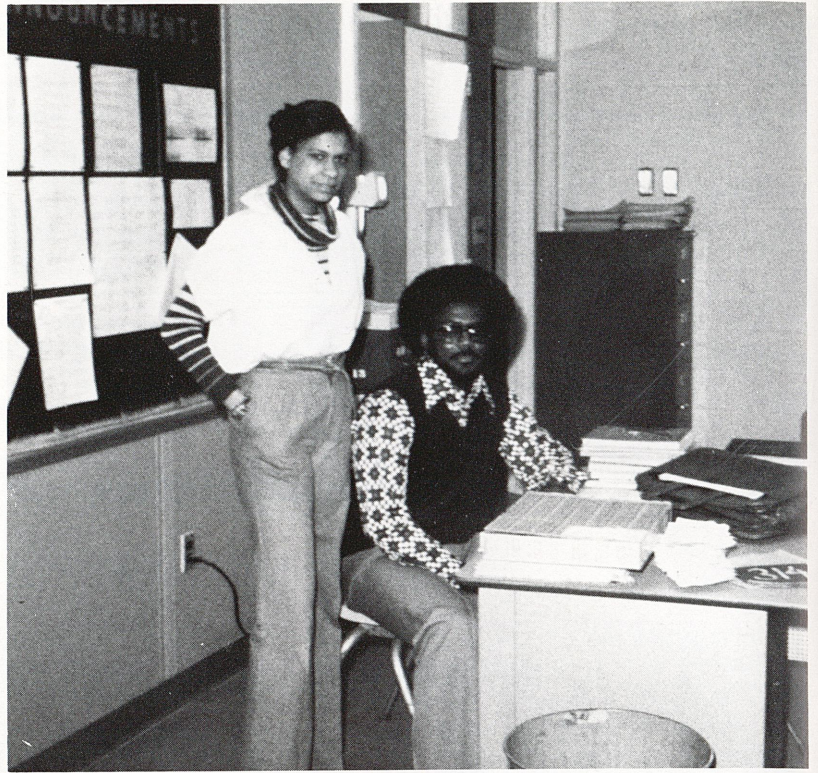

We worked hard to raise money to help pay for our yearbook, and yours.

Searching For Our Roots!

The Afro-American Club tried to have as many projects as possible, both in and out of school, in order to raise money for the needy black foundations of the world. In order for us to do this, we had to have the cooperation of others. That is why the Afro-American Club's goal was to bring unity and pride to both the blacks and whites, especially here at Kiski. If we did this, we met our goal.

Wild And Crazy People

The Audio-Visual Department is more than a club. A-V members dedicated activity periods, lunch periods, and any free time at all to our work in the A-V room. We had to work very hard, because A-V is a credited course and we do receive a grade for it.

A-V staff members had many responsibilities. We were responsible for delivering various types of audio visual equipment to teachers all over the school and we operated KAE-TV Channel 12. Our part in the Kiski Area Children's Hospital Fund Drive was very successful through a telethon at Fisher's Big Wheel and Sherwin Williams. With the help of everyone in the area we collected \$45,000, a new record for Kiski. All of our activities, of course, were under the supervision of our fearless leaders, Mr. Duckworth and Mr. Stauffer.

Being on the Kiski Area A-V staff has taken much time and patience from all of us, but we received much more in return. We learned much about the media, and had fun doing it. We will never forget the time we wrapped Lisa in masking tape. A-V members were also experts on any soap opera you could name. We were all Steve Martin clones, so in those quiet times we could entertain each other with bits and pieces of Steve Martin dialogue.

All in all, we were a bunch of wild and crazy people who were dedicated to one cause, learning all we could about the media, and that we did.

One, Two, Ready, Play

Concert Band members must work very hard for several reasons. We, being largely sophomores, have two years left in our band careers and would like to improve our abilities. We would someday like to join symphonic band or maybe even jazz-rock. Mr. Botti kept us all on our toes. We always knew that we could be challenged and lose our chair if we slacked off.

Our year in Concert Band was definately beneficial, but it was also enjoyable. We all enjoyed making music. It was a satisfying feeling conquering a hard piece of music and making it sound easy.

K.A.'s Pep People

That enthusiastic group of musicians who crowded into the corner of the gym during pep assemblies was none other than the Kiski Area Pep Band. We played our hearts out in order to "psyche up" our athletes, spurring them on to victory. Our fight songs not only got the emotions and spirits of the teams running high, but involved the entire student body. By the end of the pep assemblies everyone was on their feet clapping and cheering.

Of course, on the day of a game when there was no pep assembly, we could still be heard marching through the halls. To everyone (except maybe the teachers) we were a most welcome break during ninth period. Besides, how could anyone help being excited about the game after a boring lecture was interrupted by a stirring rendition of the "Cavalier Song."

We've Got Rhythm!

and practice, although it was sometimes frustrating, turned out to be very rewarding. The more we practiced, the better we got. In return for our devotedness, we got to visit various places to play our music. The biggest thing we gained, though, was a priceless proficiency in music. Those countless activity periods and sessions after school were certainly well spent.

Mr. Costanza was our faithful instructor. He has been in hours along with us, trying to improve our abilities. We practiced and practiced trying to get ready for our spring concert with Jazz Rock. With the help of activity periods, after school, and every Thursday night practices, we proved that if you practice enough, you can expand your abilities 100%.

Well, we can now perform anything from slow ballads to improvisation and jamming. Our spring concert was a success, and we proved that practice makes perfect.

The Pittsburgh Symphony?

Before symphonic band met for the first time and we had our first practice, everyone was very nervous and anxious to find out whether or not he made it. To those who succeeded past that "little" barrier, a big sigh of relief was heaved.

Then came the first practice. With the new members of the band talking among themselves, and the so called "veterans" yelling and laughing between themselves and looking to find out who the new people were, the room was not in to much order. So to set the band on the right track and get things rolling, Mr. L would declare his "Golden Rules." Soon (the next practice!), things were pretty much in order. Parts and music were handed out and everything was O.K. until our eyes met the music, then the whole place would get a little noisy.

Gradually, as the days and weeks passed, and the students and Mr. L got used to the music, practices went along pretty smoothly. However, there were always those days when that wasn't the case. No matter how hard you tried to play that certain section of the music, you just couldn't play it! That is when the familiar little quotation would come rolling strongly out of Mr. L's mouth, "I'm going to go right down the line tomorrow, so you better know your music!" When "tomorrow" came, it seemed that not only the doomed section of the band knew their music, but the whole band knew it! Those days seemed the best because you always felt the band was getting a lot accomplished, and with everyone concentrating, we did.

Halftime Hosts Big Hit

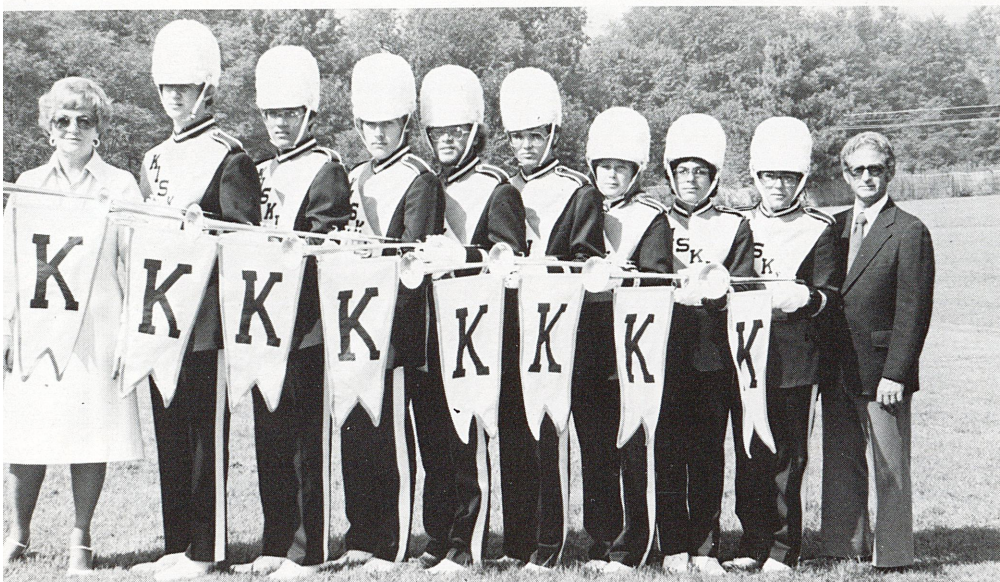

As always, when the last two weeks of August rolled round, the Cavalier Marching Band could be seen on the back parking lot, diligently working to make this year's band the best ever. After the first day of band camp, spent mostly renewing old acquaintances and welcoming new members, we settled down to work. From then until November 3 we saw very little of our homes, families, and frankly, anyone outside of the band. Being left behind in the tar while the rest of the band moved out was just one of the mishaps we endured. (Listening to our mothers yell as we tracked tar all through the house was another.) Although we were constantly rehearsing music and our halftime shows, always just one more time and then we could go home, we managed to make room for plenty of fun too. The day spent at Kennywood, Friday night games, and the Second Annual Hat Contest, which was won by returning champion, Tony Bastecki, were just some of the things we did which made the band our second family. No matter how determined we were, though, we couldn't have done all we did without the help and guidance of Mr. Botti, Mr. Costanza, and Mr. Wolfgang. We would like to thank them for helping us accomplish our goal—to become the best marching band Kiski has ever seen.

KA Batons Don't Twirl Themselves

"Bend and stretch and twirl, two, three, four." You've just stumbled in on one of the majorette warm-ups. This was a familiar sight between September and November, not to mention band camp and summer practices. We almost forgot what our houses looked like in the daylight, especially the weeks we stayed in the parking lot until 9:30.

It all paid off when we dressed in our uniforms and were featured in the concert number Friday night. The "Russian's Sailor Dance" and "West Side Story" will always stand out in our minds. Of course, our favorite (?) was our disco number, "Tchaichowsky."

We cheered at pep assemblies and games to help boost the spirit of the other students.

We wouldn't trade this year for anything.

The Song Birds

How would you have liked to have been rudely awakened by a round of hee hees and haw haws, a C note run, or "trips" after a nice nap during activity period? Well, not too many people did, so it's what made us Concert Choir members such an elite group. At the beginning of the year we didn't exactly sound like the Mormon Tabernacle Choir, so we knew that we had to really start working. We did work hard, singing some songs over and over and over again! We were always striving to stay in tune and attain good tone, which is not an easy job. At the end of a song we always waited to hear the last chord to find out whether or not we were on pitch, and if we were in tune we always gave ourselves an ovation for a job well done. However, there wasn't to be any congratulations until after our first performance, the Christmas Concert. This year for our concert we performed the new "Anita Kerr Christmas Story," which we're sure Mr. McClelland would like to make a tradition. We also sang a few traditional (traditionally hard!) pieces from Handel's "The Messiah." But our Christmas Concert was a success, was our Spring Concert, which contained a wide variety of music.

We'd like to thank Mr. McClelland for all his help and direction, because without him it wouldn't have been possible to have the great year that we did. He showed us what music truly is.

The Specialists

District Chorus

It was a real honor to be chosen for District Chorus this year. The three days at Penn Hills, January 18, 19, and 20, were filled with hard work, long practices, and a lot of fun! While we were there, everyone had to audition for Regional Chorus so we were extremely nervous! Of course, the highlights of the affair were the two concerts that we performed. Our rating was as high as the first soprano's notes! But it wasn't all work, we had lots of time to make new friends, especially with our host families. All in all, it was a memorable experience.

ROW 1: P. Morman, K. Kovalcik. ROW 2: N. Dilick, S. Rowe, K. Covey.

County Chorus

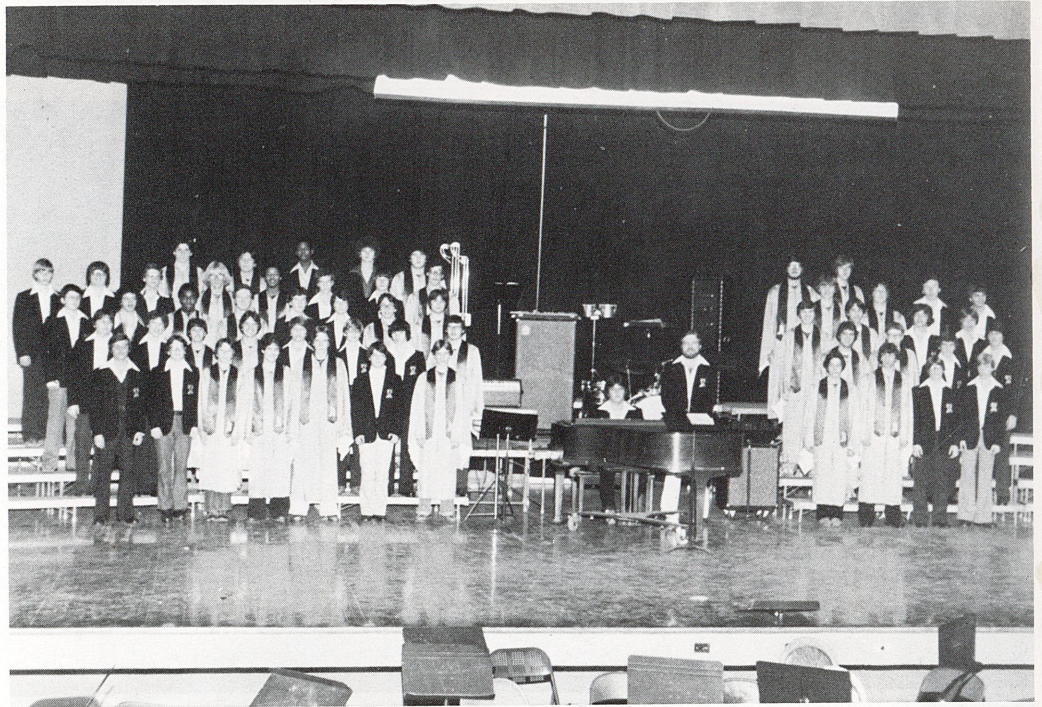

The fantastic experience began in September with all of us filling out applications. Then we had to wait a seemingly endless amount of time before we found out whether or not we made it. *We did!!*

Next began the process of learning all of our music. The day before the concert we had rehearsal with all of the other members, which was a lot of fun, because we made many new friends. Finally, the day of the concert arrived and, needless to say, our performance was terrific! All of us had a wonderful time. We believe that it will be one of our fondest memories.

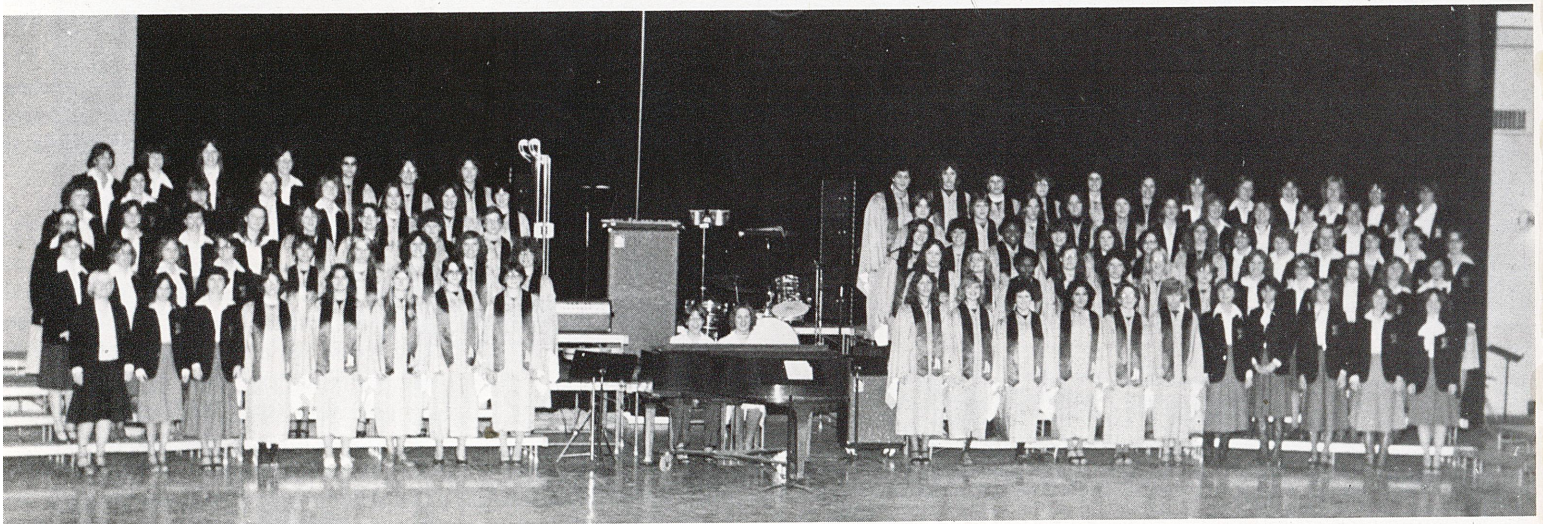

ROW 1: P. Morman, B. Briggs, L. Dormire, N. Chemelli, K. Kovalcik, T. McIntyre. ROW 2: J. Sproull, N. Dilick, R. Miller, K. Covey, D. McGowen. ROW 3: B. Altmire, S. Rowe, P. Nelson, J. Kravetsky.

We'd Like To Teach . . .

One morning we had to make a mad dash for the band room to avoid receiving Mr. McClelland's well known "deduct" for being late. After a "quick?" rehearsal, we began our rehearsals. Although rehearsals weren't always "smooth," now we began to sound better, but as only after a lot of hard work. As time progressed, we began to dread singing "pitches!" and a very famous "pitch" which was a signal for us to be ready. Then, after the song, there would be a few "kind?" words of criticism as not breathing right (we always thought that there was only one way, in fact!) and not having good diction. It took a tremendous amount of time, attention and hard work, but finally we were ready for the concert. After we had sung our last song and heard the "thunder" applause, we were glad of all the hard work that we put into preparing for the concert. When the seniors left the Alma Mater and took their final walk through the auditorium, we knew that our year would always be remembered.

... The World To Sing

As sophomores, we did not have quite enough experience yet for the Concert Choir. Preparation came from Mixed Chorus under the direction of Mr. McClelland. Throughout the year, we studied many types of music and developed an appreciation of them all. Gradually, our voices changed from those of inexperienced ninth graders to ones we felt could tackle any piece of music handed to us.

Singing was not the only thing taking place in Mixed Chorus. We needed terrific accompaniment, which was supplied by our talented student piano players. By the time our concert rolled around, we were ready to put on one of the best choral programs Kiski ever heard. Now, with our first year at the senior high completed, we are willing and able to move on to higher goals in the Concert Choir.

ROW 1: M. Vokes, K. Martin, C. Campbell, J. Judd, M. Hilty, S. Polahar, D. McCaffrey, B. Bentley, V. Striner, M. Mastrocinque, Mr. McClelland, B. Smith, P. Carnahan, C. Peters, M. Kolegraf, C. Spirit Unlimited Inc.

We are the source of all the enthusiasm that is generated during every sports season. No matter how our teams do, we keep right on cheering and believing in them. Our past year has been a busy one, beginning as soon as the new squad was selected. We visited the school often this summer and spent many long hours practicing new chants and routines. In July we had a change of scenery when we attended the nationwide cheer camp at Robert Morris College. From early in the morning to late in the evening we chanted until our voices were nearly gone and jumped until we could jump no more. All our hard work, however, did not go unrewarded. We gained valuable experience and made many new friends. Now we were ready to return to Kiski for many more hours of practice—to be exact—everyday for the last two, hot, weeks in August. Aside from learning new cheers, we were also responsible for the many signs scattered throughout the school and the painted windows in the athletic department. Finally we were completely ready. With the help of our spirit filled gorilla, we made this year a memorable one.

ROW 1: E. Mistrik, C. Younkins, T. Kurpakus. ROW 2: L. Como, A. Montali, M. Mydock, D. Shields, K. Fabry.

The Fortune Seekers

We knew that money was what made the world go round and we made sure that was one circle we were right in the middle of. As members of the Coin Club, we were interested in old, unusual, or foreign money, and with the help of Mr. Woitas, we expanded our knowledge of the hobby. Our club was more interesting this year, mainly due to the fact that our membership had increased 400% — from three to twelve people. More coin buffs meant more coins to wheel and deal with, and that we did! Together we studied about many different coins, discovering that each piece of money was a unique story all its own.

We were not satisfied with the coins already in our possession, though. Every once in a while, we would bring out our metal detectors and search for buried treasures," which more times than not turned out to be tin cans. We did not stop at bartering money just among ourselves. Most of us increased our collection through outside dealers. (At least we had more luck purchasing coins from dealers than from our searches with metal detectors.) So, while the rest of the world is spending money madly, we are collecting. Who knows, some day one of us may run across that rare coin worth millions! Until then, we are content with swapping money among our fellow Coin Club members here at Kiski.

ROW 1: J. DePancis, B. Smith, C. Peters, G. Painter. ROW 2: Mr. Woitas, S. Kovalski, J. Wygonik, P. Nye, T. Kuruc, B. Roys.

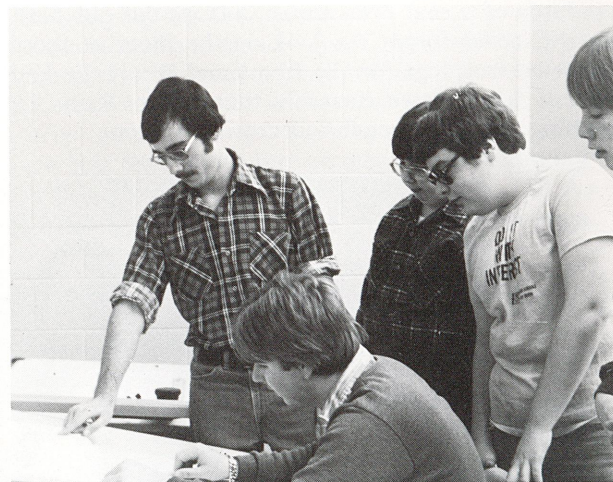

Move Over Frank Lloyd Wright

With the many clubs at Kiski, the Drafting Club is the one which combines many interests of related future jobs. Our advisor, Mr. George, assigned each member an individual project. Many of these were posted throughout the school or handed out.

Not only do we do individual projects, but every year we have been actively involved in the Western Pennsylvania Industrial Arts Fair, and this year was no exception. Of course, at this Fair, Kiski has always been the recipient of many awards. We also took a field trip. We chose somewhere which was a good example of local architecture, and the old favorite seemed to be "Falling Waters," which was designed by Frank Lloyd Wright. So Falling Waters it was.

The Drafting Club was enjoyable and rewarding for us. We would advise anyone interested in mechanical or architectural drafting to look into the club next year. Who knows, you might discover some type of career in drafting is just what you have been searching for.

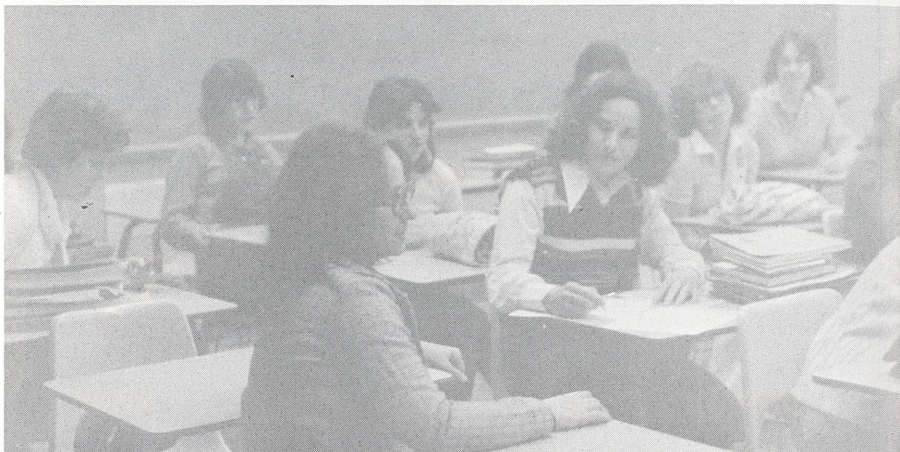

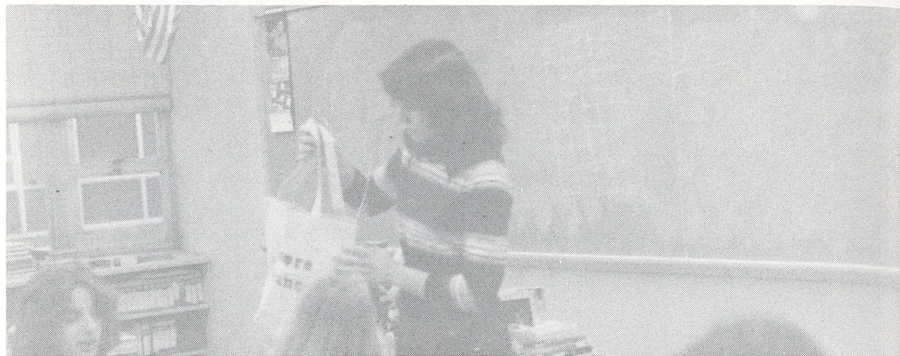

ROW 1: J. Carnahan, F. Zambotti, J. Carratelli, J. Ruirotto. ROW 2: R. Wilson, K. Zanavich, S. Hiler, D. Komoroski, C. Walters, D. Powell, R. Uhing, J. Stitt. ROW 3: L. Murray, R. Rodgers, T. Kruse, G. Biery, D. Spillers, B. Hill, J. Fannin, Mr. George, R. Titus, M. Bieranoski, J. Trunzo, J. Putignano, C. Leah.

Parlez-Vous Francais?

When you think of France, you think of the Alps and Paris, but how many of you think of Room 302? Well, every second and fourth Wednesday in Room 302 Kiski had its own little French culture. With our sponsor, Mrs. Baun, and President, "Shari U.", we kept busy with various activities throughout the year. We took part in the Children's Hospital campaign by setting up a booth at the Fun Fair.

One of our activities was learning about French holidays. On December 22, for example, we wished everyone a "Joyeux Noel." We learned about "le Jour de Poisson" (Fish Day), which is April Fool's Day in America. On that particular day, we sold cookies in the shape of a fish.

At the end of the year, we had our annual banquet where we undertook cooking different French cuisine. It might not have been up to the standards of a real Frenchman, but we did our best. We will never forget the look on the faces of those who tried frog legs for the first time! We really had a lot of fun and we sincerely thank Mrs. Baun for teaching us what French culture is all about.

ROW 1: K. Kovalcik, S. Uzelac, M. Angiulli. ROW 2: J. Hutton. ROW 3: S. Eddy, G. Kalinowski, D. Barkley, S. Klingensmith, C. Carricato, N. Heltion, Mrs. Baun.

Business World, Here We Come!

The Future Business Leaders of America was composed of approximately forty girls this year and was under the direction of Mrs. Contie. The purpose of the club was to help prepare us for a career in business, and that it did. Together, we investigated various aspects of business and looked at the different fields we might choose from.

Aside from exploring the business world, we engaged in other activities, the first of which was our annual cupcake booth at the Fun Fair. Another of our fund raisers was selling Cavalier key chains, which everyone seemed to have. Perhaps, though, FBLA is most notorious for the traditional Valentine's Day cupcake sale. Many girls received a cupcake (or two or three) from secret admirers. Of course, in this age of women's lib and the ERA, just as many guys were bestowed with cupcakes from girls who found them "sexy." We sometimes wondered how many people we were responsible for bringing together.

We would especially like to thank Mrs. Contie, without whose help and guidance everything couldn't have been accomplished. We have now achieved a better understanding of what lies in store for us after graduation. So don't be surprised if fifteen years from now you read about one or more of us becoming a leader in the world of business. Just remember, with the FBLA as part of our foundation, what else could the result have been.

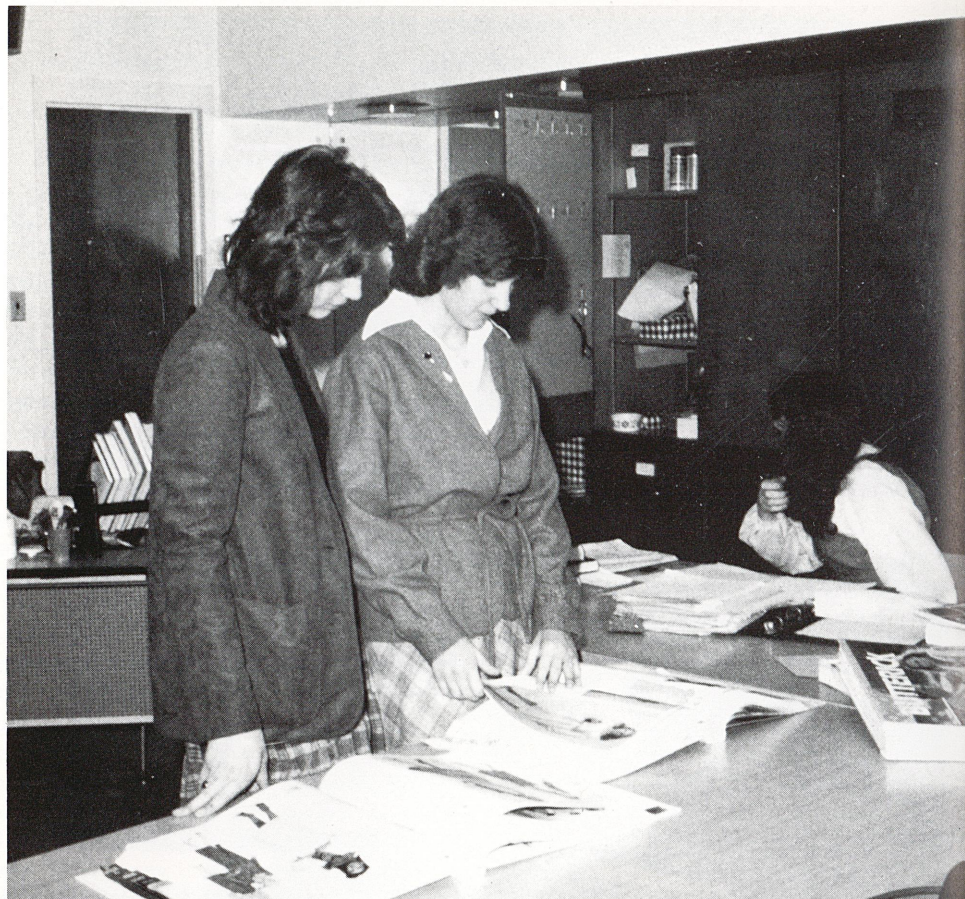

ROW 1: Mrs. Contie, S. Wing, S. Walsh, K. Yamber, P. Carney, D. Gardner. ROW 2: M. Misho, L. Minarcin, M. Weis, D. Bowser, T. Domiano, M. Fabry. ROW 3: B. Anguilli, S. Stuchel, J. Headlee, A. Elwood, W. Clark, L. Walker, C. Fennell. ROW 4: D. Sanford, T. Schantz, D. Brown, J. Sanford, D. Mann, L. Guckengerger, ROW 5: V. Pisone, T. Simrell, M. Rea, M. Janetka, L. Belice, B. Duff, A. Smail, K. Hoffer, C. Walters, J. Pavetti, K. Siska, K. Regenda, T. Adorante. ROW 6: D. Butler, J. McCutcheon, T. Reedy, D. Vereb, M. Lange, T. Zahumensky, S. Petrilla, P. Snyder, K. Simpson, S. Slagle, S. Thall, D. Hutcherson, Y. Hutcherson, L. Pearson, J. Roebuck, A. Woody.

Suzy Homemakers

at was the source of those scrumptious odors reached our nostrils during activity periods? Future Homemakers of America, of course. a slow start, we managed to finally meet and became very busy to make up for lost time. the guidance of Mrs. Daugherty and Mrs. n, we not only created delicious food, but also and learned many other skills which would prepare us for the very important job of home- . However, most would agree, the best pro- were those we baked, or rather, those we ate. amazing how many friends we had once they t the aroma of our food.

ing, though, was not our only activity. We par- ted in the fund drive for Children's Hospital a booth at the Fun fair. Although our work seemed much like work, we learned much about ties of a homemaker. We may not be perfect ut we are getting there, and this year we were to be known as the Future Homemakers of ica.

ROW 1: S. Uzelac, D. Baxter. ROW 2: C. Crawford, J. Smith, K. Narduzzi, T. Ross, C. Kepple. ROW 3: K. Burns, C. Copper, E. Tanner, J. Young, A. Gabrielli, P. Wasas, Mrs. Wilson.

Anyone for An Arguement?

The purpose of our club was to argue, but to do it in an organized manner. We were known as the Forensic Club, or "debate team." New to Kiski, we had our beginnings in Mr. Meighan's P.O.D. classes, where we debated during class, and Mr. Meighan went on to become our advisor. More members came from Mr. Norton's classes, who were also debating. With enough interested people, an advisor, and clearance from the administration, a new club was born.

Although we had a lot of enthusiasm for debates, we never seemed able to hold a meeting. We met another setback with the absence of Mr. Meighan. Nevertheless, we had founded an organization that was sorely needed here at Kiski, because everyone argues at one time or another. Learning how to do it logically put us one step ahead of the rest. So, even though we did not do much debating this year, we "pioneers" paved the way for many heated arguments in the future of Kiski.

Warum Nicht Auf Deutsch?

Können Die Deutsch? All German Club members share a common interest in Germany and the German language. The meetings give all of us "German Freaks" a chance to get together and talk. Of course, not all of our discussion was in German or about Germany. We shared some really great times. I will never forget Roxy's antics or Mr. Pipkins trying to keep us cool. The German Club was not just a lot of fooling around. We got organized and did our bit for Children's Hospital and the KA Fun Fair. Everyone in the club joined in the cause. We proved that you can have fun and still get things done.

"We've Got The Music In Us!"

What did being a Jazz-Rock member mean? Besides all the hard work and a lot of fun, it meant being able to perform the kind of music that we love.

Our stomachs still get queasy when we remember our try-outs. That was the first time some of us had ever used a microphone and heard how our voices sounded amplified. After the try-outs we wondered how we could live until the day that Mr. McClelland would tell us who had made it. Finally, the day arrived and when our names were announced we felt a mixture of excitement, pride and relief. We then vowed that we would do our best and would try to make this Jazz-Rock Ensemble the best Kiski has ever had.

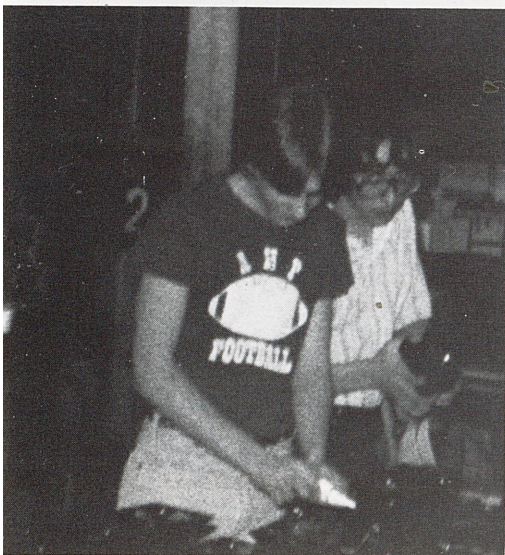

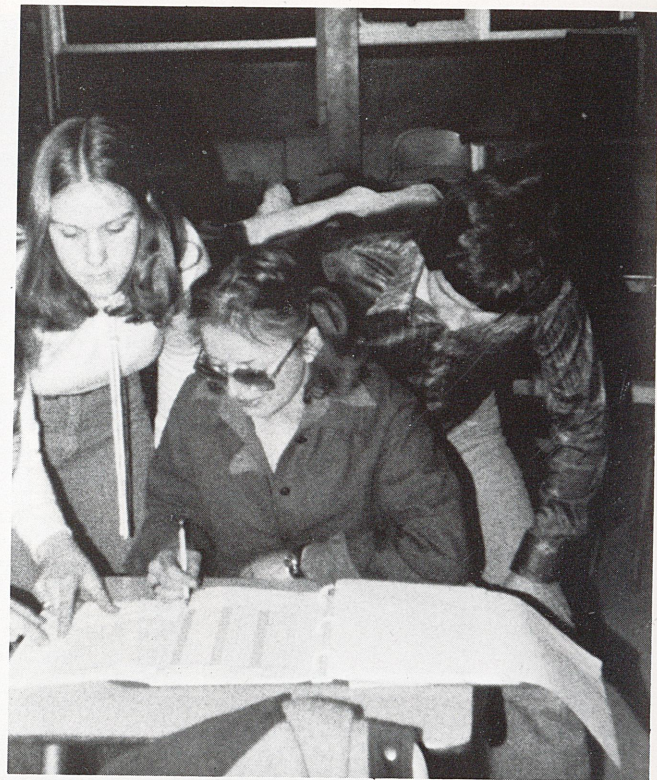

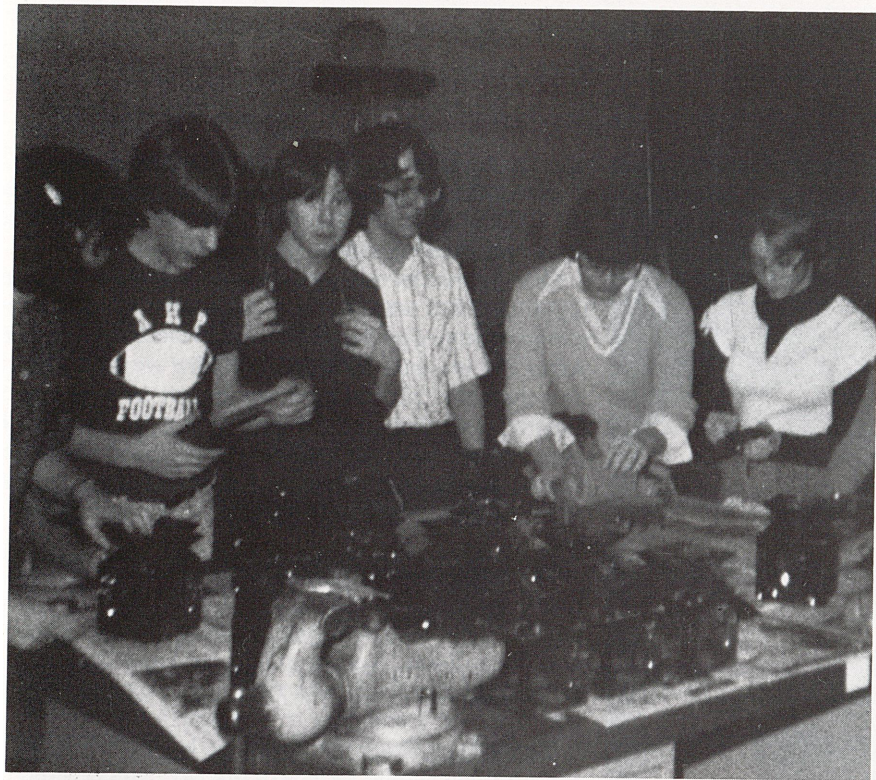

We knew that it would be a lot of hard work, but we were ready, willing, and able. Each day the songs sounded better and better and with Krystal singing Boogie Oogie Oogie, and Nick doing "Reminiscing", we knew that nothing could go wrong. Finally it was time for the concert and after it was over we knew that it was worth all the hard work.

Being Jazz-Rock members, we learned a lot about music, therefore we would like to thank Mr. McClelland for giving us the chance to prove that "We've Got the Music in Us."

Alle-Kiski Businessmen Move Over

Junior Achievement is composed mostly of business students with an interest in getting some practical experience. We met several times a month in one of our eight companies that made up Junior Achievement. At these meetings, we worked on our money making projects, such as candles, trays, jewelry, etc. The more profit the company made, the more we made ourselves. This was very inspiring.

Donna, John, Tammy, and Mary Jo went to the J.A.M.C.O. convention at Bowling Green University, Ohio. They received much information on business through all day seminars.

There was always time, of course, to have a little fun. The J.A. dance and the crowning of Mr. and Miss J.A. is always looked forward to. Incidentally, during the past year Miss J.A. was from right here at Kiski, Lori Miller.

We had a great year. We were all transformed into little businessmen and women. All in all, J.A. was a valuable experience. Knowledge gained from being in this organization will undoubtedly help when we enter the world of business.

The Little Lions

The Leo Club, sponsored by the Lions in Vandergrift and Allegheny and Washington townships, was not a large club, but we became very much involved in helping the people in our community. We set our goals high and were determined to raise enough money to purchase an air conditioning system for a local rehabilitation center. Also on our agenda was a luncheon trip to the clinic in Avonmore, where we met and talked with the people who ran it, and participation in the annual ceramic show in Leechburg.

Financing all of these activities kept us extremely busy and constantly searching for a way to fund them. Although we organized many various money-making schemes, our most prominent was at the Vandergrift carnival. During that time, we could be found diligently selling ice cream in our booth.

Many demands were made on our time and hard work was expected and received from everyone. Ask any member if it was worth it all, and he will undoubtedly reply yes! Through the Leo Club, we acquired a sense of service and compassion for all types of problems, and a feeling of pride with the knowledge that we had touched a few lives and perhaps made them a little bit brighter.

ROW 1: S. Mazak, L. Donnis, K. Kovalcik, S. Uzelac. ROW 2: J. Putignano, R. Pangrazi, T. Moorehead.

Creative People's Corner

Though only in its second year, the Literary Club has already established itself as the "creative people's corner." The club was founded last year by Mrs. Pipman and she has continued as our sponsor. We didn't need any fancy title for our club because "Literary" explains it well enough. Every first and third Monday we met in Room 202 under the leadership of Mrs. Pipman and co-editors, Dave Sharp and Nancy Sgarlata. We submitted poems and short stories to be "reviewed" by the club. Sometimes the writer's name was revealed and other times it remained unknown. When it remained anonymous we could usually tell by the red face whose it was. People outside the club submitted writings too. It wasn't just limited to writing material — people with artistic ability were encouraged to submit their work also. We also helped with the drive for Children's Hospital by having a used book stand at the Fun Fair. At the end of the year we had a booklet published for the student body with all our work in it. It sure was hard trying to agree on a title for it! We finally did, the "Creative Corner" of Kiski.

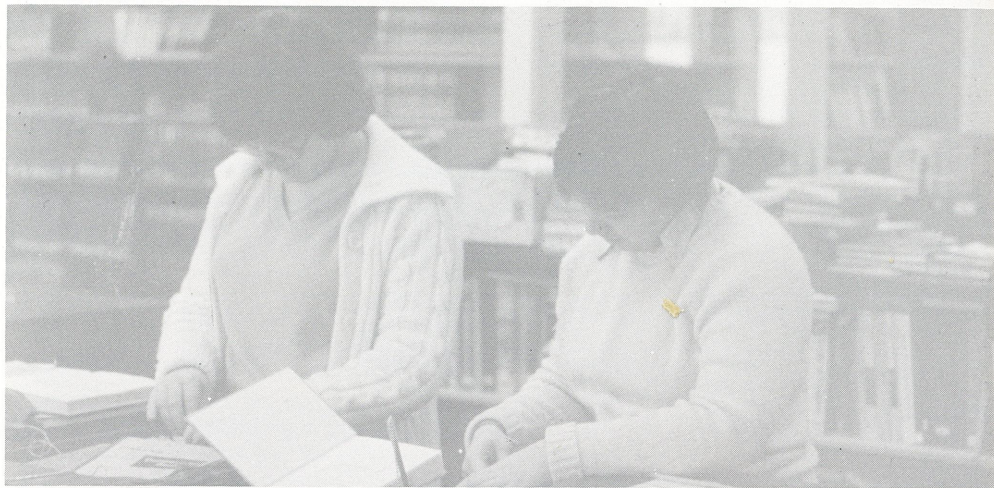

ROW 1: P. Burton, A. Dezzutti, P. Morman, D. Leyland, J. Sanford, S. Jordan, K. Uleski. ROW 2: D. Sharp, M. Schreffler, Mrs. Pipman, S. Magee, M. Smith, C. Keller, D. Dirkmatt, L. Urick, K. Warren.

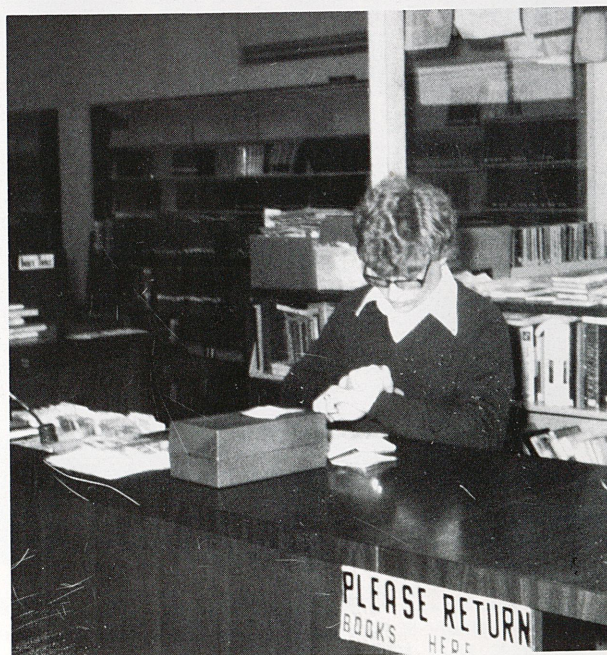

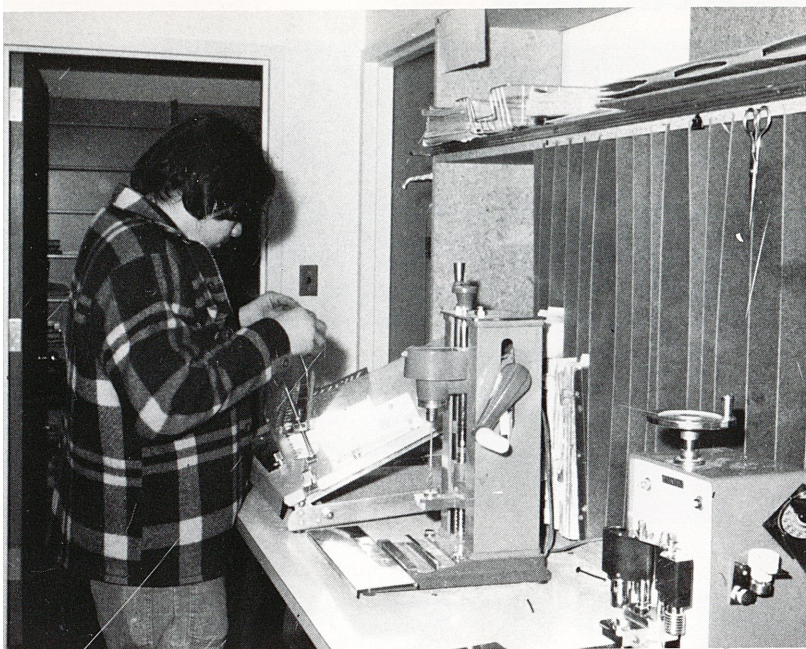

Mr. Kulas' Clones

If someone would have come up to you and asked what Cavalier stickers, T-shirt transfers, and bake sales all have in common, what would you have replied? Your answer would have undoubtedly been, the Library Club. By selling such a multitude of goods, we were bound (and determined) to raise enough money to finance our major project, a glass showcase. However, hard work was not the only way we accomplished this feat. A lot of persuasive salesmanship was involved too, which must count for why all our relatives and friends have plenty of transfers and stickers.

Our group was forty strong and every one of them helped in succeeding to make this year a successful and memorable one. Of course, we cannot forget our sponsor, Mr. Kulas, without whom we would have been lost. In fact, where would the entire school have been without him, because he could always locate books we simply could not find. Last, but not least, our officers deserve a lot of credit for organizing our activities and keeping our morale high, no matter what the circumstances. Now that we have completed a year as members of the Library Club, we ask, "What have we learned?" Well, cooperation, a little work can accomplish, and how **SELL, SELL, SELL!**

ROW 1: L. Rossi, L. Bohovich, K. Stover, C. Nevin, M. Janetka, L. Belice, K. Bassinger, A. Smail, D. Smith, L. Hampshire. ROW 2: R. Wilson, J. Rearick, L. King, S. Orr, B. Weaver, S. Ketchum, C. Kirshner, J. Beck, C. Baker, A. Rupert, B. Palmiscno, A. Silvis, D. Cline, R. Shaffer, L. Watenbaugh, Mr. Kulas.

A Calculated Risk

What is Math Club? Math Club is a group of Mrs. Scales' "honeys." In other words, some of the diligent trig, calc, and analysis students visible in the lower cafeteria almost every day. Once a month, though, we got together in the library and tried to work out some seemingly impossible math problems. Sometimes, though our homework was equally impossible and we just worked on that.

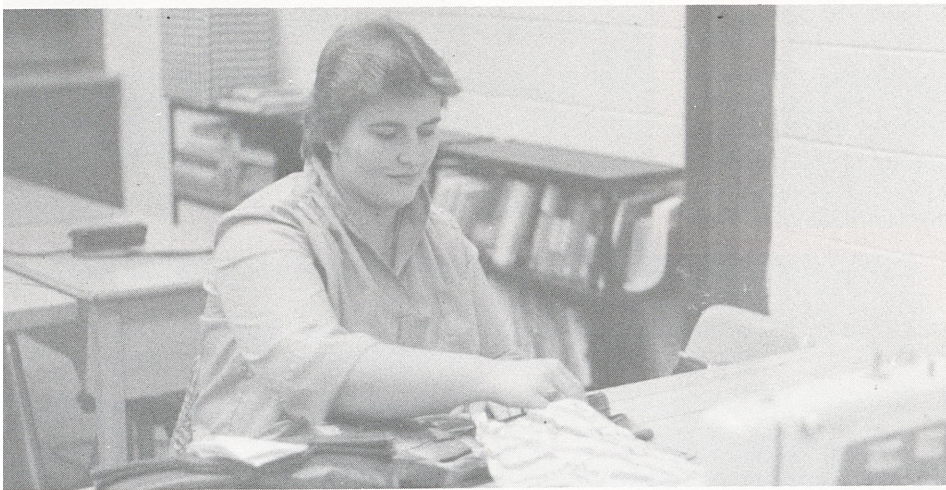

All in all, Math Club was a very beneficial experience for all of us. We were all interested in math and Math Club helped us with our advanced math courses. We are sure that it will help us in the future. We would like to thank Mrs. Scales for all her help and encouragement.

ROW 1: L. Stewart, M. Barger, M. Raymond, C. Botti, T. Canil, M. Veselicky, S. Pancoe. ROW 2: K. Kovalcik, A. Hill, M. Mitchell, M. Young, C. California, E. Brady, S. Facchine, L. McMahon, D. Superstitchers

To become a member of the Needlecraft Club, you only needed the desire to learn a needle craft. Because learning needlepoint, crocheting, knitting, and embroidery was what the club was all about, we decided we were going to learn them, no matter what the consequences were to our poor fingers. Even though some of us did not have nimble fingers, we tried our best to complete our projects. We had fun at our meetings, even if we did leave the Home Economics room looking like cross-eyed zombies. This came from examining, counting, and tearing out our stitches. As our skills improved and the projects were finished, we moved on to more complicated projects. Without Mrs. Wilson to guide us, our projects would have resembled just another pile of yarn. After a year in the Needlecraft Club, we feel confident in our accomplishment of the needle craft arts.

ROW 1: C. Crawford, J. Smith, K. Narduzzi, T. Ross, C. Kepple, P. Wasas. ROW 2: K. Burns, C. Copper, E. Tanner, J. Young, B. Beck, N. O'Dea, K. Fisher, Mrs. Wilson.

Coffee, Tea Or Almost Anything Goes?

Scholarship, Service, Leadership, and Character were the qualifications for becoming a member of the National Honor Society. Being elected for membership was a great honor. Induction occurred during an impressive candlelight ceremony in April, followed by a reception for inductees."

One of the first projects of the year was selling pies. Also, as usual, we were the guides for the Sophomore orientation, giving a tour of the school to many people who had never seen it.

We also held our coffee houses again this year. These took a lot of time and planning. "Employees" of the "Coffee house" had to arrive at school and face endless gallons of hot chocolate and dozens of donuts. We also sponsored the Annual Almost Anything Goes Contest, and a candy sale at the Fun Fair. We were very proud that we could donate \$200 to the Children's Hospital Fund Drive. After Christmas we began working on the induction service for the new members, hoping to make their induction memorable as our's was. Also, we started raising money to purchase banners we would wear at graduation. This year has been one we will never forget, and we would like to thank Mrs. Clugston, and Mrs. Delio, for all their help and support.

"KISKI'S NO. 1" was a fact that we firmly believed and tried to spread throughout our school. With Becky as President and Miss Michaels as advisor we had enough school spirit for everyone.

This year we had our first annual Fruit-Ca-Bob sale at the Avonmore Festival. We also had our traditional Homecoming Mum sale, which made Homecoming as nice as ever.

Another first this year was the "Slave Day" that we sponsored. It was held to help raise money for Children's Hospital. Seven senior football players and five senior cheerleaders were "slaves" for a day. "Mouse" carrying a "baby doll" and Jolene being "whipped" made it a memorable event!

We had other fund-raising events for Children's Hospital. At the Fun Fair we sold fudge, and at school our club had two bake sales. All in all, we made a large contribution to Kiski's Children's Hospital Fund.

At the football games, we showed our enthusiasm by making tunnels, with Becky and Cindy leading the cheers. During the pep assemblies we helped prove that Kiski is the best and we are the proudest school around!

Up, Up, And Away

We "blasted" off to another fine adventure-filled year. Not unusual, considering we are the Kiski Area Rocket Club. That's right, we are those little guys who landed a man on the moon before NASA—of course, our moon was only a scale model.

We had loads of fun exploring new ideas to submit to the space program. There is always that chance that one of our discoveries will advance the technology needed to launch a real rocket.

All things considered, it was a great year. We learned a lot about rockets, space, and most importantly, ourselves. We seniors have enjoyed being a part of the Rocket Club during our years at the "Big K", as it has provided us with many cherished memories. We underclassmen are looking forward to next year because we know it will be an even better one. Who knows—one of us may build a real rocket some day!

"Tacos! Does anybody want a taco?" That was a familiar cry that could be heard by us at various times throughout the year, and at the Avonmore Festival we sold over 400 of them.

Soon after the Festival, we were planning our traditional Halloween bake sale, so we began reminding all our friends to await the arrival of the "Great Pumpkin." All our hard work paid off though, because our sale was a success. We also did our part for Children's Hospital by being involved in the Fun Fair. We were again selling our "infamous" tacos, but that's not all. We had a game of chance and a kissing booth with the foreign exchange students as the "objects of affection."

Last, but certainly not least was our traditional Spanish Night. It took, without a doubt, much hard work, proving to be one of our better efforts.

Now you may ask what we did with all that money. Well, it all went to a good cause. With the money, we went on Spanish related field trips to help expand our knowledge of Spanish culture.

We'd like to thank our "fearless and ready for anything" president, Elaine, and our not always sane treasurer, Jim, for making this year's Spanish Club a memorable one. Also, a special thank you to our advisor, Mrs. Love.

Lights, Camera, Action!

"Lights, camera, action!" This is a familiar phrase among directors. However, we of the stage crew are concerned only with the lights and a few other backstage responsibilities. Here at Kiski the stage crew ensures that the lights function properly, they are in the right place at the right time, and that all the rest of the technical duties are taken care of. We are essential for the successful production of a musical, rock concert, or choral concert. After all, where would the performers be without the bright lights shining upon them?

We would never have been able to complete all of these unseemingly complicated tasks without the aid of our sponsors, Mr. DeSantis and Mr. Tarosky. Few realize that a great skill is needed to coordinate a stage production, but through all the hard work we managed to become equally as skilled at having a good time. We will always remember the year we worked on the spotlight, instead of in it.

V. Lubik, D. Boggs, F. Filo, S. Callipare, Mr. Tarosky.

The Future Politicians

We soon found out that being elected a homeroom representative was not all fun and games. There were many things to do, and much time to be devoted. Our part in the Children's Hospital Fund Drive was our biggest task. We had a great Gong Show this year with Pat Zelonka just squeezing by "Libra" for first place. Our part in the fun fair, a hot pretzel, popcorn and Kool-Aid sale, did really well even though our power went off and we had to run to the Home-Ec room to bake the pretzels.

We did some new things this year too. Freedom Jam gave the student body a great assembly and in exchange the student council members gave them help setting up, selling tickets, selling posters, collecting tickets, and literally "holding back the crowd" for their concert in the auditorium.

It was our pleasure to aid Mr. Dilts and the entire athletic department in running the new intramural program at Kiski. We can now add sports to our ever growing list of homeroom activities.

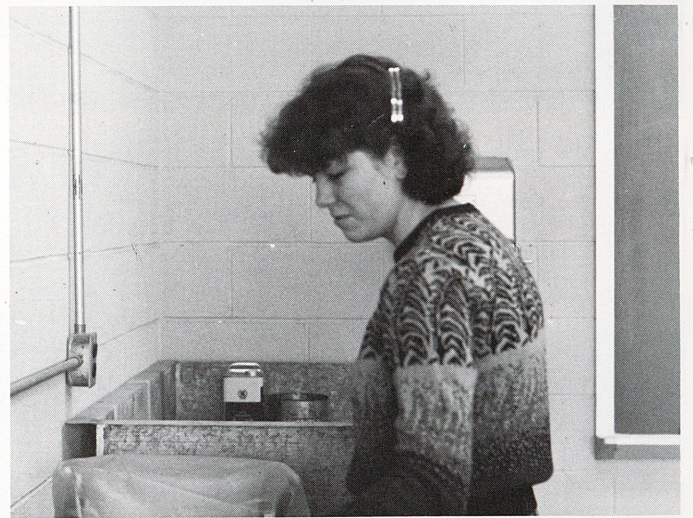

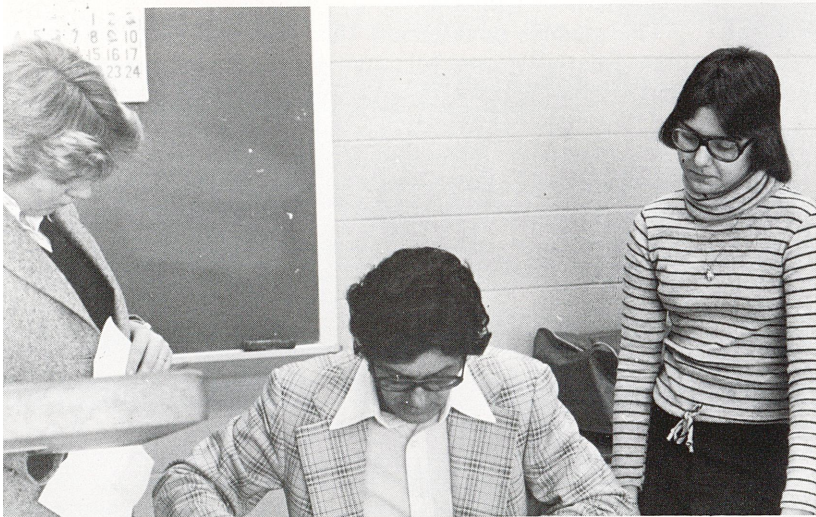

The student government this year has been nothing less than great. We can be proud to say that we were the Student Council of '78-'79.

The Fastest Typists In The East

Can we type, file, or take shorthand? Of course, we are student secretaries, who were kept busy all year long helping the faculty. There were secretaries who worked for one teacher only, and those that worked in the office. It was important that we had typing skills, because we had to type quizzes, tests, and worksheets and there were times when we also had to run them off. In the office, we did a lot of other things like run office errands, and distribute absentee bulletins and messages. We also helped out in the guidance department when college representatives visited and on Career Day. Being a student secretary was not quite as easy as it seemed since we usually gave up a study hall to work as well as time before and after school. Then there were those days when we would arrive at school and find out something had to be done by second period, and we would have to rush around trying to get it done. Boy, did our typing skills come in handy then. We always managed to get the things done, though. We found that being a student secretary was a valuable experience for us as it will help us when we become secretaries after graduation. We found it to be a rewarding year and we hope that we made the lives of the faculty a little easier.

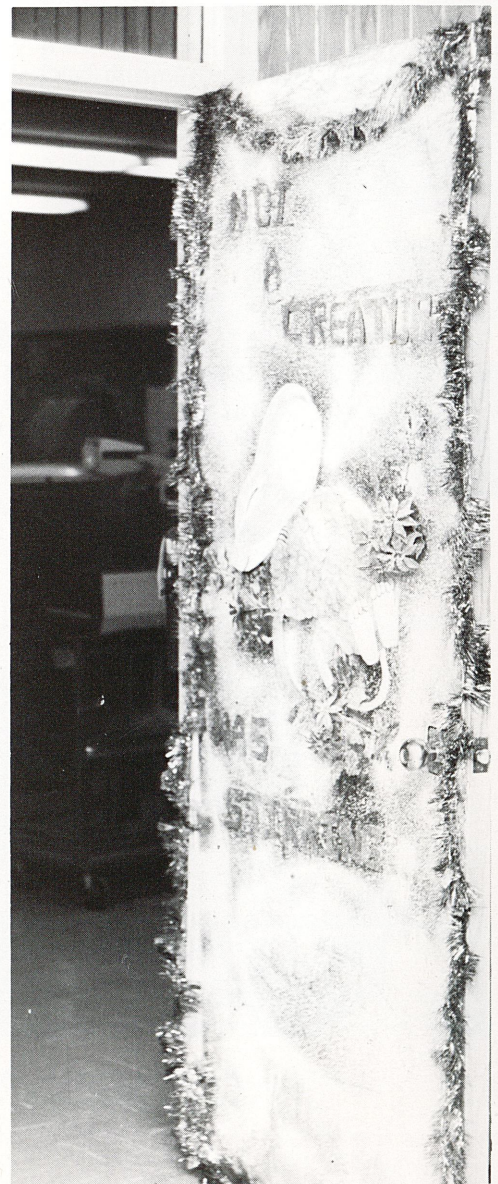

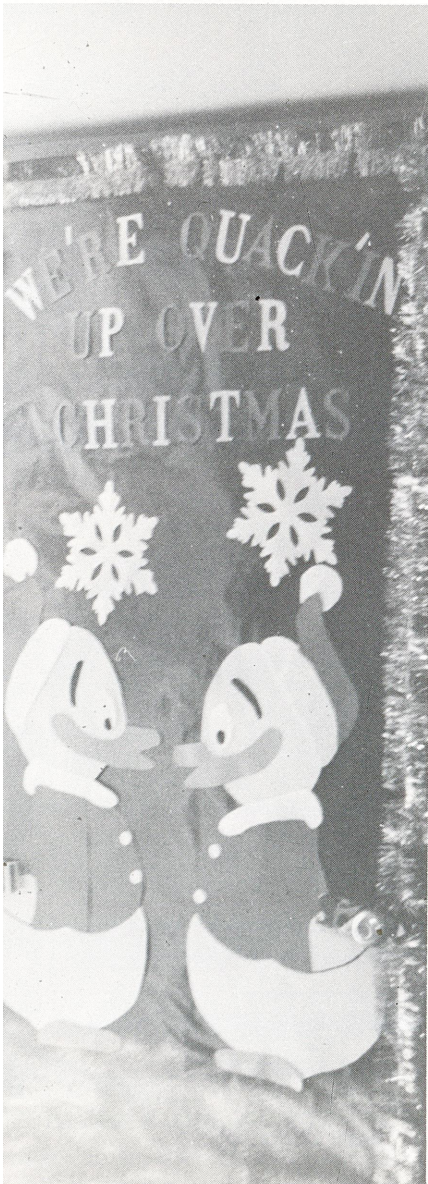

Kiski's Got Christmas Spirit

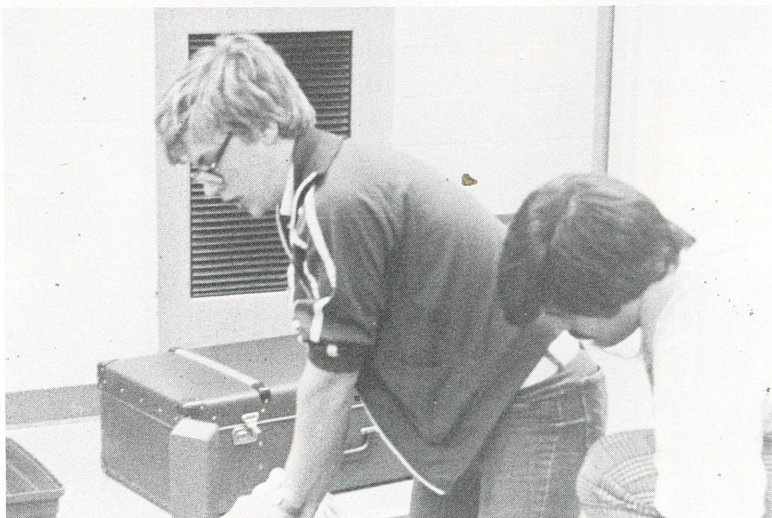

'Twas the week before Christmas, when all through the school, not a brain cell was stirring on thoughts of the rules. The books were stacked neatly in the lockers with care, with hopes that the 23rd soon would be there.

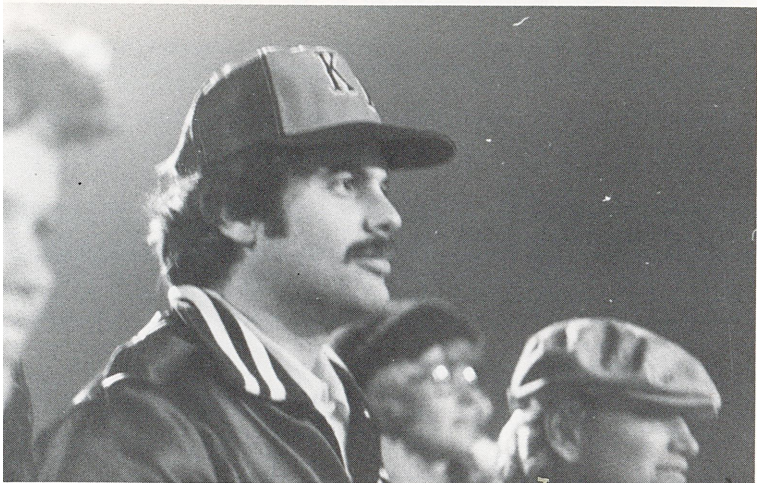

The teachers and administrators soon realized it was no use fighting the Christmas spirit, and decided to add to it — a door decorating contest was held. Every home room got involved. We saw Christmas trees, stockings, and winter scenes. Even the hulk made an appearance. The decorating took time, but it was certainly worth it. Everyone got into the Christmas spirit, and Christmas carols were being sung under the breath of teachers and students all over the school.

Student Trainers Do It On The Sidelines

Shari all tied up!

"Is there a doctor in the house?" No, not really, but almost. "Doc" Brost and his student trainers were kept busy after school, on weekends, and during games and meets coming to the aid of injured athletes. We attended class twice a week and had to obtain 108 hours before we received full credit for student training. You could find us anywhere taking care of blisters, bloody noses, cuts and scrapes, breaks and fractures or any other first aid emergency. We also backed up the athletes mentally as well as physically.

We not only treated injuries but suffered a few ourselves. Who else but one of us could get hit on the head with a stretcher going to an away football game. Not exactly being housekeepers, we never worried about cleaning the training room. Water that was suppose to be in the whirlpool always seemed to find its way out onto the floor. We were not always in the training business either. The Christmas party, with more food than the entire football team could eat in three meals, will always stand out as one of the more memorable events.

We really got a lot out of training this year. The "rookies" gained a lot from the experienced seniors who have put in two years as trainers. The two-year seniors included: Shari Facchine, Cindy Hansen, Becky Hessom, and Tammy Hill. The things we learned during the year will always stay with us and it will be a special help for those of us planning to enter health-related fields. We all know that what we have learned will make us more productive individuals in our future years.

The Thought For The Day Is . . .

Eight respectable seniors, under the leadership of Mr. Israel, comprised the Thought-For-The-Day Club this year. Our sayings were anything from witty to serious, but they always managed to start the day on a somewhat positive note. Mr. Israel was always there to help us when we needed a quick thought. Not all students took advantage of our intellectual sayings, but they were always there for those who wished to savor them.

ROW 1: M. Barger, R. Popson, A. Ceraso. ROW 2: Mr. Israel, S. Mazak, B. Roys, L. Dormire, M. Young, M. Bozzone, K. Kovalcik.

Enthusiasm Was Our Motto!

The main ingredient needed to be a member of the Tri-Hi-Y was enthusiasm, and that was one thing we had plenty of this year. With an increase in membership we were able to do more than ever. Since the purpose of our club was service to the community, with a lot of fun thrown in too, we needed every member giving 100% in order to realize our goals.

Throughout the year, we kept busy with many activities, and one of them was participating in the fund drive for Children's Hospital. Decorated cupcakes were our specialty, so that is what we sold at the Fun Fair, and very successfully too. Later in the year we held a bake sale and also collected canned goods for the Salvation Army. Without the help of Mrs. Stanley, these projects could never have been accomplished. We extend our heartfelt thanks to her for all of her help.

All in all, we had good members, a good time, a good advisor, and, in general, a very good year. Carrying on in the tradition of past Tri-Hi-Y groups, we committed ourselves to aiding the community in which we lived. What kept us together and working hard? Why, enthusiasm, of course!

ROW 1: S. Shotts, L. King, M. Plucinski, L. Ciardulli, A. Smail, S. Kelly, M. Janetka, M. Misho, D. Sanford, P. Spang, Mrs. Stanley. ROW 2: K. Bieranoski, C. Saylor, D. Brown, J. Sanford, D. A S D F . . . J K L;

The pitter patter of little fingers striking the keys of a typewriter was like music to our ears, which was a good thing, considering we are the members of the Typing Club. We met in 417 during activity periods and tried to improve our typing skills. One of the ways in which we accomplished this was by playing Mrs. Orr's unusual games, such as seeing who could type "John Doe" the fastest. (If we ever are employed by John Doe, we will be great at typing his name.) Although the games may have been "different," they did their job in helping us to become better typists.

We did not just play games, however, we also arranged to have secretaries speak. They told us about their careers and gave out some very valuable information that will help us with our careers. Mrs. Orr, who was a terrific advisor, has said that as future secretaries we are "very enthusiastic and dependable," and frankly, we agree with her!

ROW 1: L. King, M. Janetka, P. Ford, S. Fanelli. ROW 2: L. Pearson, D. Brown, M. Bieranoski, K. Hoffer, L. Fisher. ROW 3: Mrs. Orr, Y. Hutcherson, S. Riggle, K. Regenda, C. McGuire, L. Lowers, S. Hail To The Varsity

As Varsity Club members, we represented a minority of the student body this year. We were the group of talented students who excelled in athletics, and earned a varsity jacket. One of our main reasons for joining the varsity club was to raise money to help pay for our jackets. In February, we had a great time organizing a wheelchair basketball game. John Dykes, our President this year, was certainly kept busy thinking of money raising projects. We hope to have impressed on the other students, the importance of an athletic program. Also, we hope that we have inspired others to become involved in sports.

The Strength Behind The Team

As members of the Wrestling Club, our job was to support the wrestling team at every match. Our sponsor, Mr. Berberich, who was also the wrestling team's coach, helped in getting us organized. After that, however, we were on our own. Our spirit and enthusiasm had no limits, and our voices could always be heard cheering louder than any others.

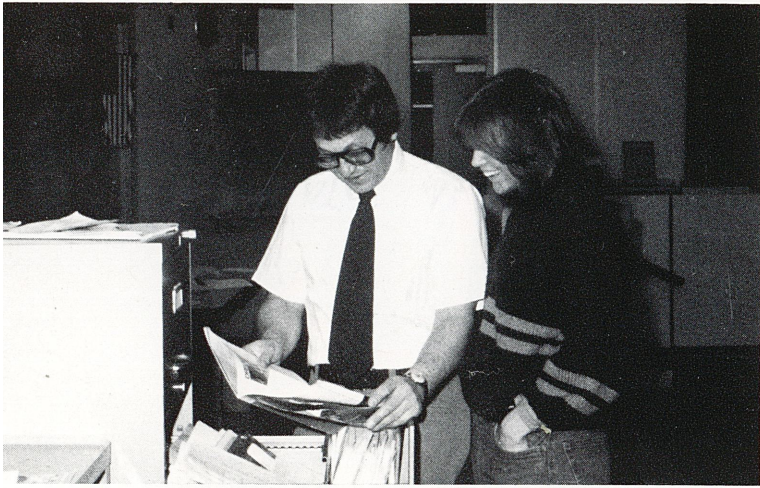

Expansion was also a big part of this year. We decided the junior highs would appreciate a wrestling team, so we proceeded to set up a team in each school. Perhaps in future years, the Wrestling Club here at Wiski will be able to establish satellite clubs in the junior highs as well.

Our spirit, enthusiasm, and love of wrestling drew us together into a club. We will long remember the year we proudly cheered as one for our wrestling team at Wiski Area.

Stop, Look, And Listen

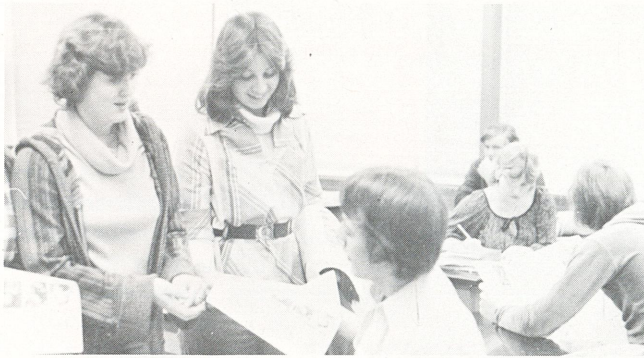

The letters Y.T.S.C. stand for the Youth Traffic Safety Council. We were a small group with a big job. From the beginning of the year to the end, we worked on organizing traffic safety programs. This is an unusually large task for a club to handle, but with the help of Mr. Bassetti we got the job done. Once in a while, of course, we found some time for fun. We enjoyed each others company and appreciated the time we got to just sit around and talk. However, after some relaxation we returned to the serious responsibility of promoting traffic safety.

Mr. Bassetti, A. Ceraso, E. Brady, L. Bozzarelli, D. Smith, N. Peart.

EXTRA! EXTRA!

The newspaper staff of 1978-79 is pleased to say all the troubles we had were worth it. It took a lot of hard work and dedication and we are proud to say, we produced the *Kiskizette*. For most of us on the staff it was our last year and we knew we would always remember Kiski, but wanted to make sure Kiski would remember us.

We were a handful of students who volunteered to get a newspaper started, and we worked hard everyday, all year, to produce the *Kiskizette*. More and more students read and bought the *Kiskizette* each issue, and it became a habit every other Friday morning to get your red hot paper right off the press.

We dug deep to get the facts of the problems. Activities, students, and teachers were among the many feature stories of the newspaper. We covered everything that needed uncovered.

We started out with one four page newspaper a month, and kept growing. The demand for the newspaper got stronger and soon we had a four or eight page issue every two weeks.

Mr. Iagnemma and Mrs. Lawrence were our advisors and many thanks to them. We could never have done it without them. They were always there when we had a problem, and they always knew what to do.

We enjoyed producing a newspaper for ourselves and our school. We hope that in the future years of the *Kiskizette* the staff has as great of a year and enjoys doing it as we did. We, the staff of '79, wish the *Kiskizette* many great years to come.

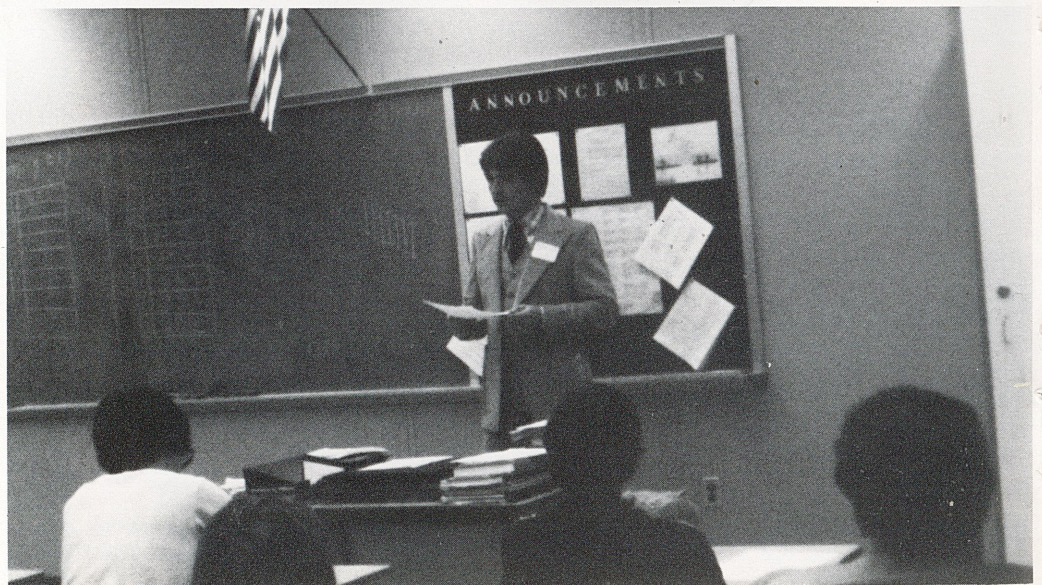

Speakers, Speakers, and More Speakers

This year the annual Career Day was held on November 17, the last day of American Education Week. Students were able to listen to two speakers of their chosen careers. The speakers were very knowledgeable in their respective fields. They gave us valuable information about their fields including: training required, advantages and disadvantages, working conditions, rewards, opportunities for employment and advancement, and the job outlook.

Maybe Career Day wasn't the deciding factor in choosing our careers, but it was a big help. Many thanks to Mr. Ceraso and the entire Guidance Department for making this year's Career Day a success.

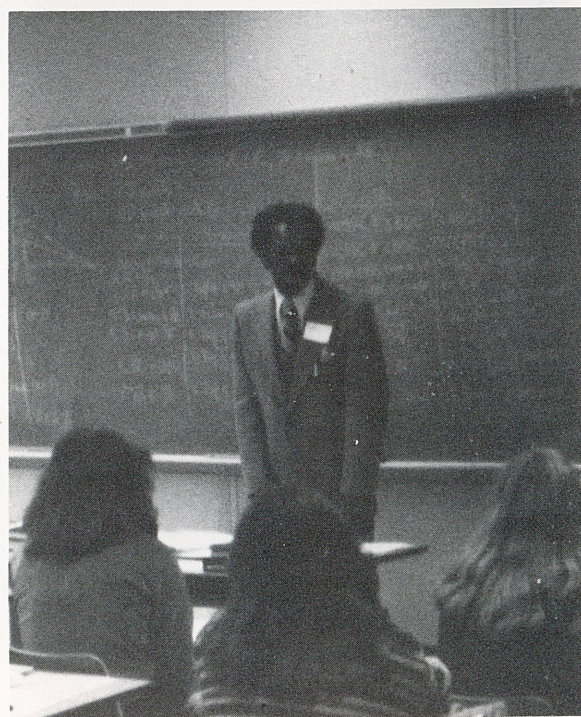

Welcoming this year's speakers.

Becoming part of the act.

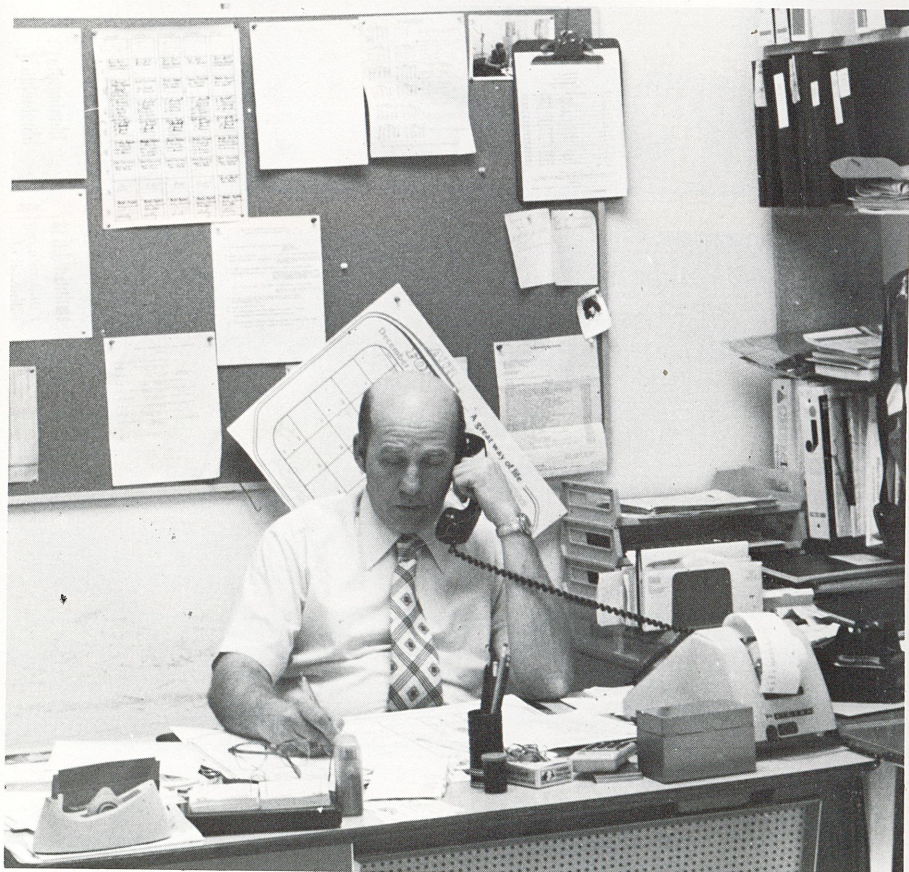

FANTASTIC!!!

This year the Kiski Area Children's Hospital Fund Drive had a great boost. Since this was the second year we have had a telethon, we had two good points on our side. First, we had a goal, a goal of \$32,000, which was set last year by the "Big K." Second, we had some experience under our belt. Experience which would come in very handy if we were to beat last year's total.

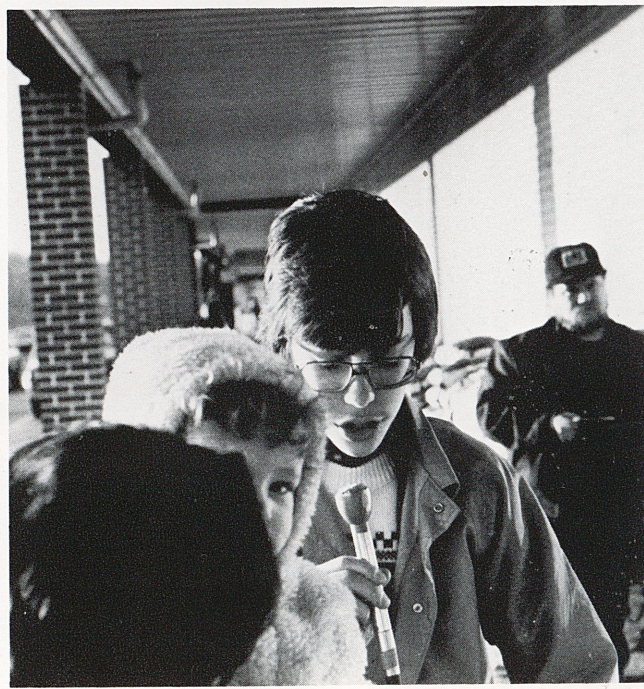

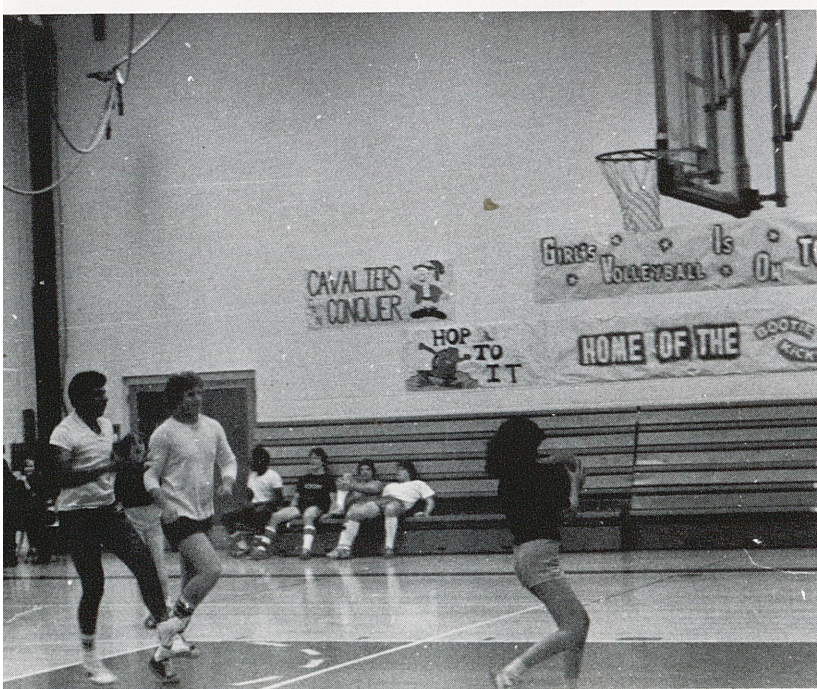

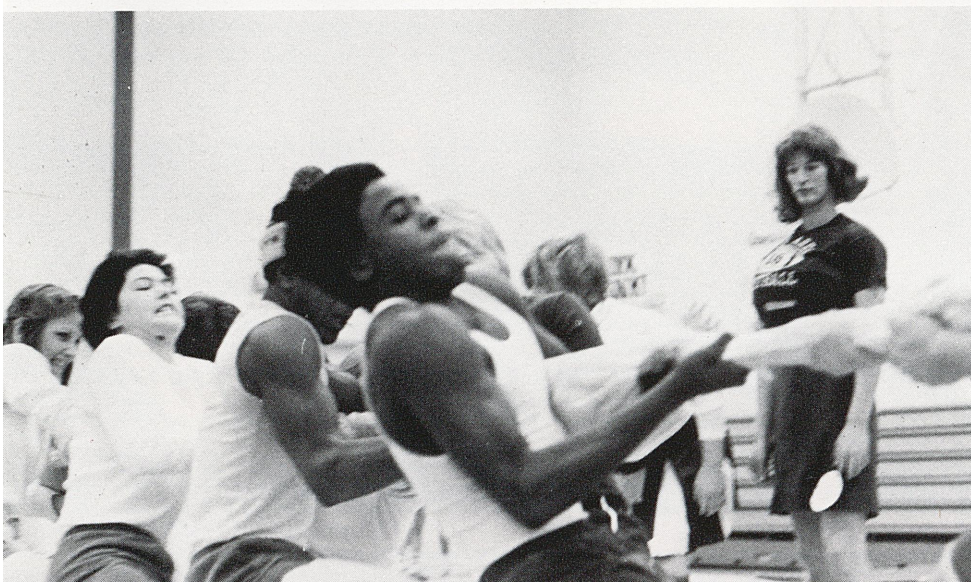

Everyone got into the giving spirit this year. Christmas is a time of giving and that is what everyone in the area did! They gave of themselves for others less fortunate. Many fund raising projects were sponsored. The senior high had a Fun Fair, a Gong Show, an Almost Anything Goes contest, and bake sales. The junior highs and grade schools got in the act with dances and gong shows too.

But, of course, the biggest fund raising project was the telethon at Fisher's Big Wheel and Sherwin Williams, run by the Kiski Area Audio-Visual Club. People from all over the K-A Valley contributed. Celebrities from the Pittsburgh area visited our A-V celebrities trying to inspire the contributing around the area. A-V members put many hours of hard work into this year's telethon; hours which resulted in a record breaking grand total of \$45,000 for Children's Hospital.

Once again, Kiski Area received the coveted "Farkle-Trophy" and honors from KDKA radio. The only honor added, though, was the pride which came from knowing that we have helped brighten an otherwise sparkle-less Christmas for the kids at Children's Hospital.

The Broadway Show

The musical got off to a slow start this year, but once rehearsing started, time flew by quickly. Practices started each night with vocal and dance warm-ups. Once we struggled our way through these, actual rehearsing started. A familiar cry from Miss Wichrowski was, "Project." None of the actors seemed to talk loud enough, except Scott. He could always be heard, not only in the back of the auditorium, but also in the hall.

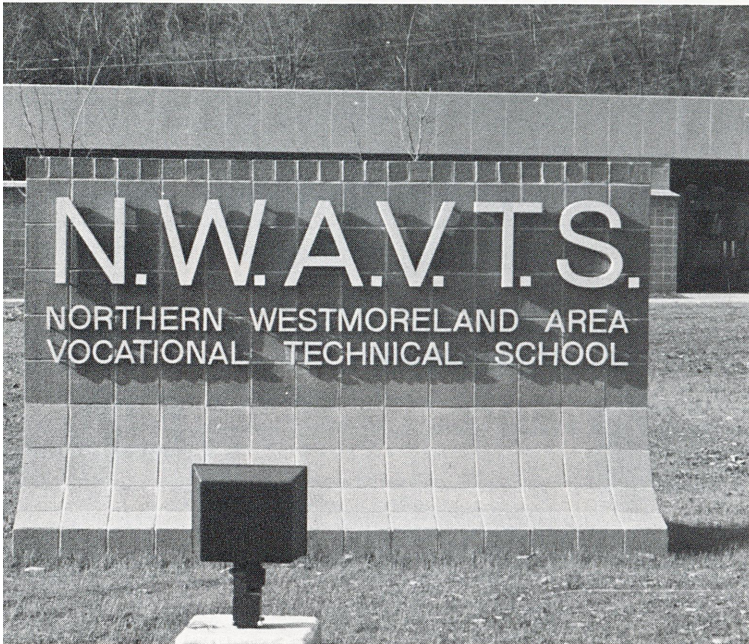

Sandy Pancoe had a very good time portraying "Gigi" and enjoyed working with Chickie Laero (Gaston). The people behind the scenes spent much of their time constructing sets, gathering props, and making costumes. Every crew member had a special job to do and these jobs were always completed, sometimes miraculously.

The orchestra added that special touch to our singing and dancing, which helped make the show "come alive." Mr. Miller and Miss Michaels taught us all those difficult dance steps, while Mr. Wolfgang taught us how to sing. The greatest thanks, however, must go to Miss Wichrowski who gave us her *time, talent, and patience*. Everyone had a "fantastic" time and none of the cast, faculty advisors, or crews will ever forget the memories they experienced while working on the production, "Gigi".

MACHINE SHOP

Automotive Mechanics, Masonry, Cosmetology, and Drafting are only four of the eighteen courses offered to students at the Northern Westmoreland Area Vocational Technical School. Some 146 Kiski students participated in the NWAVTS program; most of whom participated in the NWAVTS Career Center as sophomores. Allowed only one day in the center, we completed approximately three projects for evaluation. These aptitude scores were used as criteria for admittance procedures into the Vo-Tech School during our junior and senior years.

You may say, "What is Vocational Education?" Well, it is formal training for employment and only the most skilled craftsmen are permitted to teach this specific type of occupational training. NWAVTS is located in New Kensington and is open to any interested student. We received a high school diploma since we spent one half day here and a "Certificate of Achievement" from NWAVTS.

DRAFTING

CARPENTRY

FOOD SERVICES

Getting PSYCHED on the sidelines!

Isn't she lovely!

The Glee Club

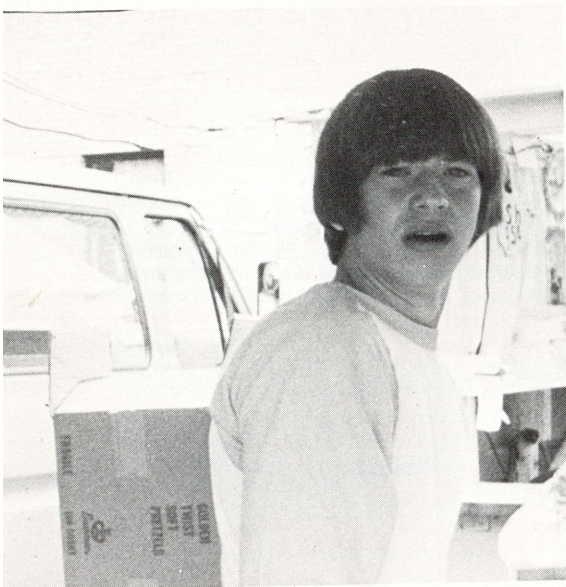

Same to you, buddy.

Is there a face behind all that hair?

Oh goody-goody!

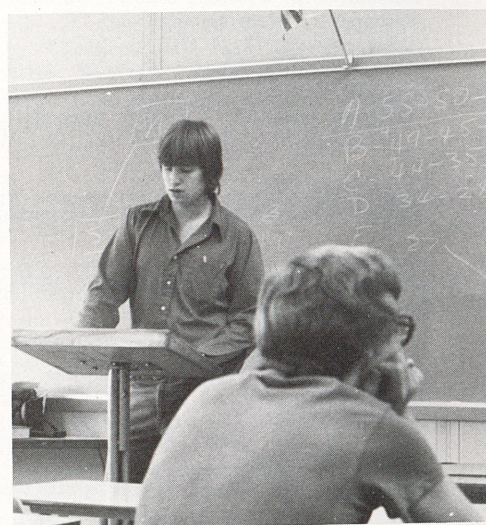

What do you want?

The Dirty Half Dozen

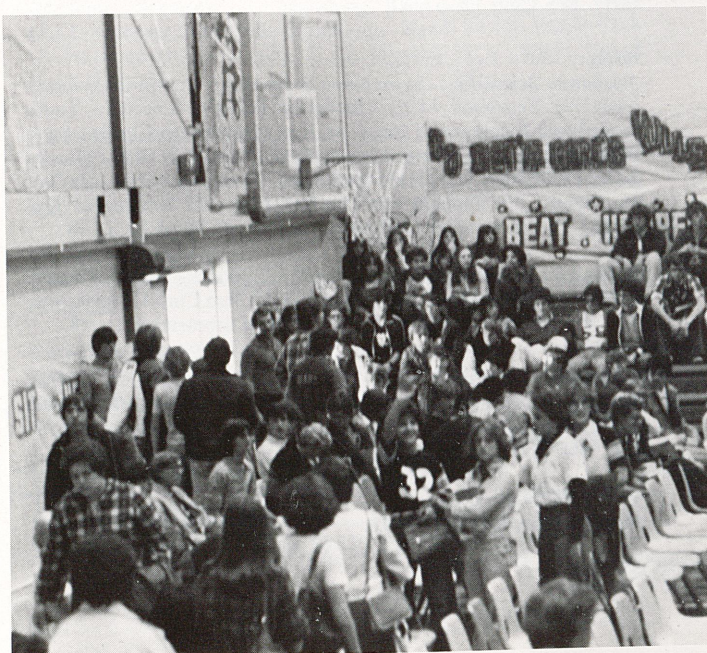

Getting "mentally prepared" to wipeout Valley.

My first speech!

You're right, this class is a laugh!

Rush Hour Traffic

Because I Could Not Stop For Death

By Emily Dickinson

Because I could not stop for Death—
He kindly stopped for me—
The Carriage held but just Ourselves—
And Immortality.

We slowly drove—He knew no haste
And I had put away
My labor and my leisure too
For His Civility—

We passed the School, where Children strove
At Recess—in the Ring—
We passed the Fields of Gazing Grain—
We passed the Setting Sun—

Or rather—He passed Us—
The Dews drew quivering and chill—
For only Gossamer, my Gown—
My Tippet—only Tulle—

We paused before a House that seemed
A Swelling of the Ground—
The Roof was scarcely visible—
The Cornice—in the Ground—

Since then—'tis Centuries—and yet
Feels shorter than the Day
I first surmised the Horses' Heads
Were toward Eternity—

THANK YOU

It is only right that we set aside this page to thank and pay tribute to all of those who have helped make this book possible.

The best place to start is at the top; therefore, we must acknowledge the cooperation of Mr. Daniels, Mr. Miller, Mr. Frederick, Mr. Brozovich, and Mr. Nicholas. All of these administrators helped in some way or another throughout the year. For example, Mr. Brozovich purchased enough donuts this year to pay for the entire color section!

The next big thank you and salute must go to a group of fine ladies that we refer to on page 87 of this book as "Kiski's Main Spring." Of course, we are speaking of the high school secretaries. Mrs. Quarato and Mrs. Winesky were always there when we needed supplies, needed something copied, had a question, or needed our mail. Mrs. Moore took our phone messages while Mrs. Wright handled all our finances. Finally, we cannot forget the many favors of the "Gym Lady," Mrs. Smeltzer. She kept us informed on sports schedules, scores, coaches, and players.

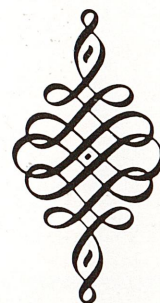

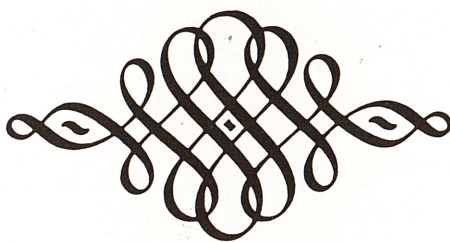

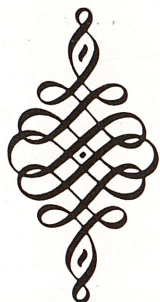

We cannot forget to offer a sincere thank you to the "Big K" faculty. We especially wish to thank all homeroom teachers who put up with donut sales and subscription drives. Also, a big thank you to all sophomore and junior English teachers who handled class pictures this year.

Another group of people who deserve a lot of credit are the parents of our staff members. They ran errands for us while we were in school, made extra trips to the school to pick us up, and did many other things through the year that helped make our job a little easier.

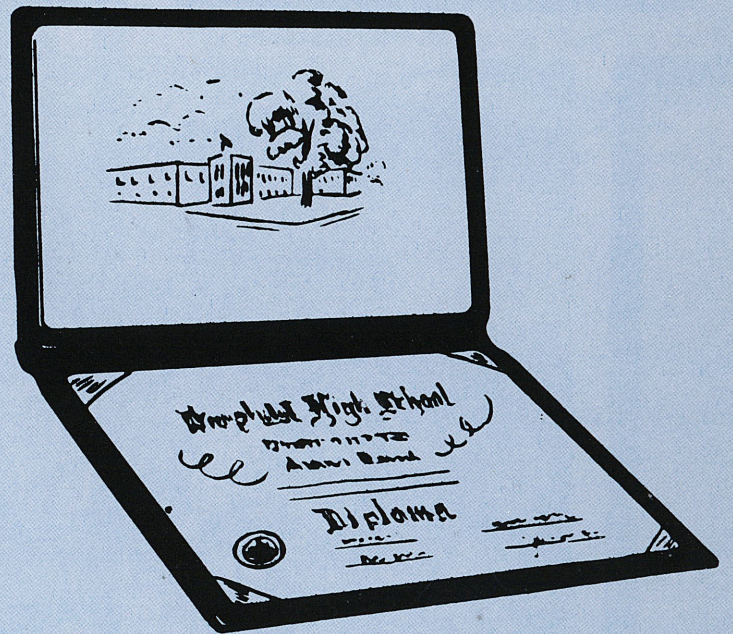

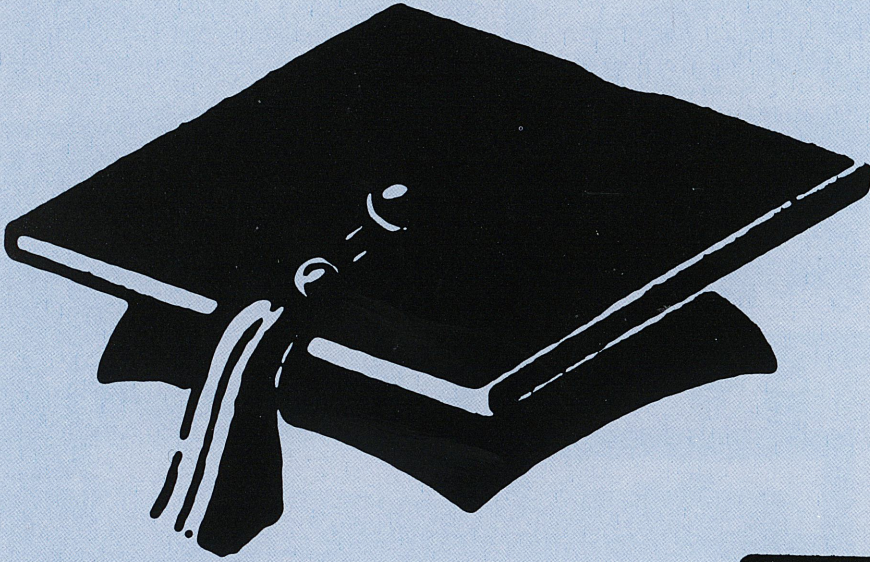

In addition to all of those mentioned above, we would like to thank all people who lent us pictures, all of those who helped identify pictures, the senior class for paying for pages 15 and 16, and the maintenance men and women.

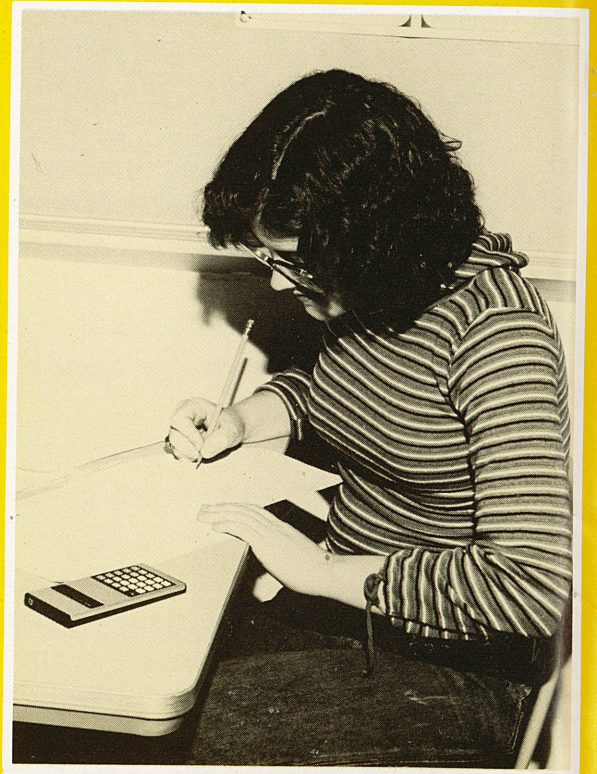

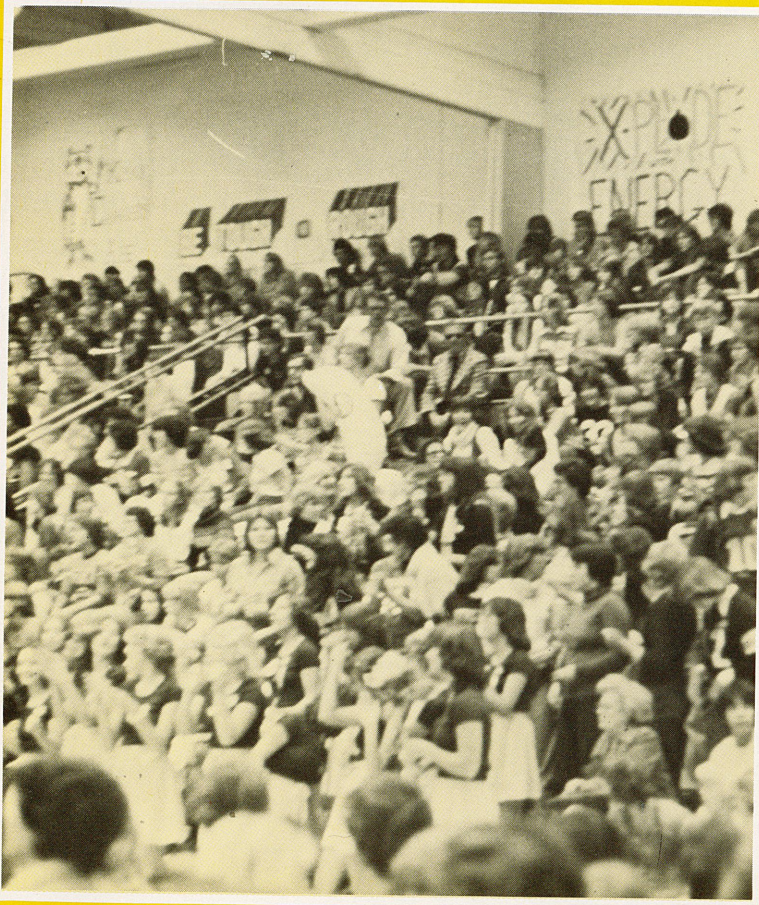

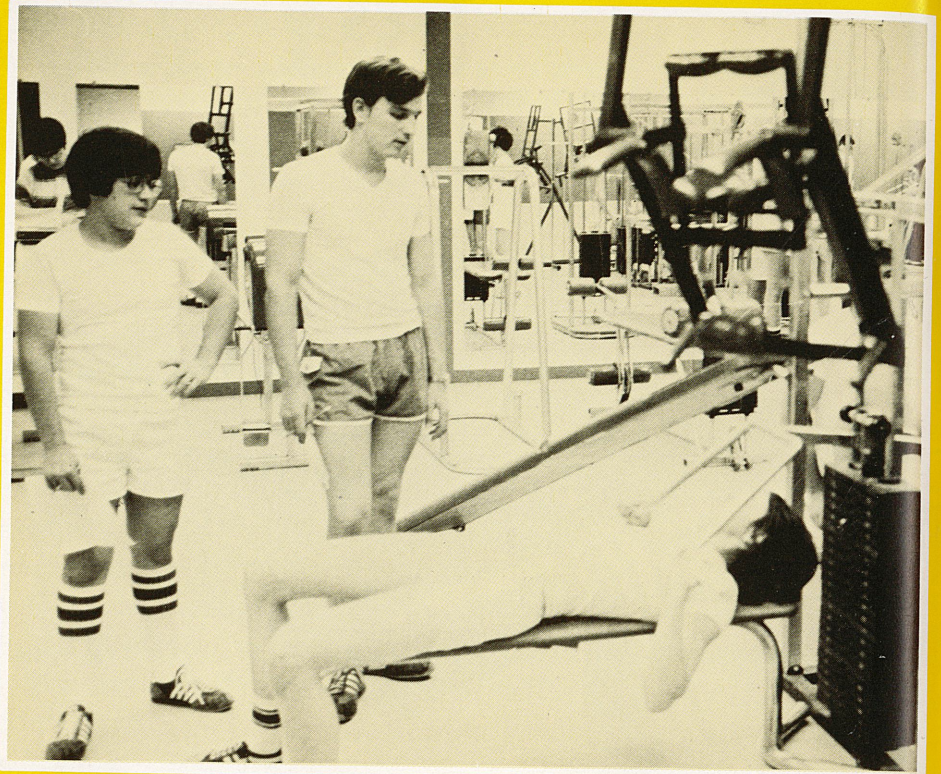

We would also like to acknowledge several businesses who helped this year. They are: DeGlau Studios, Dixon's Bakery, Josten's/American Yearbook Co., Myer's Print Shop, Photo Corral, Shaffer Studios, and Top Notch Art Materials.

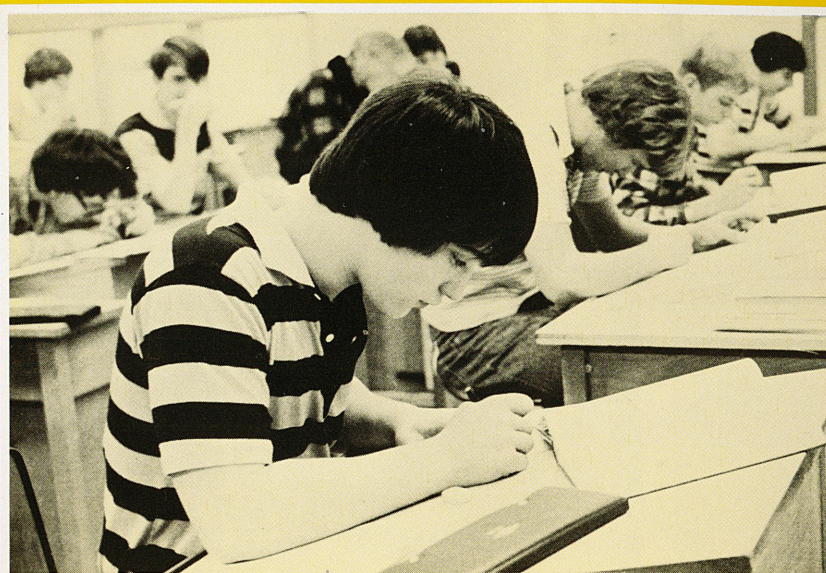

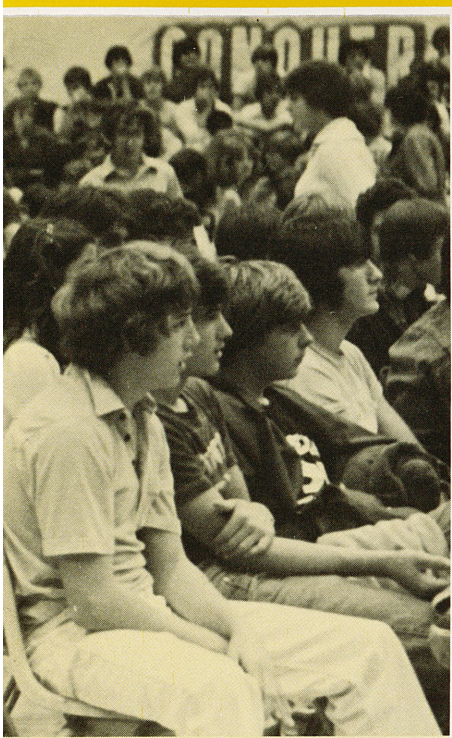

Finally, we thank the stars of this book—the students of Kiski. You posed for the pictures, bought our donuts, listened to our announcements, and, of course bought the books. We of the CAMPUS staff thank you for truly being "Number One!"

CLOSING

As graduation nears, we look back and remember:

As sophomores-

On Campus . . .

The embarrassment of getting "lost" on the first day of school.

Falling over ice, down the stairs, and into health class.

Being told the wrong direction by seniors.

Trying to survive three gym classes a week.

Fearing the administration.

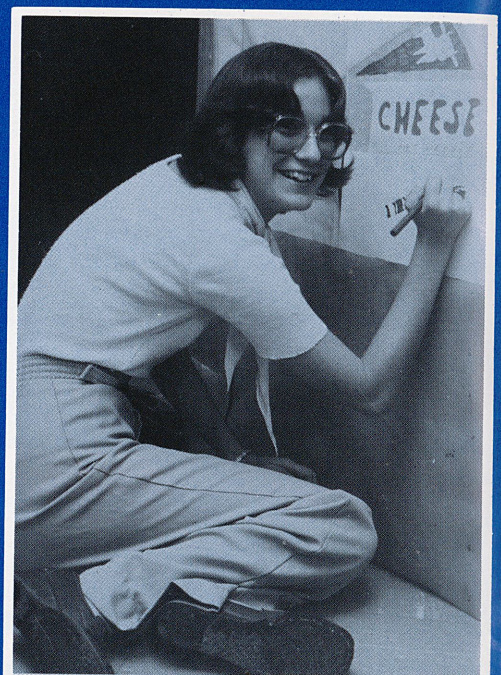

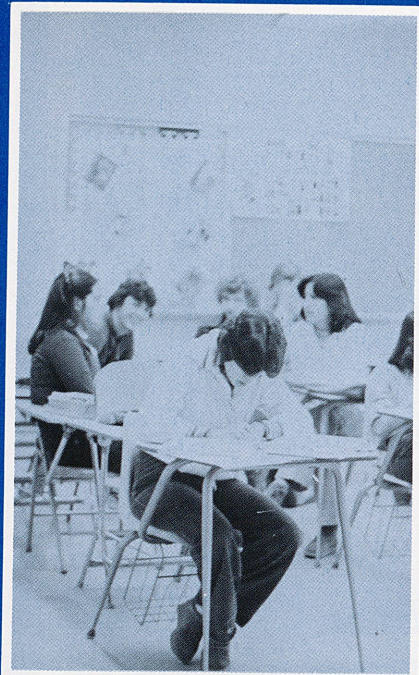

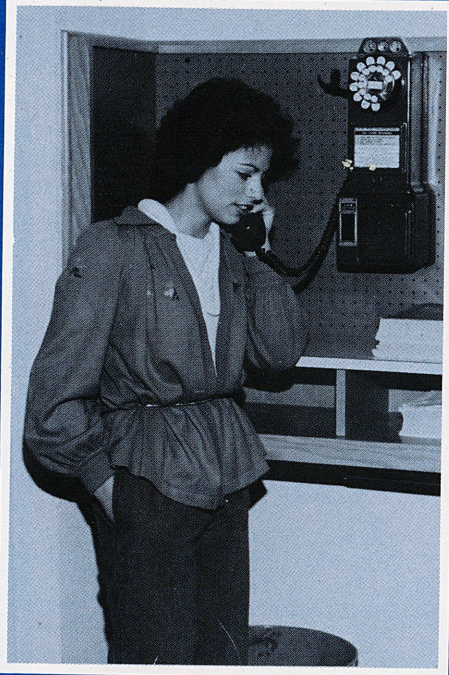

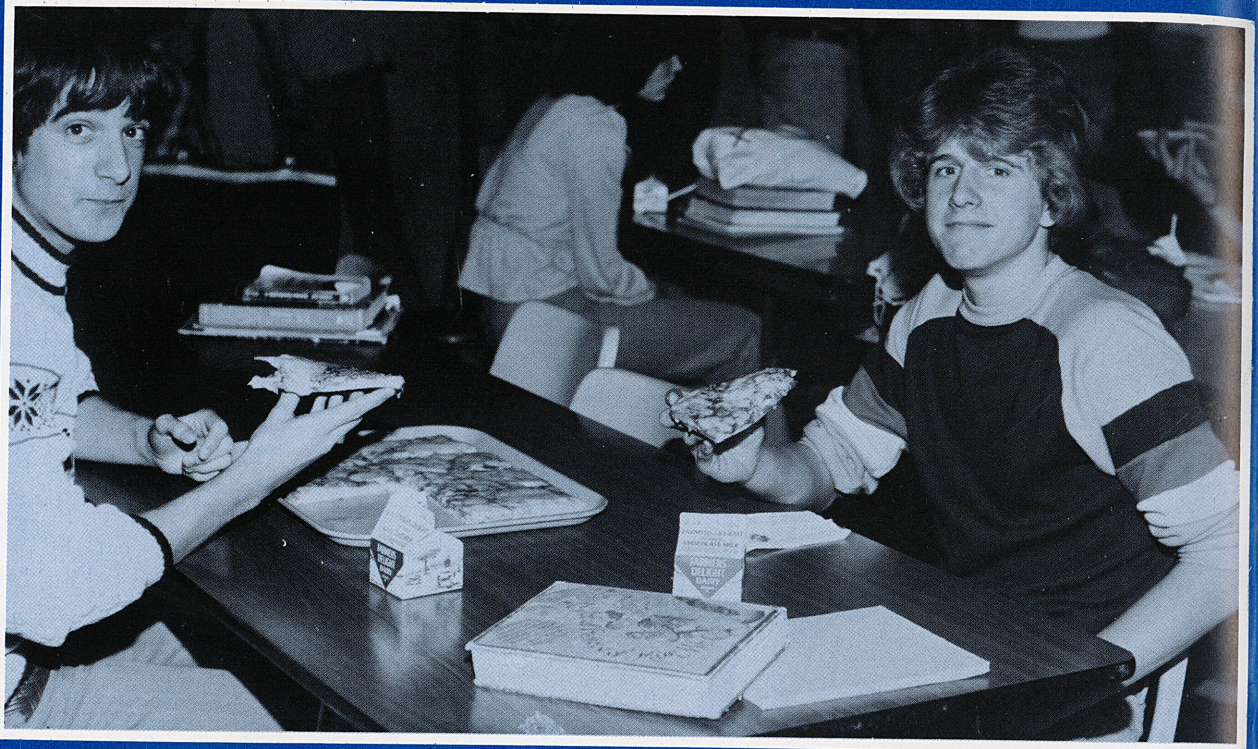

Off Campus . . .

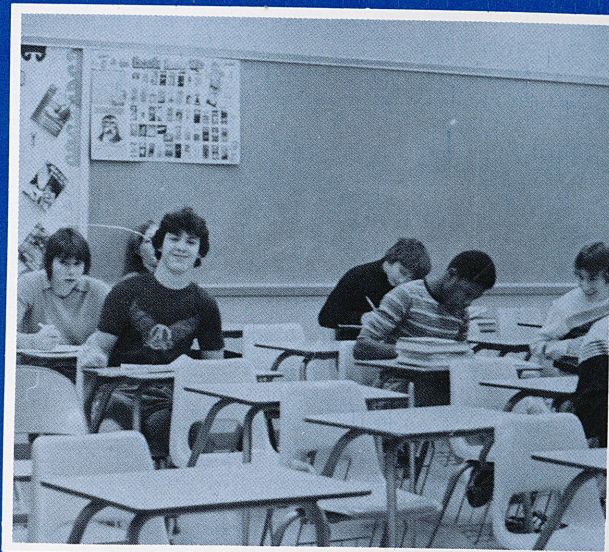

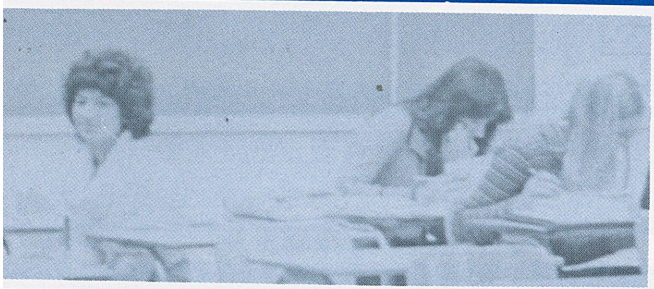

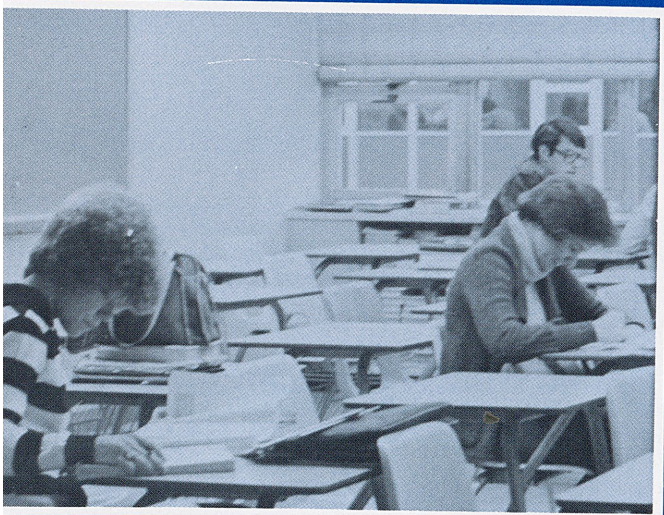

Dreaming of that senior hunk.

Telling the ninth graders of our terrible experiences as sophomores.

Looking forward to not being sophomores anymore.

As graduation nears, we look back and remember:

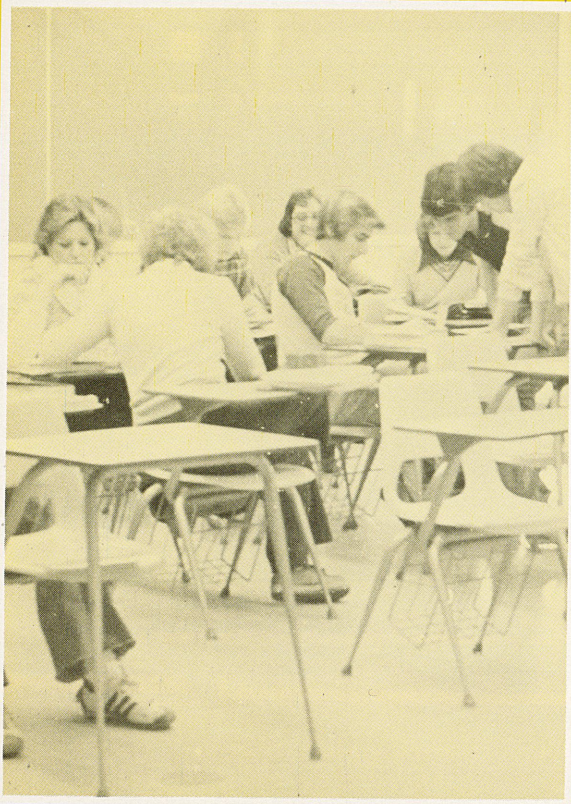

As Juniors-

On Campus . . .

Receiving class rings.
Torturous double periods in chemistry.
Trying to sell logs.
Getting to *pick* our gym classes after the seniors.
Doing our first research paper.

Off Campus . . .

Making those endless trips to school for summer practices.
Soaking up some sun beside a pool.
Sleeping in until 12:00.
Preparing to rule the school.

As graduation nears, we look back and remember:

As Seniors-

On Campus . . .

Taking our time between classes and somehow always being late.

Performing for the last time.

Trying to sell one more magazine so we'd get a football.

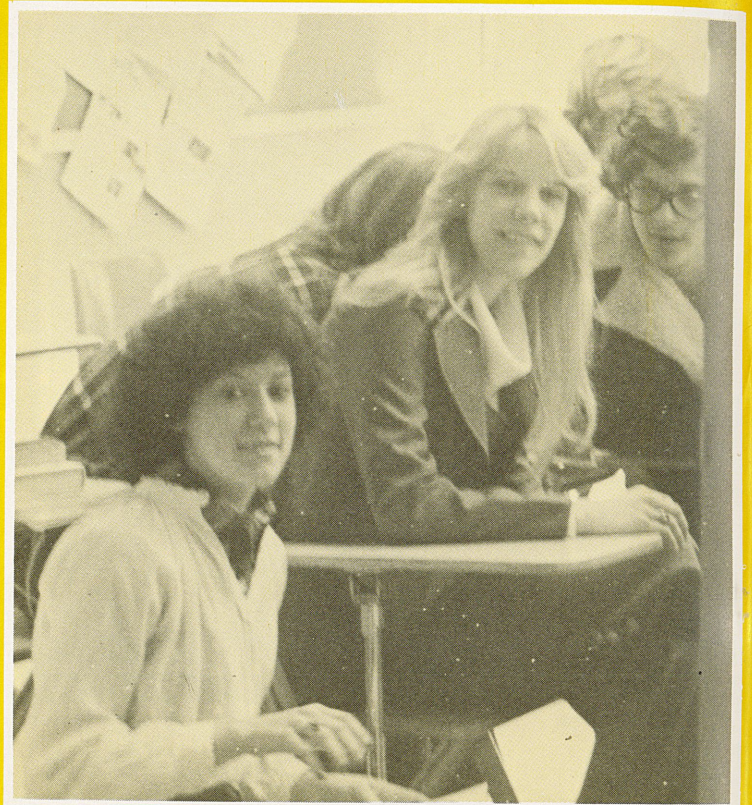

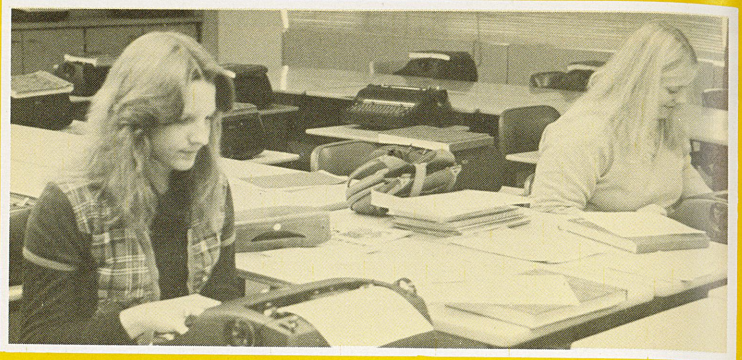

Watching Lenny and Billy freak out at the Freedom Jam concert.

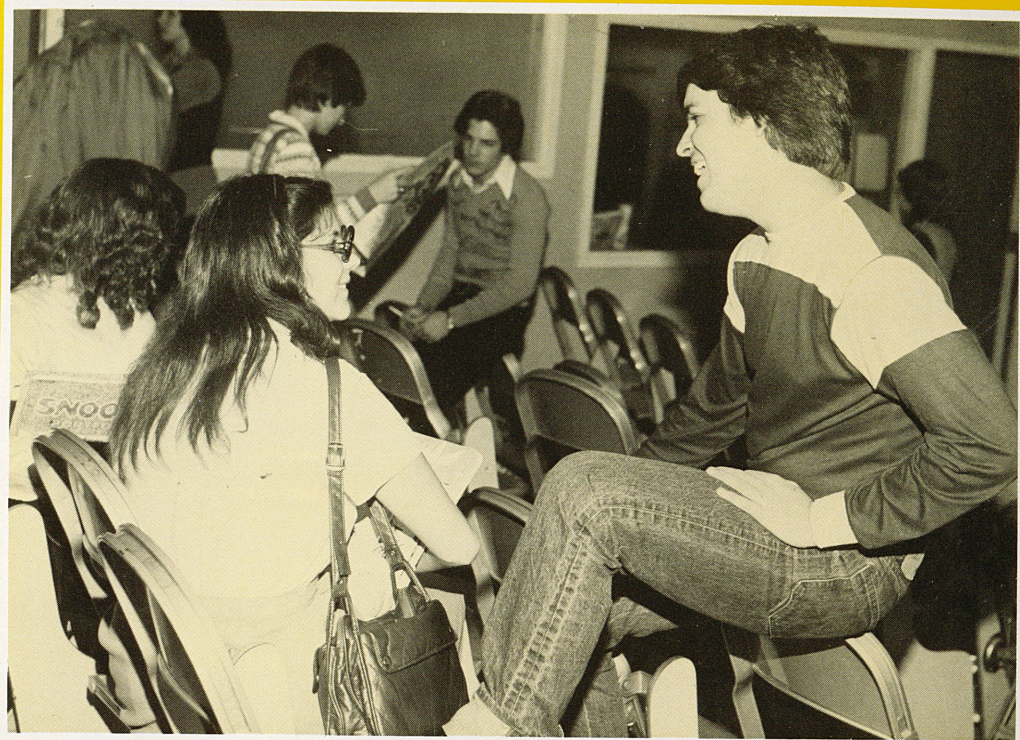

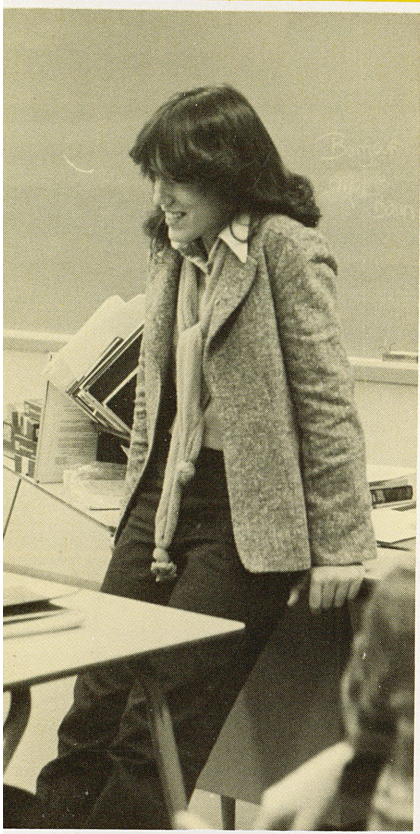

Off Campus . . .

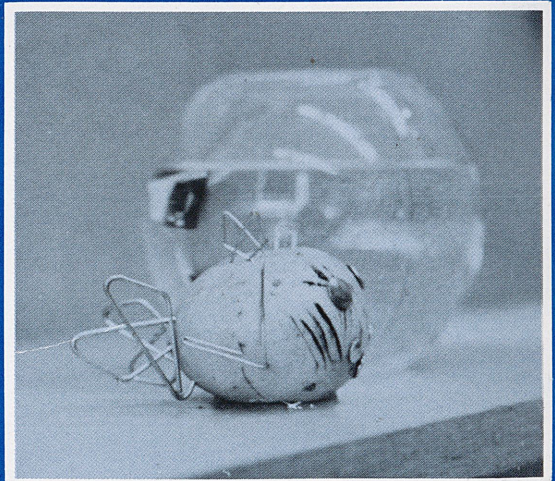

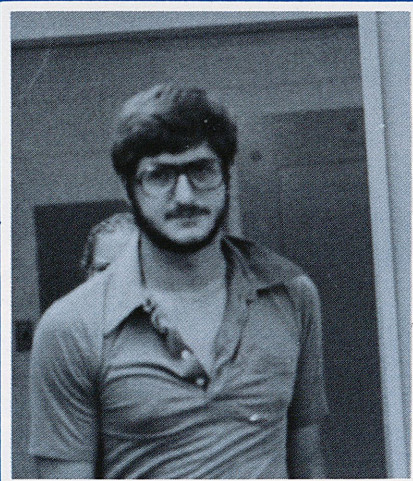

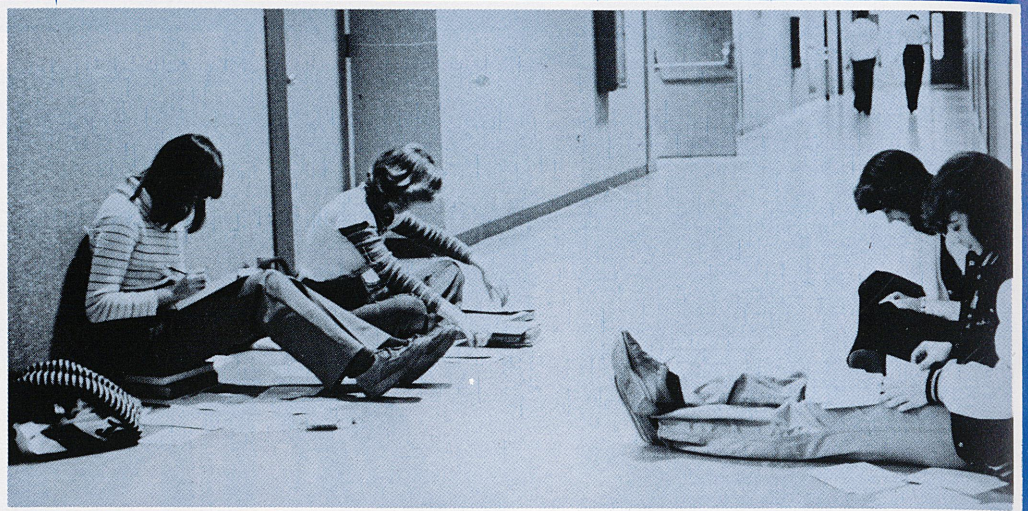

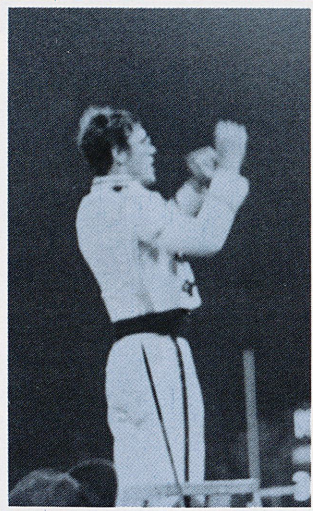

Finally getting accepted into the college of your choice.

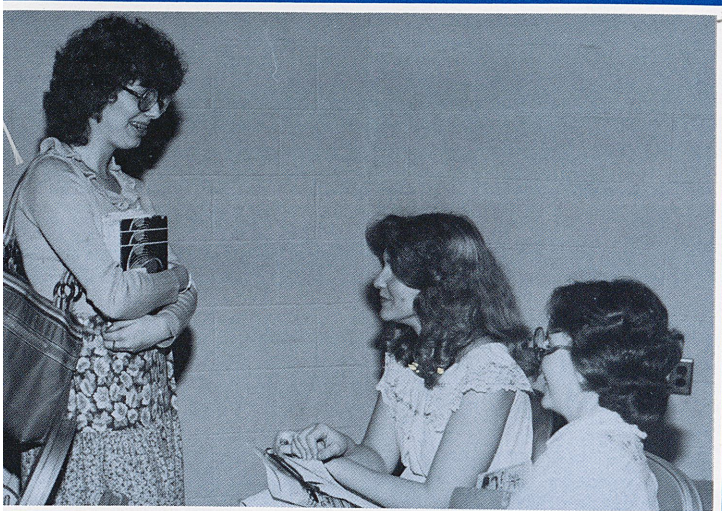

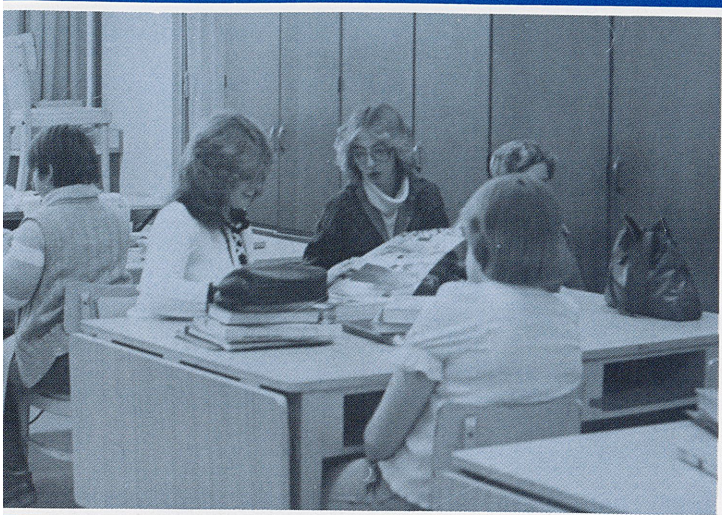

Searching diligently for that job you don't really want.

Freaking out with Chic.

On Campus . . .

Daydreaming about those lazy summer days that lie ahead.
Counting down how many days are left in that class that is unbearable.

Wishing you had just one activity period with nothing to do.

Off Campus . . .

Trying to dream up something to do in those hot summer afternoons.

Laughing about that class that was "unbearable".

Wishing those fun times you had in school could be brought back.

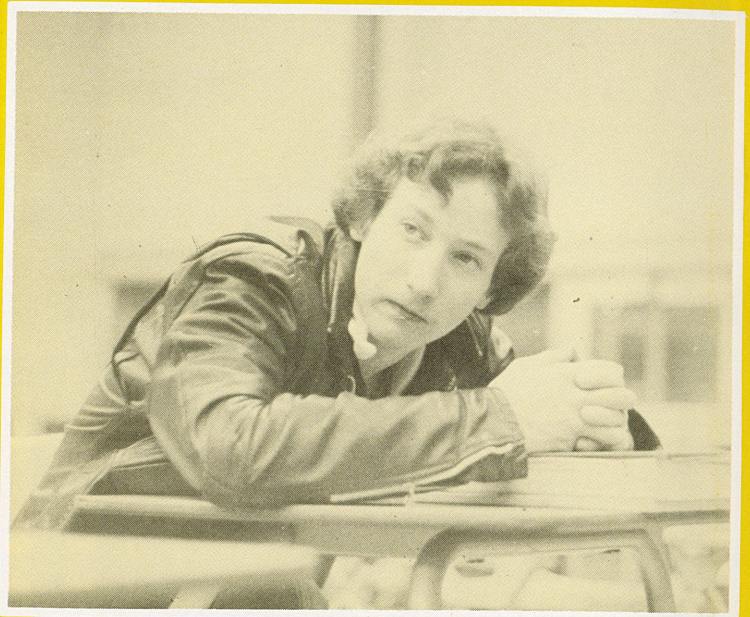

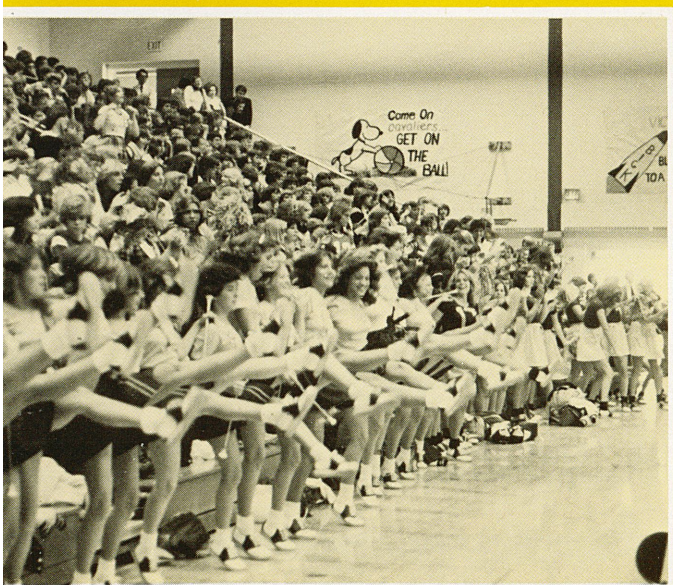

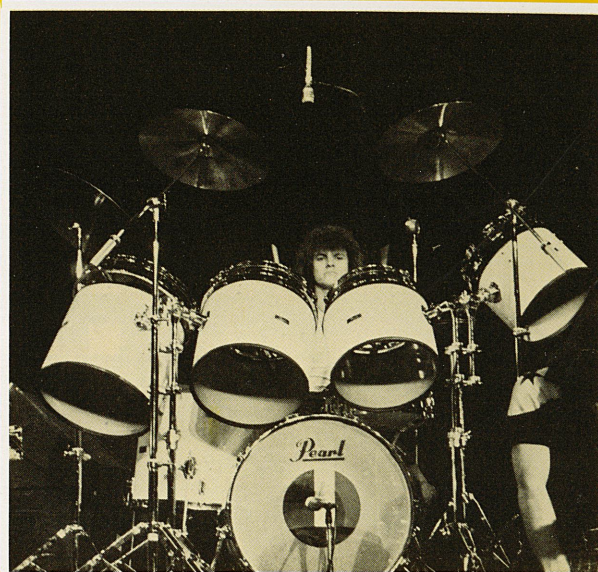

Campus . . .

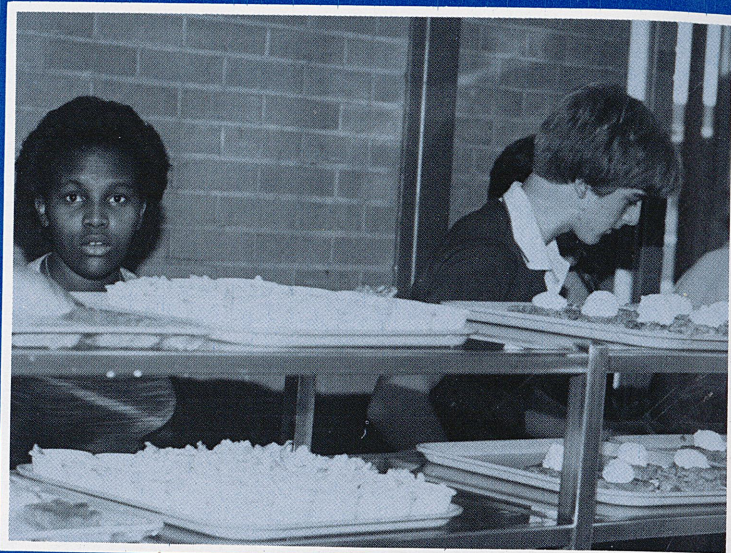

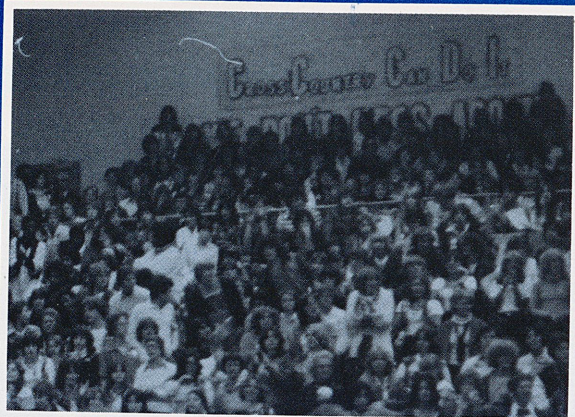

reading those days that you have too much homework.
 being sent to the office and immediately hoping that
 did nothing wrong.
 hurrying down the halls to your next class and embar-
 gely bumping into somebody.
 realizing fourth period you do match after all.

Campus . . .

during summer vacation, realizing you really *did* learn
 something the year before.
 not having to worry about homework or hurrying down the
 to your next class.
 being glad that geometry is done, but missing that "honey"
 sat across from you.

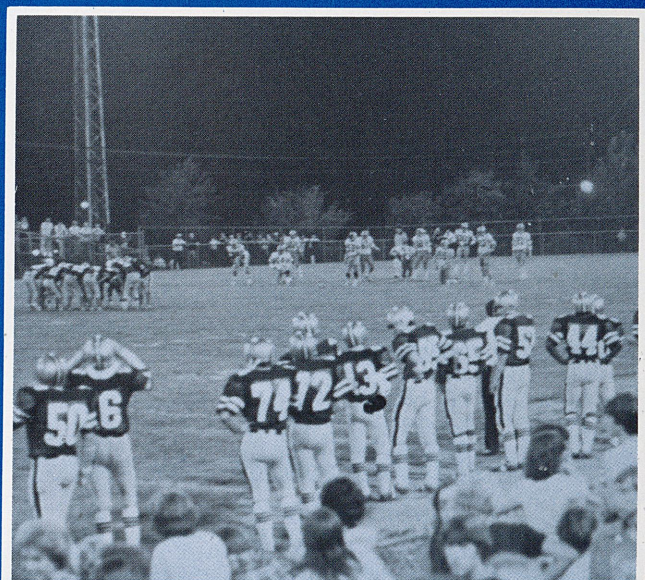

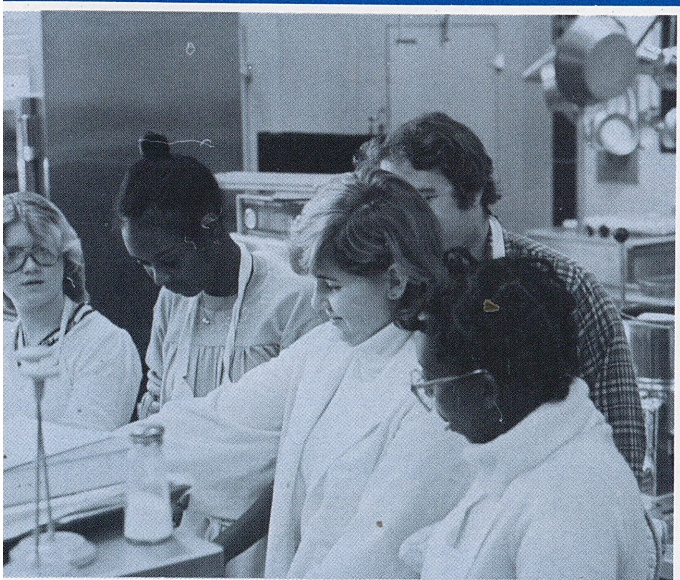

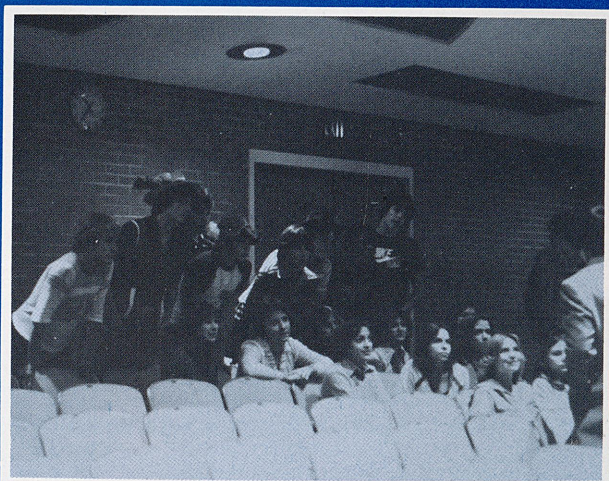

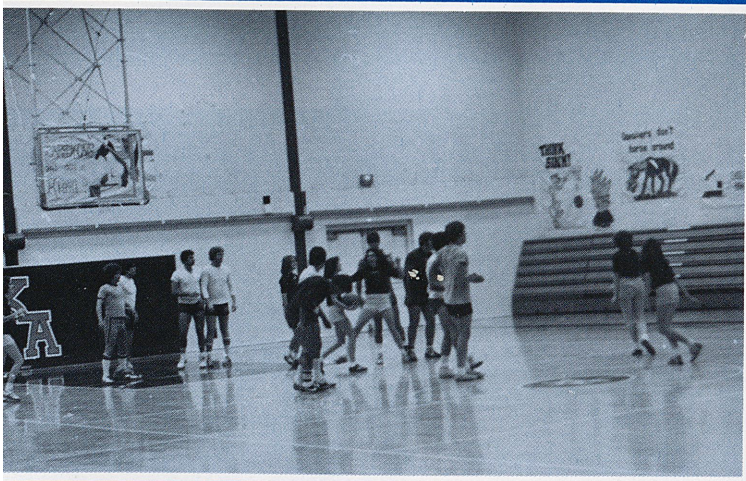

Campus . . .

Waiting for that hunk to ask you to that all important
 ce.
 Discussing every detail with your friends.
 Standing in line impatiently, to get your tickets.
 Making sure that dress or tux fits just right.

Campus . . .

low dancing, swaying to the music.
 Girls going over the scoop in the bathrooms while the
 s wait impatiently.
 Watching some "fresh air" on the balcony.
 Getting your pictures taken so you could always remem-
 the "Big Night".

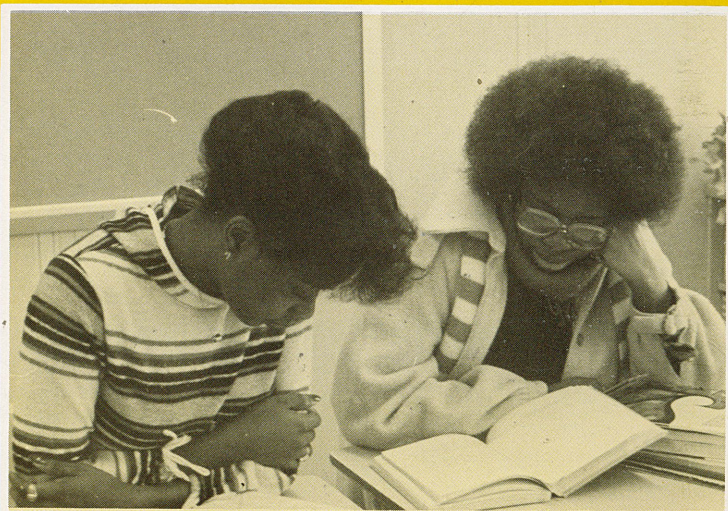

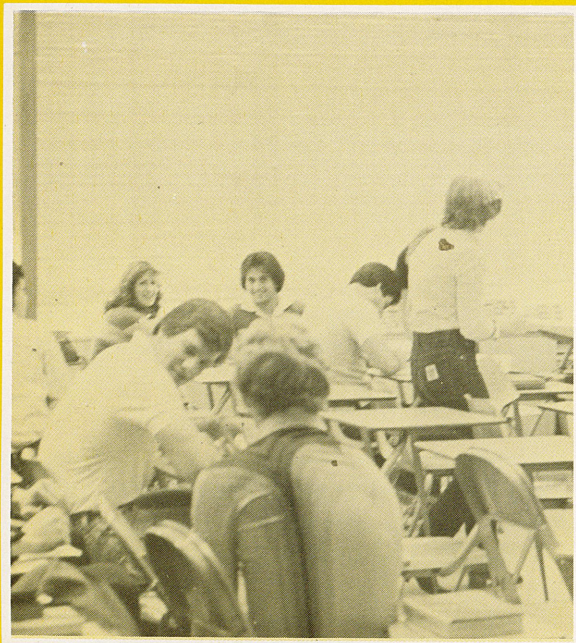

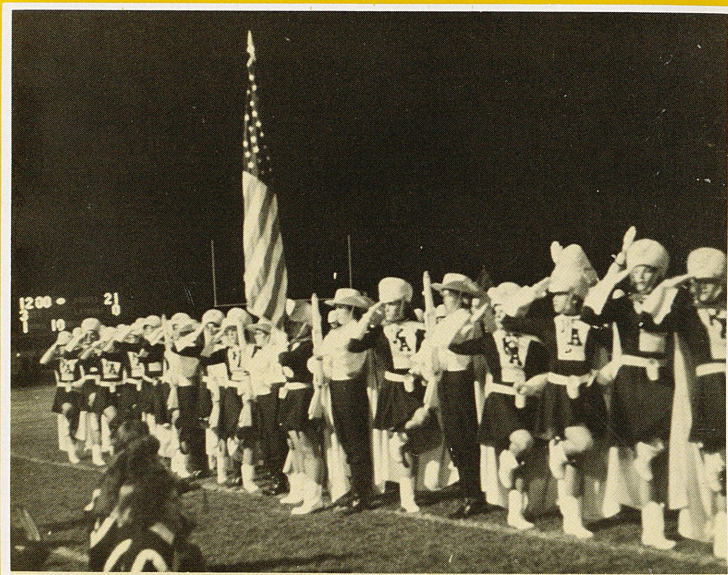

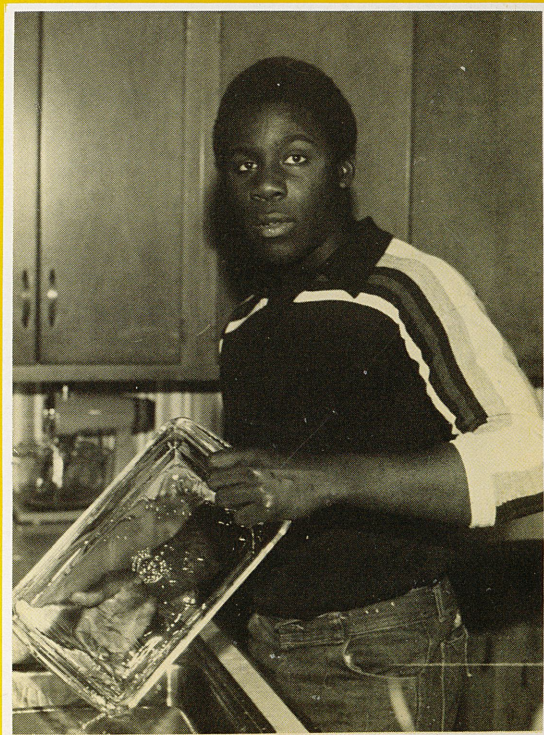

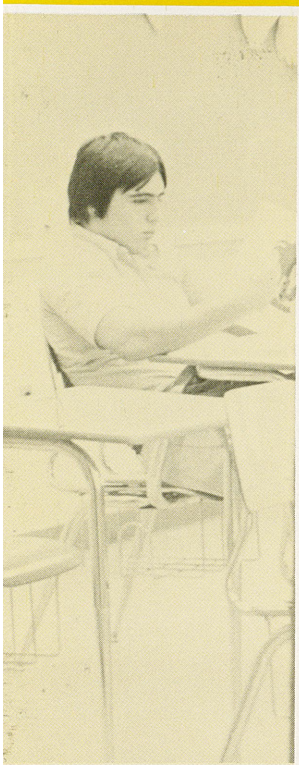

Campus . . .

Getting measured for caps and gowns.
Ordering senior announcements.
Anticipating the "Big Day".
Practicing for graduation.

Campus . . .

Party, Parties, Partying.
Knowing this is it.
Feeling that diploma in your hand.
Knowing we'll miss seeing our friends that we saw every-
day.
Looking forward to four years of college.
High school years, a part of growing up, and now we re-
alize that those years are behind us.
Knowing that we must be on our own now with no guiding
hand to lead the way.
Waiting for the first class reunion.
